Soviet Risk Taking And Crisis Behavior A Theoretical And Empirical Analysis:

Soviet Risk-Taking and Crisis Behavior Hannes Adomeit, 2022-12-28 *Soviet Risk Taking and Crisis Behavior* first published in 1982 examines the question for what purposes and under what conditions were Soviet leaders prepared to take risks in international relations The first part of the book sets out to define the concept of risk and to examine its analytical relevance for foreign policy its measurement and its relation to the dynamics of crisis The second part consists of in depth analysis of Soviet behavior in the Berlin crises of 1948 and 1961 The third and last part compares Soviet policy in the two crises and the actions of the two different leaderships as well as relating it to Soviet behavior in other geographical areas

Soviet Risk-taking and Crisis Behaviour Hannes Adomeit, 1982 **Soviet risk taking and crisis behavior** Hannes Jürgen Adomeit, 1980 Soviet Foreign Policy in a Changing World Robbin F. Laird, Erik P. Hoffmann, 2021-03-22 No detailed description available for *Soviet Foreign Policy in a Changing World* **Stress**, 1994 **Contemporary Issues in Soviet Foreign Policy** Erik Hoffmann, 2017-09-04 This survey of writings on the debates about and events relating to Soviet foreign policy concentrates on the Gorbachev period Changes in Soviet theory and foreign policy decision making are covered in the first section Twelve articles examine Gorbachev's policy towards a number of different geographic regions and several more assess the permanence of Gorbachev's foreign policy changes *Kennedy's Wars: Liberal Anti Communism; 2 Beyond Massive Retaliation; 3 The Third World Alternative; 4 Policies and People. Section 2 Berlin and Nuclear Stataggy: 5 The New Strategy; 6 To Vienna and Back; 7 The Berlin Anomaly; 8 A Contest of Resolve; 9 The Wall; 10 Tests and Tension; 11 Flexible Resp* Lawrence Freedman, 2002 In *Kennedy's Wars* noted historian Lawrence Freedman draws on the best of Cold War scholarship and newly released government documents to illuminate Kennedy's approach to war and his efforts for peace **Soviet Foreign Policy 1917-1991** Jr. Fleron, 2017-07-05 The purpose of this anthology is to deepen Western understanding of the sources and substance of the foreign policy of the Soviet Union Authoritative analysts here explore significant issues in Soviet foreign relations from the era of the Bolshevik Revolution and the Civil War to the period of reform that preceded the final collapse of the Soviet system The volume is designed for courses in Soviet political history diplomatic history comparative foreign policy and the mainstream of international relations The Cambridge History of the Cold War: Volume 1, Origins Melvyn P. Leffler, Odd Arne Westad, 2012-01-26 This volume examines the origins and early years of the Cold War In the first comprehensive reexamination of the period a team of leading scholars shows how the conflict evolved from the geopolitical ideological economic and sociopolitical environments of the two world wars and interwar period and discusses how markets ideas and cultural interactions affected political discourse diplomacy and strategy after World War II The chapters focus not only on the United States and the Soviet Union but also on critical regions such as Europe the Balkans and East Asia The authors consider the most influential statesmen of the era and address issues that mattered to people around the globe food nutrition and resource allocation ethnicity race and religion science and

