Lucifer's Court Otto Rahn, 2008-02-28 Rahn s personal diary from his travels as occult investigator for the Third Reich First English translation of the author s journeys in search of a Nordic equivalent to Mt Sinai Explains why Lucifer the Light Bringer god of the heretics is a positive figure Otto Rahn s lifelong search for the Grail brought him to the attention of the SS leader Himmler who shared his esoteric interests Induced by Himmler to become the chief investigator of the occult for the Nazis Rahn traveled throughout Europe from Spain to Iceland in the mid 1930s pursuing leads to the Grail and other mysteries Lucifer s Court is the travel diary he kept while searching for the ghosts of the pagans and heretics who were his ancestors It was during this time that Rahn grasped the positive role Lucifer plays in these forbidden religions as the bearer of true illumination similar to Apollo and other sun gods in pagan worship This journey was also one of self discovery for Rahn He found such a faithful echo of his own innermost beliefs in the lives of the heretics of the past that he eventually called himself a Cathar and nurtured ambitions of restoring that faith which had been cruelly destroyed in the fires of the Inquisition His journeys on assignment for the Reich including researching an alleged entrance to Hollow Earth in Iceland and searching for the true mission of Lucifer in the caves of southern France that served as refuge for the Cathars during the Inquisition also led to his disenchantment with his employers and his mysterious death in the mountains after his break with the Nazis

Portrait Chris Lowen,2010-03-10 Prepare to take a journey through rhyme and rhythm into the image of love life and everything in between With every passing word another image is painted showing the loneliness and depression happiness and bliss and triumph and victory that linger within one man s heart and soul Chris Lowen began writing after losing a close friend he struggled to find his voice through the pain and depression that soon followed At the young age of fourteen he was certain that he needed to release himself from the pain he felt He slowly started writing various ideas down on paper and creating fantasies that allowed him to escape the difficulties of reality After writing several poems for his would be book he came to realize his knack for this genre so he decided instead of writing just to prove a point that he would instead create a self portrait of his own self The portrait would be created not with paint and oils but with words in their purest and simplest form that explain the very essence of his soul within every shape form color and tone that it took

Light Bringer Marshal Myers,2011-02-28 For centuries the city of Silvardrassil has been cut off from the rest of the world and thrust into a state of eternal starless night because of the folly of Fehar who opened a connection between the city and the realm of the Shadow King The Legion of Silvardrassil has fought the forces of the Enemy with the magical aid of the Light Bringers a holy order of mage priests whom the Radiant King has endowed with the power to bend the elements The people of the city are slowly dying but prophecy foretells that the last and greatest Light Bringer is coming

The Island of the Great Mother Gerhart Hauptmann,Edwin Muir,1925 Begun in 1916 first published in 1924 this an almost poetic utopian work About one hundred women and a twelve year old boy shipwrecked from a luxury liner on an unknown South Sea island establish a matriarchal society a paradise of natural existence In this society children are regarded as of divine origin and

there is a taboo on even considering who the father of any given child may be The island religion resembles ancient Greek mythology but with Hindu and Buddhist aspects As the male children grow up they are exiled to the other side of the island where they develop a different kind of society and even establish contact with the outside world Eventually the matriarchal rule is ended by a revolt of the men who bring society back to the more usual civilized aspects and end this temporary utopian ideal world Phi Delta Kappan ,1912 *McClure's Magazine* ,1922 **Poteen** William Arthur Deacon,1926
