The Living World With Olc Card 4ed:

Old Dog Mark Seely, 2022-02-28 *Old Dog* is an elderly rescue dog with extraordinary insight and an urgent message for humankind As his current caretaker works on various writing projects *Old Dog* reminisces about his own past his joyful youth bleak years chained to a porch rail a heartrending abandonment on a remote highway life among the homeless a formal education by a woman struggling with mental illness his time with a pack of feral dogs his capture and confinement in a pound and his eleventh hour rescue by the writer While recounting these events *Old Dog* reflects on what it means to be a dog and along the way what it means for humans to be entangled in the web of an all consuming civilization *Old Dog* takes us on a journey into the very heart of the human condition highlighting the mismatch between modern life and our evolved expectations as a foraging species Destruction of the natural world loss of authentic connection with each other crushing dependence on technology the outsourcing of morality these problems are all consequences of a civilized lifestyle that we were never meant to live And the answers according to *Old Dog* are staring us right in the face **The Feathered World**
