An Annotated Guide to Reports, Books,
Periodicals, Standards and Codes

Volume 1: Books
JULES B. GOCEL

For the past several years, the author has been fortunate to have been associated with the Construction Information Group of the American Society of Civil Engineers. This group has been instrumental in the development of a comprehensive database of construction information sources. The author has been responsible for the development of the database and for the publication of this book. The book is a comprehensive guide to the sources of construction information, including books, periodicals, standards, and codes. It is intended to be a useful reference for anyone involved in the construction industry.
