## Hitler's anti communism and anti semitism

Hitler and the Nazi Party believed that communism was the creation of the Jews. Anti Semites had long claimed that the Jews were engaged in a secret conspiracy against Europe in general and Germany in particular. Stalin's NKVD chief Lavrenti Beria later argued that the destruction of the purges was timely and important, as it helped to kill off 'enemies' before the start of the war, which Stalin expected to be launched at Russia in the late 1930s or early 1940s. Beria believed, as did Stalin, that killing off as many class enemies and counter revolutionaries as possible would deprive foreign
