Marples,2016-09-17 Why did the Soviet Union collapse in 1991 The collapse of the Soviet Union has widely been seen as the result of the arms race and Cold War and the failure of the Soviet side to keep pace with new technology This book argues that the disintegration was mainly a result of two interrelated factors the rise of the Soviet national republics and the manipulation of the new Russian presidency by Boris Yeltsin in what became a direct power struggle between Yeltsin and the Soviet leader Gorbachev Written in a clear and accessible manner the book provides an explanation of how the national question came to dominate Soviet politics by 1990 1 analysis of the economic crisis that occurred in the late 1980s a chapter devoted to the year 1991 from the referendum to reform the Soviet Union to the unforeseen dissolution of the country by December a discussion of the personalities of and political confrontation between the two key statesman Gorbachev and Yeltsin Also containing a Chronology Glossary and Who s Who of key figures The Collapse of the Soviet Union is essential reading for students of twentieth century European history Soviet Life ,1989 *The Unfinished Revolutions in Eastern Europe and the Soviet Union* ,1991 **Current Policy** United States. Department of State. Bureau of Public Affairs,1989 **Current Policy** , *A Sound Investment in Freedom's Future* James Addison Baker,1990 **Travel Memories**

Elizabeth Warren,2013-10-28 The travels recounted here are my experiences and outlook at the end of the 20th Century On these particular trips I took notes and wrote them up when I got home I have relived these years through the notes and writing of this memoir It makes me realize how fortunate I have been to visit these countries On these trips I felt a continual excitement at what we were seeing and doing and this was true in spite of physical fatigue In Greece I enjoyed our trek up the Acropolis and the view of Athens on that clear and sunny day was beautiful The Parthenon was graceful even as the workmen were repairing cracks and weathered places in preparation for the upcoming summer Olympics It was stimulating to be on a cruise with Karen Armstrong in Greece She gave lectures about the monotheistic religions as we visited a number of sacred sites Cape Town South Africa is a resort city for Europeans where history had been made when apartheid no longer governed a primarily black nation The changes in law and the culture had been made only a few years before the Parliament of the Worlds Religions held its convocation there Former President Nelson Mandela addressed us Perhaps the greatest treat for me was the visit to the Soviet Union in 1989 just two months before the Berlin wall came down and the world rejoiced in the televised performance of Beethovens Ninth Symphony conducted by Leonard Bernstein I enjoyed our visit to Spain and Morocco where we learned from Harvey Cox about the history of convivencia that describes the three monotheist religions as they found ways to live together in Spain My last trip was with Janet Moore and her tour Distant Horizons to Jordan where we learned how educated and capable women live and work in that Muslim country

Factors Behind the Ukrainian Evangelical Missionary Surge from 1989 to 1999 John Edward White,2020-03-16 Throughout its history the Soviet Union was one of the most closed places in the world to missionary work As perestroika came in the late 1980s and the Soviet Union fell in 1991 a spiritual vacuum formed as massive numbers of people became interested in Christianity An unprecedented freedom allowed evangelicals to engage in missionary work Much has been written about foreign evangelical missionary work during this period but virtually nothing has been written about nationals doing ministry This book examines the remarkable surge in Ukrainian evangelical missionary work from 1989 to 1999 Both Baptists and Pentecostals engaged in a wave of missions flowing from Ukraine to the end of the earth Siberia What were these pioneering missionaries like What motivated them What enabled them to do what had been forbidden for so long What legacy did they leave for us today What can we learn from their example for future missions This book also looks at how a surge in missions takes place analyzing the factors behind the Ukrainian evangelical missionary surge by looking at different models for change Here we consider what steps can we take to help bring about new missionary surges
