The Boy From Nowhere:

Kerry Stokes Andrew Rule, 2014-11-01 The compelling and inspirational story of the rags to riches life of Kerry Stokes a remarkable Australian Kerry Stokes is a remarkable Australian Not because he is one of Australia's wealthiest and most powerful people but because of what he overcame to get there and because he has endured when others didn't His success and his rise have intrigued the business world for decades but there is so much more to him than multi million dollar deals or mergers Behind the laconic front is a human story as tough and touching as a Dickens tale Oliver twist with great self expectations It is the story of a poor boy who stared down poverty ignorance and the stigma of his illegitimate birth to achieve great wealth and fulfilment He's a backstreets battler who has become a power player It's a compelling and inspiring story that until now he has not told Now he oversees a multi billion dollar media machinery and property empire He is renowned for his art collection and for philanthropy spending millions of dollars to buy among other things Victoria Crosses from soldiers families to donate to the Australian War Memorial But he's a private man A man apart He made his name in the West but kept his distance from the buccaneering band of entrepreneurs who forged fabulous fortunes in Perth from the 1960s until the 1987 crash Bond went to jail Holmes a Court died Connell did both Lesser lights flickered and faded but Stokes grew stronger becoming a player alongside Murdoch Packer and Lowy His story fascinates all the more because he has spent most of his life guarding it But now he's telling it to one of Australia's great storytellers He is the boy who came from nothing who had nothing to lose And now he has everything It's a great Australian journey possibly the greatest rags to riches story in our history journalist Andrew Rule has done an enviable job of capturing the essence of this fascinating man from his Dickensian early life in the slums of Carlton to his relentless deal making in the west and beyond the book is outstanding the Australian my pick is Andrew Rule's *Kerry Stokes the Boy from Nowhere* I was vaguely aware the Perth billionaire's story was one of rags to riches but I didn't realise just how ragged were his early days His achievement is inspirational Stephen Romei the Australian Tom Jones Colin Macfarlane, 1988 Lanky Lawson, the Boy from Nowhere Harry Mason Roe, 1929 **The Boy from Nowhere** Richard Jr. Robison, 2023-09-30 Richard just wanted to be from somewhere For young Richard every year it's the same story as soon as he settles into his surroundings with its friendships school sports teams and all those customs that make a place home he is forced to move As a boy who is wiser beyond his years he sees his parents strain to follow the upwardly mobile quest of the American Dream but at what cost This memoir reveals what it was like to be a teenager in 1960s America It is a book about disconnection and loss but also of hope and change the person we once were does not dictate the person we will become This recognition is what ultimately holds our destiny Offered with modesty and narrative grace charged with heart stopping events and characters Stefanie Marlis Skillfully and empathically written Sara Ries Dziekonski Richard Robison's memoir shows us the tender and brutal in a sensitive recollection Peter Money **What Souls Are Made Of: A Wuthering Heights Remix** Tasha Suri, 2022-07-05
