[The Adolescent Years of Benjamin Bird](#) MD Gage,2020-11-15 During the adolescent years of Benjamin Bird he wrestled with inevitable post World War II socioeconomic and technological change the breakup of his extended family transitioning from the country to the city from public school to college and from confusion over his bisexuality The following is an excerpt from Chapter Three Benjamin pulled his socks tight in his shoes to avoid getting blisters on his heels and he began trotting across the Dover pasture out to the county road There he crawled under the barbed wire fence and headed home on foot He did not mind walking even three miles Walking always seemed to clear his mind He was relieved to be escaping from Denver s influence at least for a time Every step he took away from Denver was a step in the right direction Step step step Denver is sexy all right Ben admitted to himself but not as desirable as Jacob Jiggs had been not sexy enough for me to start daydreaming about Denver or any other male or I will fall into a trap that might haunt me for the rest of my life Step step step Don t think of Denver s masculinity don t think of the arousal I felt riding behind Denver on old Misty don t think of Denver s broad shoulders or his beautiful backside Step step step Don t think of Denver s naughty nature don t think of what Denver might be doing with old Misty I don t ever want to know Step step step Stay on the right side of life Think of girls Think of becoming attracted to girls Think of which girl I will try to win for my sweetheart when school starts up again Step step step Should it be Peggy Blessing Peggy is so feminine and dainty I actually felt manly when I was sitting beside her in assembly Step step step Imagine putting my arms around Peggy Blessing and having babies and building a nice home and becoming a good husband and father Step by step by step Ben s shoes became hot to his feet so he sat down and took them off stuffed his socks into his shoes tied the shoestrings together and slung them over his shoulder His feet felt good tramping in the warm sandy ruts His toes felt liberated At least his toes were liberated Watch for the forthcoming sequel *The Rootless Years of Benjamin Bird*

[Notes For Creatives](#) Daniel Triunfo Dani,2023-05-02 It is an essay book where you can find what

it is like to live in the south and the consequences of poor markets that we give ourselves in the obligation to work for little or live from the government This is explained by a predominance of cultures that were socializing and we had no choice but to channel a new culture into works whether they be theater movies or musicals to be on par with our competitors the large friendly companies that they put together with writers protest this great simulation of entertainment in peace It is an opportunity for them to really get to know us *Hymns for Mothers and Children* Caroline Snowden Guild,1864

California Routs Comedy Daniel Triunfo Dani,2023-05-02 It is a type of librettist s book for the realization of a long comedy it is scripted and semi scripted It deals with many stories which are wisely intertwined with stories of travel and love Ideal for production companies and the general public who after making a film access the book They will be able to add things and remove things according to their tastes and their times They will then find a material in which film students and professors will have a new idea to enter the market with their personal touch Inside is the link to some music you will need In other words a comprehensive script that speaks of our times and that can be performed anywhere in the world I know how difficult it is to do it For independents I suggest getting an executive producer as it s a high cost high work movie or comedy
