The Forgotten Blessing Rediscovering The Transforming Power Of Sanctification Swindoll Leadership Library:

Salvation Earl D. Radmacher, 2007-04-14 God's ultimate gift to His children is salvation. In this volume Earl Radmacher offers an in-depth look at the most fundamental element of the Christian faith. From defining the essentials of salvation to explaining the result of Christ's sacrifice, this book walks readers through the spiritual meaning, motives, application, and eternal result of God's work of salvation in our lives. **Paul, the Community, and Progressive Sanctification** James M. Howard, 2007 What role does the Christian community play in the process of growing in Christian maturity? This book argues that in Pauline theology the redeemed community is a necessary means for the progressive sanctification of the individual believer, an idea that is largely misunderstood in parts of the Western church. It evaluates foundational theological considerations traditionally omitted from sanctification studies and places them within the context of Pauline theology. Included are the missiological nature of holiness, the initiatory character of God, the creation of the new humanity as reflecting the image of God, and the impact upon the church resulting from the radical redefinition by Christ of the cultural symbols surrounding the Jewish temple system. This book offers a corrective to the individualized approach to Christian growth. For Paul, the focus of God's transformative activity culminates with the community rather than the individual, the goal of which is to reveal God's glory to the broader creation. **American Book Publishing Record**, 2000-07 The Forgotten Blessing Henry Holloman, Charles R. Swindoll, 1998-09-01 The Forgotten Blessing Henry Holloman, 1999 For many Christians the gift of God's grace is central to their faith. But another gift, sanctification, is often overlooked. The Forgotten Blessing clarifies this essential doctrine, showing us what it means to be set apart and how the process of sanctification can forever change our relationship with God. Entire Sanctification Christian Wismer Ruth, 2008-08 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. *The Ultimate Blessing* Jo Anne Lyon, 2003 Our affluent culture often equates blessing with prosperity, health, success, and the accumulation of material possessions. That simplistic definition misses the ultimate blessing: to know God and to be used for His purpose. *The Ultimate Blessing* is a snapshot of the blessed life. Jo Anne Lyon's personal stories of power loss, reconciliation, and hope show that those who experience God's greatest blessing will be changed and will be world-changers. Discover the blessing that is deeper than personal comfort. Book jacket **Holiness and Power** A. M. Hills, 1896