technology national autonomy self determination and sovereignty In so doing they illuminate how people worldwide shaped the evolution of the increasingly bipolar conflict and in turn were ensnared by it Nuclear Blackmail and Nuclear Balance Richard K. Betts, 2010-12-01 In numerous crises after World War II Berlin Korea the Taiwan Straits and the Middle East the United States resorted to vague threats to use nuclear weapons in order to deter Soviet or Chinese military action On a few occasions the Soviet Union also engaged in nuclear saber rattling Using declassified documents and other sources this volume examines those crises and compares the decisionmaking processes of leaders who considered nuclear threats with the commonly accepted logic of nuclear deterrence and coercion Rejecting standard explanations of our leader's logic in these cases Betts suggests that U S presidents were neither consciously bluffing when they made nuclear threats nor prepared to face the consequences if their threats failed The author also challenges the myth that the 1950s was a golden age of low vulnerability for the United States and details how nuclear parity has and has not altered conditions that gave rise to nuclear blackmail in the past **Living with Peril** Andreas Wenger, 2000-01-01 Living with Peril explains in detail how the Eisenhower and Kennedy administrations adapted to the reality of a Soviet nuclear force capable of destroying the United States and against which there was no effective defense Wenger illuminates the development implementation and evolution of U S government policies designed to avoid war and to respond to the vulnerability of nuclear destruction Drawing from a wealth of sources Wenger provides an insightful and original perspective on the origins of cold war nuclear diplomacy This is crucial reading for students and scholars of international relations peace and conflict studies and diplomatic history The Politics of Crisis Management Arjen Boin, Paul 't Hart, Eric Stern, Bengt Sundelius, 2016-11-21 Crisis management has become a defining feature of contemporary governance In times of crisis communities and members of organizations expect their leaders to minimize the impact while critics and bureaucratic competitors make use of social media to blame incumbent rulers and their policies In this extreme environment policymakers must somehow establish a sense of normality and foster collective learning from the crisis experience In the new edition of this uniquely comprehensive analysis the authors examine how strategic leaders deal with the challenges they face the political risks and opportunities they encounter the pitfalls they must avoid and the paths towards reform they may pursue The book is grounded in decades of collaborative cross national and multidisciplinary case study research and has been updated to include new insights and examples from the last decade This is an original and important contribution from experts in public policy and international security **The Cold War 1949-2016** Martin McCauley, 2017-05-18 Covering the development of the Cold War from the mid twentieth century to the present day The Cold War 1949 2016 explores the struggle for world domination that took place between the United States and the Soviet Union following the Second World War The conflict between these two superpowers shaped global history for decades and this book examines how this conflict developed into a nuclear arms race spurred much of the wider world towards war and eventually resulted in the collapse of the Soviet empire In this accessible yet comprehensive volume Martin

McCauley examines not only the actions of the United States and the Soviet Union but also the effects upon and involvement of other regions such as Africa Central America Asia Europe and the Middle East Key themes include the Sino Soviet relationship and the global ambitions of the newly formed People s Republic of China the rise and fall of communism in countries such as Cuba Angola and Ethiopia the US defeat in Vietnam the gradual unravelling of the Soviet Union and the changing shape of the post Cold War world Providing a wide ranging overview of the main turning points of the conflict and illustrated throughout with photographs and maps this is essential reading for all students of the Cold War and its lasting global impact

Black Earth, Red Star R. Craig Nation, 2018-07-05 R Craig Nation provides the first post Cold War history of the Soviets seventy five year struggle to maintain an effective national security policy in a hostile world without altogether abandoning the commitment to their original internationalist ideals

The Intelligence Revolution Walter Theodore Hitchcock, 1991

Russia, America and the Cold War Martin McCauley, 2013-11-04 The conflict between Russia and America shaped the world for over four decades Both were universalist powers they wanted every country in the world to copy their model of government and economy They could not rest until the other side had been vanquished and until the mid 1980s this included the prospect of nuclear war In a new edition of one of the best selling books in the Seminar Studies in History Series Martin McCauley looks at the epic struggle between the two superpowers that put everyone in danger In a clear and accessible manner the book Gives a succinct summary of the main turning points in the conflict Looks at how the whole world was sucked into the Cold War Shows how the arms race eventually bankrupted Russia Discusses whether or not America and Russia have learnt anything from this confrontation Also containing a Chronology Glossary and Who s Who of key figures this revised second edition of Russia America and the Cold War is essential reading for all students of twentieth century history Martin McCauley is a seasoned writer and broadcaster who has a wealth of experience in Russian and international affairs His recent publications include The Origins of the Cold War revised 3rd edition 2008 Stalin and Stalinism revised 3rd edition 2008 and The Rise and Fall of the Soviet Union 2007

Understanding Russian Strategic Behavior Graeme P. Herd, 2022-01-27 This book examines the extent to which Russia s strategic behavior is the product of its imperial strategic culture and Putin s own operational code The work argues that by conflating personalistic regime survival with national security Putin ensures that contemporary Russian national interest as expressed through strategic behavior is the synthesis of a peculiar troika a long standing imperial strategic culture rooted in a partially imagined past the operational code of a counter intelligence president and decision making elite and the realities of Russia as a hybrid state The book first examines the role of structure and agency in shaping contemporary Russian strategic behavior It then provides a conceptual understanding of strategic culture and applies this to Tsarist and Soviet historical developments The book s analysis of the operational code however demonstrates that Putinism is more than the sum of the past At the end the book assesses Putin s statecraft and stress tests our assumptions about the exercise of contemporary power in Russia and the structure of Putin s

agency This book will be of interest to students of Russian politics and foreign policy strategic studies and international relations

