movies 1972 1974 Taxi Driver 1976 Serpico 1973 Dog Day Afternoon 1975 and many more It was also an era in which the city wrestled with the racial tensions still threatening the tear the nation apart never more so than in Blaxploitation classics such as Shaft 1971 and Super Fly 1972 These films depicted the city that never sleeps as a grim violent place overridden with muggers pimps and killers Projected at drive ins and inside their local movie houses rural America saw New York as a nightmare a vile dystopia where the innocent couldn't rely on the local law enforcement who were seemingly all on the take If one took Hollywood's word for it the only way a person was able to find justice in 1970s New York City was by grabbing a gun and meting it out themselves Author Andrew Rausch meticulously separates fact and fiction in this illuminating book Attentive to the ways that New York's problems were exaggerated or misrepresented it also gives an unvarnished look at just how bad things could get in the Rotten Apple and how movies told that story to the country and the world      **Science and Judicial Reasoning** Katalin Sulyok, 2020-10-29 This pioneering study on environmental case law examines how courts engage with science and reviews legitimate styles of judicial reasoning      **Untouchable: Robert De Niro** Andy Dougan, 2011-05-31 Andy Dougan draws on first hand interviews with some of De Niro's closest friends and colleagues The result is a revealing and sometimes startling account of an intensely private man While previous biographies of De Niro have only scraped the surface of his complex character this sensitive and perceptive portrayal lays bare the psychological and emotional scars that De Niro has sought to hide for so long      **Killing the Messenger** Thomas Peele, 2012 An investigative reporter explores the origins and history of the Black Muslim movement the rise of a small but violent Black Muslim cult in Oakland and the 2007 murder of journalist Chauncey Bailey by a teenage member of the cult      **Proportionality, Reasonableness and Standards of Review in International Investment Law and Arbitration** Valentina Vadi, 2018-04-27 International investment law is one of the most dynamic fields of international law and yet it has been criticised for failing to strike a fair balance between private and public interests In this valuable contribution to the current debate Valentina Vadi examines the merits and pitfalls of arbitral tribunals use of the concepts of proportionality and reasonableness to review the compatibility of a state's regulatory actions with its obligations under international investment law      **Cultural Heritage in International Economic Law** Valentina Vadi, 2023-03-27 Can cultural heritage be adequately protected vis vis economic globalization This book investigates whether and how international economic law governs cultural phenomena by mapping the relevant legal framework discussing the relevant disputes concerning cultural elements adjudicated before international economic courts namely the World Trade Organization adjudicative bodies and investment treaty arbitral tribunals and proposing legal methods to reconcile cultural and economic interests It thus provides a comprehensive evaluation of possible solutions including evolution of the law through treaty interpretation and reforms to improve the balance between economic governance and cultural policy objectives      *Jimmy Breslin: The Man Who Told the Truth* Richard Esposito, 2024-10-15 Do not Confuse me With The facts I tell the truth Jimmy Breslin The first ever biography

of America's greatest crime reporter. In a newspaper career spanning decades, Jimmy Breslin covered the stories that he knew mattered most: the human stories beyond the front page. From the JFK assassination to the Son of Sam killings, mafia heists, the Crown Heights riots, and the Occupy movement, Breslin's influential columns captured the lifebeat of the second half of the 20th century. A quintessential New Yorker, Breslin rubbed shoulders with world leaders and neighborhood arsonists, profiled JFK's gravedigger, and elicited letters from the Son of Sam killer during his reign of terror, all recounted in columns that were personal, blunt, and the truth, at least Jimmy's version of it.

*Jimmy Breslin: The Man Who Told the Truth* is the first biography of the legendary writer, vividly portrayed by Richard Esposito, a former colleague of the Big Man. From Breslin's humble beginnings as a copy boy to winning the 1986 Pulitzer Prize for Commentary, the writer's life was as fascinating as any of his subjects. With the full cooperation of Breslin's family and interviews with countless of his former coworkers, friends, and enemies, Esposito has crafted a meticulous and revealing portrait of a complex man who bared his soul to the world in column inches.

*Sketches of Murder* Arnold Hannon, 2016-05 *Sketches of Murder* is an eye-opening experience that rattles the nerves, shakes the hands, turns its pages, and revs up the pulse of the reader. *Sketches of Murder* revisits the murder scenes of some of Michigan's most gruesome murders, torn from the headlines of the daily newspapers in Arnold Hannon's hometown of Detroit, Michigan. Snippets of murder from our past. With the accounts of over 240 murders committed over the last 50 years, 1960-2009, Hannon powerfully delivers a vital message through a small sampling of man and woman's inhumanity toward our fellow beings.

*Leave the Gun, Take the Cannoli* Mark Seal, 2021-10-19 NATIONAL BESTSELLER This wickedly pacy page-turner. Total Film unfurls the behind-the-scenes story of the making of *The Godfather* fifty years after the classic film's original release. The story of how *The Godfather* was made is as dramatic, operatic, and entertaining as the film itself. Over the years, many versions of various aspects of the movie's fiery creation have been told, sometimes conflicting but always compelling. Mark Seal sifts through the evidence, has extensive new conversations with director Francis Ford Coppola and several heretofore silent sources, and complements them with colorful interviews with key players, including actors Al Pacino, James Caan, Talia Shire, and others, to write the definitive look at the making of an American classic.

Library Journal starred review: On top of the usual complications of filmmaking, the creators of *The Godfather* had to contend with the real-life members of its subject matter: the Mob. During production of the movie, location permits were inexplicably revoked; author Mario Puzo got into a public brawl with an irate Frank Sinatra; producer Al Ruddy's car was found riddled with bullets; men with connections vied to be in the cast, and some were given film roles. As Seal notes, this is the tale of a movie that revolutionized filmmaking, saved Paramount Pictures, minted a new generation of movie stars, made its struggling author Mario Puzo rich and famous, and sparked a war between two of the mightiest powers in America: the sharks of Hollywood and the highest echelons of the Mob. For fans of books about moviemaking, this is a definite must-read.
