European Traditions in Civil Procedure C. H. van Rhee, 2005 European co operation has resulted in many new and challenging opportunities for legal scholars who since the so called codification period have become used to operating in a purely national context This applies also to scholars in the field of civil procedure who for a considerable period of time have resisted leaving the purely national domain These scholars have devoted a great deal of attention to the question whether or not harmonisation of civil procedural law is a feasible option and if so in what manner harmonisation should be achieved The contributors to this book seek to further the harmonisation debate by exploring some of the main trends in the development of civil procedural law during the last two centuries in several European countries Germany Austria Switzerland France England and Wales The Netherlands and Belgium Two of the central issues that are addressed by the contributors are the

extent to which the various procedural models have influenced each other and the extent to which common traditions in civil procedural law may be distinguished in Europe Each general chapter in this book is supplemented by three chapters devoted to specific procedural topics Conciliation Party Interrogation as Evidence and the Role of the Judge In addition extensive bibliographical references are included

The Fairmount Park Motor Races, 1908-1911 Michael J. Seneca, 2003-01-01 For four years early in the last century the Fairmount Park Motor Races were run on an eight mile course in Philadelphia s West Fairmount Park They drew half a million spectators the first year but surprisingly they have been overlooked as part of automobile racing history and as part of the history of Philadelphia In contrast to other racing events such as the Vanderbilt Cup there were never any serious injuries and not a single death but after four years of spectacular racing the event was banned with safety concerns cited Opening with a brief look at automobile racing prior to 1908 the book covers the events leading up to the first race It discusses the proposal to have a race in Fairmount Park and the reasons why Philadelphia and the park in particular was such an unlikely place Both the on track action of the races and the off track events that affected them are described Dr J William White s successful crusade following the 1911 outing to stop the races is examined as are attempts to revive the race in the following six years including Philadelphia s attempt to compete with Indianapolis by constructing a two mile oval speedway and the city s eventual exit from automobile racing