East-west Conflict Michael D. Intriligator, 2019-04-09 This book aims to bring together American and West German scholars in order to analyze U S German and Soviet elite perceptions of East West conflict It attempts to assess the policy implications and political options for the West

Analyzing Strategic Nuclear Policy Charles L. Glaser, 2014-07-14

With sweeping changes in the Soviet Union and East Europe having shaken core assumptions of U S defense policy it is time to reassess basic questions of American nuclear strategy and force requirements In a comprehensive analysis of these issues Charles Glaser argues that even before the recent easing of tension with the Soviet Union the United States should have revised its nuclear strategy rejecting deterrent threats that require the ability to destroy Soviet nuclear forces and forgoing entirely efforts to limit damage if all out nuclear war occurs Changes in the Soviet Union suggests Glaser may be best viewed as creating an opportunity to make revisions that are more than twenty years overdue Glaser s provocative work is organized in three parts The Questions behind the Questions evaluates the basic factual and theoretical disputes that underlie disagreements about U S nuclear weapons policy Alternative Nuclear Worlds compares mutual assured destruction capabilities MAD a world in which both superpowers societies are highly vulnerable to nuclear retaliation to the basic alternatives mutual perfect defenses U S superiority and nuclear disarmament Would any basic alternatives be preferable to MAD Drawing on the earlier sections of the book Decisions in MAD addresses key choices facing American decision makers Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Long Pretense Arnold Beichman, This history and critique of Soviet treaty diplomacy focuses on the United States relations with the Soviet Union from 1933 the year when the United States established diplomatic relations with the Kremlin to the present Appearing at a time of enormous change within the Soviet Union and in its relations with the United States the book raises important questions about the degree to which the Soviet Union can be relied upon to honor its treaty commitments As Beichman reminds us the Soviet Union s record of treaty compliance in the past is dismal and its continuing rhetorical strategic commitment to Marxism Leninism as guiding ideology in its diplomatic activities is troubling Beichman argues for a more realistic understanding of Soviet history and political culture so that the results of treaty negotiations will be more positive in the future than they have been in the past In effect he argues for a risk assessment approach in which diplomats take seriously the possibility of treaty violation and factor the possible consequences into their diplomatic assessments The Soviet Union s record from arms control treaty violations to the invasion of Afghanistan has been appalling and the ignorance of American statesmen about the Soviet Union

from Roosevelt to Reagan is discouraging. Despite Gorbachev's accession and liberalizing developments in the Soviet Union and Eastern Europe, he warns caution is warranted. Using relevant texts and historical materials supported by anecdotes and his own extensive personal experiences, Beichman presents a readable, compelling argument that is sure to be controversial. The book will be of particular interest to specialists in international affairs and experts on the Soviet Union and Central Europe, as well as general readers interested in the course of U.S.-Soviet relations.

The Engaging Realm of E-book Books: A Detailed Guide Revealing the Advantages of E-book Books: A World of Convenience and Versatility E-book books, with their inherent mobility and ease of access, have freed readers from the constraints of physical books. Soviet Risk Taking And Crisis Behavior A Theoretical And Empirical Analysis Introduction

In today's digital age, the availability of Soviet Risk Taking And Crisis Behavior A Theoretical And Empirical Analysis books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Soviet Risk Taking And Crisis Behavior A

Soviet Risk Taking And Crisis Behavior A Theoretical And Empirical Analysis

Theoretical And Empirical Analysis books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Soviet Risk Taking And Crisis Behavior A Theoretical And Empirical Analysis books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Soviet Risk Taking And Crisis Behavior A Theoretical And Empirical Analysis versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Soviet Risk Taking And Crisis Behavior A Theoretical And Empirical Analysis books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Soviet Risk Taking And Crisis Behavior A Theoretical And Empirical Analysis books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Soviet Risk Taking And Crisis Behavior A Theoretical And Empirical Analysis books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Soviet Risk Taking And Crisis Behavior A Theoretical And Empirical Analysis books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg,

Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Soviet Risk Taking And Crisis Behavior A Theoretical And Empirical Analysis books and manuals for download and embark on your journey of knowledge?

FAQs About Soviet Risk Taking And Crisis Behavior A Theoretical And Empirical Analysis Books

1. Where can I buy Soviet Risk Taking And Crisis Behavior A Theoretical And Empirical Analysis books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Soviet Risk Taking And Crisis Behavior A Theoretical And Empirical Analysis book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
