Yo pasaba el tiempo con mi clase a República Dominicana. Nos quedamos en un hotel de cinco estrellas en Punta Cana. Fue un viaje bastante interesante desde Madrid y fuimos a la playa. ¡Fue muy divertido! Sin embargo, al ir a la playa porque la playa era preciosa, con playas y aguas turquesas. Encontramos una casa en Punta Cana e hicimos muchas cosas. Nadamos en el mar, comimos y platos típicos dominicanos, e incluso a de mis amigos nadaron con los delfines. ¡Inolvidable! La mejor fue el tiempo. Hizo mucho calor y así todos los días. Pero lo peor fueron los mosquitos. ¡Había muchísimos! Manuel

How We Take Action brings together practical examples of social justice in language education from a wide range of contexts Many language teachers have a desire to teach in justice oriented ways but perhaps also feel frustration at how hard it is to teach in ways that we did not experience ourselves as learners and have not observed as colleagues As a profession we need more ideas more examples and wider networks of allies in this work This book includes the work of 59 different authors including teachers and researchers at every level from Pre K to postsecondary representing different backgrounds languages and approaches to classroom practice Organized into three sections some of the chapters in this collection report on classroom research while others focus on key practices and experiences Section I is entitled Inclusive and Empowering Classrooms In this section authors take a critical approach to classroom practices by breaking with the status quo or creating spaces where students experience safety access and empowerment in language learning experiences Section II Integration of Critical Topics addresses a variety of ways teachers can incorporate justice oriented pedagogies in day to day instructional experiences Social justice does not happen haphazardly it requires careful critical examination of instructional practices and intentional planning as instructors hope to enact change Section III Activism and Community Engagement explores how teachers can empower students to become agents for positive change through the study of activism and constructive community engagement programs at local and global levels

ENDORSEMENTS This volume brings an important diversity of voices contexts and collaborations to the ongoing conversations about social justice in language education University experts in social justice in language education and nationally celebrated K 12 language teachers are included along with experienced practitioners whose voices are often not prioritized in scholarship The volume serves as an invitation to the reader to engage reflect consider and examine different approaches to teaching for social justice Chapters bring in feminist pedagogies critical pedagogies LGBTQ affirming pedagogies anti bias and anti racist approaches decolonial lenses critical media literacies and more Everyone who picks up this volume will find at least one piece that immediately resonates with them and then will be inevitably drawn in to the other engaging and thoughtful chapters Pamela M Wesely The University of Iowa This book is a must read for those interested in social justice in language education The range of authors topics languages institutional contexts and pedagogies is staggeringly impressive and will provide any reader with ideas and inspiration for taking action in and out of the language classroom Kate Paesani University of Minnesota This excellent volume replete with thoroughly researched strategies for promoting social justice in PK 16 world language instruction could not have come at a more critical

time in the United States when anti democratic forces are mobilizing against equity and justice oriented education We in the field of language education are very fortunate to have this collection of work from more than 50 language learning scholars and practitioners who remind us that making our classrooms more equitable inclusive and grounded in justice is part of doing our jobs more effectively What s more the volume clearly demonstrates its prioritization for inclusivity by providing robust support for those who teach young learners at the pre kindergarten through grade 3 levels a population woefully underrepresented in language teaching literature and for topics that have been unjustly ignored in language education such as racism sexism and the needs of LGBTQIA learners This is a clear demonstration of the volume s uniqueness in its vast breadth of scope and attention which is the book s most valuable feature and why it will serve our field wonderfully for many years to come Uju Anya Carnegie Mellon University

Cognitive Approaches to Early Modern Spanish Literature Isabel Jaen, Julien Jacques Simon, 2016-04-01 *Cognitive Approaches to Early Modern Spanish Literature* is the first anthology exploring human cognition and literature in the context of early modern Spanish culture It includes the leading voices in the field along with the main themes and directions that this important area of study has been producing The book begins with an overview of the cognitive literary studies research that has been taking place within early modern Spanish studies over the last fifteen years Next it traces the creation of self in the context of the novel focusing on Cervantes s *Don Quixote* in relation to the notions of embodiment and autopoiesis as well as the faculties of memory and imagination as understood in early modernity It continues to explore the concept of embodiment showing its relevance to delve into the mechanics of the interaction between actors and audience both in the jongleuresque and the comedia traditions It then centers on cognitive theories of perception the psychology of immersion in fictional worlds and early modern and modern day notions of intentionality to discuss the role of perceiving and understanding others in performance *Don Quixote* and courtly conduct manuals The last section focuses on the affective dimension of audience performer interactions in the theatrical space of the Spanish corrales and how emotion and empathy can inform new approaches to presenting Las Casas s work in the literature classroom The volume closes with an afterword offering strategies to design a course on mind and literature in early modernity [Media Resource Catalog from the National Audiovisual Center](#) ,1988 **Foreign Language Courses**
