Sir Scoundrel By John Jakes Pseudonym

Geoff Sadler

Sir Scoundrel By John Jakes Pseudonym:

John Jakes Mary Ellen Jones, 1996-11-01 John Jakes often called the people's author and godfather of the historical novel has made American history come to life in his series *The Kent Family Chronicles* and *The North and South Trilogy*. Through these novels Jakes conveys the sweep of American history both its glory and its grim scenes from the American Revolution to the opening moments of the 20th century. Never glossing over the nation's flaws slavery materialism a double edged Manifest Destiny Jakes nevertheless affirms American values. This is the first full length critical study of his work. It examines in detail Jakes 13 major novels to date and assesses his methods as America's history teacher. In Part I following a chapter on Jakes life Jones examines the early novels and Jakes use of the genres of historical fiction the western and the historical family saga. Part II *The Kent Family Chronicles* devotes an individual chapter to each of the novels in this series *The Bastard* *The Rebels* *The Seekers* *The Furies* *The Titans* *The Warriors* *The Lawless* and *The Americans*. Part III *New Beginnings* features chapters on *North and South* *Love and War* and *Heaven and Hell* and chapters on *California Gold* and *Homeland*. The examination of each novel in this study includes sections on plot development character development and thematic issues. Jones also offers an alternative critical perspective from which to read each novel such as feminist literary criticism New Historicism Marxist criticism and Deconstructionism that gives the reader an alternative viewpoint from which to consider the novel. A complete bibliography of all of John Jakes work works about John Jakes and a listing of reviews of all the novels examined in the book concludes the study.

Sir Scoundrel John Jakes, 1962 *Something about the Author* Anne Commire, 1990-10 Series covers individuals ranging from established award winners to authors and illustrators who are just beginning their careers. Entries cover personal life career writings and works in progress adaptations additional sources and photographs.

The Best Kings of the Middle Ages Phil Bradford, 2025-08-30 Reexamines five famed medieval kings questioning whether their celebrated legacies truly reflect their complex and often troubling reigns. Henry II Richard I Edward I Edward III Henry V. Five men seen as success stories of Medieval English kingship. Three inherited tarnished crowns and restored their glory. Legal reformers and warriors they ruled over widespread lands for decades upholding justice expanding their authority and changing their realms. Two others are the most famous of warrior kings their short reigns encompassing crusades and legendary victories. Contemporary writers often waxed lyrical about them as ideals of kingship. Many modern writers have been similarly enthusiastic. Is this justified? Alongside the story of success are other narratives ones showing these kings in a more ambiguous light. We have the murder of archbishops the massacre and expulsion of religious minorities actions in battles and sieges which today we would see as war crimes. Claims for their greatness sit uneasily with darker moments and legacies which challenge how we approach their reputations today. This book looks at the lives of these kings and how those reputations have been shaped across the centuries from medieval contemporaries to the modern day in both history and fiction. Having weighed the evidence it seeks to determine the answer to the question were these really great kings the best?

monarchs of the Middle Ages *In the Big Country* John Jakes,1993 A collection of western stories written by John Jakes
