Soviet Social Problems:

Soviet Social Problems Walter Connor, David E Powell, Anthony Jones, 2019-09-05 This book analyzes the Soviet Union's social problems focusing on those it shares with Western industrial societies. It assesses the social concerns confronting Gorbachev including poverty, prostitution, health, education, and family issues, and the difficulty of adapting to technological change.

Social Problems in a Free Society Myles J. Kelleher, 2004-09-02 The future of the sociologist's profession is jeopardized by an ongoing trend toward the politicization of sociology and the radicalization of social problems. This book calls for the rethinking of the culture of social, political, and economic liberty to create a resurgence of a sociological agenda. **Social Problems in a Free Society** offers an original perspective on social problems such as violations of the principles of individual rights and the free market. This book is a vision for reinvigorating the discipline in a fashion undreamt of within the wearisome strains of today's radical social problems theory.

Social Change and Social Issues in the Former USSR Walter Joyce, 2016-07-27 Perestroika has led to more openness than ever before about Soviet social problems, and it has accelerated the processes of demographic and social change. In this collection, a group of leading British, European, and North American specialists analyse the central features of a changing society, concentrating upon mortality patterns in the population itself and upon the social problems that have been brought to the fore by glasnost, such as drugs and alcohol abuse.

Handbook of Social Problems George Ritzer, 2004 Ritzer's *Handbook of Social Problems* offers a comprehensive treatment of today's major societal issues. The articles are authored by some of the top scholars in the field and address problem areas that will capture the interests of students and professors alike. The international coverage is most welcome in this time of intensifying global inequalities. Nancy Jurik, Arizona State University. The *Handbook of Social Problems: A Comparative International Perspective* provides a unique, broadly comparative perspective on the current state of social problems and deviance in a variety of societies around the world. Editor George Ritzer, along with leading U.S. and international sociologists, examines the relationship between social problems and a society's level of development and affluence. The essays in this volume focus on four interrelated issues involved in the relationship between social problems and the level of development and affluence. Less developed and less affluent societies are more likely to experience a range of social problems than developed and affluent societies. Affluence causes or at least brings with it a series of social problems that do not exist in less affluent societies. It is only with affluence that certain things can come to be imagined as social problems, such as excessive consumption. The very affluence of a society makes it vulnerable to problems that would not be social problems in poorer societies. The *Handbook* explores the theory of the weakness of the strong: in other words, strong or wealthy nations may have greater vulnerability to some social problems than less developed or affluent societies. This theory is clearly illustrated in this volume by the aftermath of September 11, 2001, depicting the vulnerability of the U.S. to social problems in far removed corners of the world. In addition, the international and comparative essays in this volume cover other

important issues such as the impact of modern technologies on social problems ecological problems global inequality health as a social problem and much more The Handbook of Social Problems is a vital resource for sociologists and graduate students as well as an excellent addition to any academic library

The Soviet Social Contract and why it Failed Linda J. Cook,1993 This book is the first critical assessment of the likelihood and implications of such a contract Linda Cook pursues the idea from Brezhnev's day to our own and considers the constraining effect it may have had on Gorbachev's attempts to liberalize the Soviet economy

Global Social Problems Allan Mazur,2007 While conventional social problems textbooks focus on issues in the United States Global Social Problems examines major problems around the world Beginning with a broad history of how humanity came to be divided along its present major social cleavages the text then turns to the specific problems of war social inequality population and resources and environment It is intended as a core reading for a class on global social problems including war inequality population and resources and environment

Drugs, Alcohol, and Social Problems James D. Orcutt,David R. Rudy,2003-09-03 *Drugs Alcohol and Social Problems* a collection edited James D Orcutt and David R Rudy includes 14 clearly written articles that exemplify the best of sociological scholarship on drug and alcohol problems The readings strike a balance between constructionist epidemiological and ethnographic approaches to the study of drinking drug use and related problems such as domestic violence crime and the spread of HIV AIDS A general introduction and five section introductions written especially for this volume highlight basic theoretical questions and analytical themes that run through the articles In contrast to many books on problems of substance use *Drugs Alcohol and Social Problems* devotes equal attention to drug and alcohol related issues The volume is organized around important theoretical and research approaches to the sociology of social problems making it suitable for adoption as a supplement in undergraduate courses on social problems as well as for more specialized undergraduate and graduate courses in the area of drug and alcohol studies

[A Researcher's Guide to Sources on Soviet Social History in the 1930s](#) Sheila Fitzpatrick,Lynne Viola,2016-07-22 The Stalin era has been less accessible to researchers than either the preceding decade or the postwar era The basic problem is that during the Stalin years censorship restricted the collection and dissemination of information and introduced bias and distortion into the statistics that were published while in the post Stalin years access to archives and libraries remained tightly controlled Thus it is not surprising that one of the main manifestations of glasnost has been the effort to open up records of the 1930s In this volume Western and Soviet specialists detail the untapped potential of sources on this period of Soviet social history and also the hidden traps that abound The full range of sources is covered from memoirs to official documents from city directories to computerized data bases

Social Problems Eric Bonds,2014-06-05 This short book lays out a new definition for what constitutes a social problem the violation of a group's human rights which are understood as commonly upheld standards about what people deserve and should be protected from in life Evaluating U S society from an international human rights perspective Bonds also stresses that human rights are necessarily political and

can therefore never be part of a purely objective exercise to assess wellbeing in a particular society His approach recognizes that there is no one single interpretation of what rights mean and that different groups with differing interests are going to promote divergent views some better than others This book is ideal for undergraduate sociology courses on social problems as well as courses on social justice and human rights

Introduction to Global Social Problems Isaac Zvi Christiansen, 2025-09-08 Introduction to Global Social Problems introduces undergraduate students to national and international social problems from a critical sociological perspective Isaac Zvi Christiansen presents clear descriptions of each social problem explains key concepts and provides students with the relevant theoretical tools needed to grasp the interconnected nature of these phenomena This volume covers significant and interconnected issues The book begins with an explanation of how corporate interests distort the depiction of social problems Chapters 2 and 3 provide empirical explorations of poverty and inequality on national and global scales together with clear and accessible expositions of relevant sociological theories Chapter 4 examines health and educational inequalities exacerbated by the economic inequalities discussed in Chapters 2 and 3 Chapter 5 introduces students to issues of racial inequalities in the United States and abroad while Chapter 6 takes a comparative approach to examining crime and criminal justice Chapter 7 examines modern day imperialism and war with special attention given to the military industrial complex and a brief review of US interventions around the world in the twentieth and twenty first centuries Chapter 8 examines politics and human rights including a critical historical and sociological analysis of Israeli settler colonialism and successive US Israeli assaults on Gaza The book closes with an examination of population and the environment with special attention given to climate change and the pressing contradictions between capitalism and the environment This textbook will be a vital resource for introductory students across the social sciences especially in sociology political science and global studies It provides critical wraparound coverage of the momentous embedded social problems that interconnect across social national and regional boundaries

The Social Legacy of Communism James R. Millar, Sharon L. Wolchik, 1994-08-26 This book analyzes the social impact of the transition from communism in Eastern Europe and the former Soviet Union

Scholars' Guide to Humanities and Social Sciences in the Soviet Union and the Baltic States Tigran Martirosyan, Silvia Maretti, S. Frederick Starr, 2019-11-21 In the years since the first edition of the Guide was published the research institutions of the academies of sciences of the USSR and the republics have undergone several sometimes radical reorganizations and reaffiliations This guide to academy institutions supplies names addresses and historical research and organizational profiles for each institution with summary information on staffing current projects special facilities and libraries The end of the Cold War has brought with it many changes of attitude and policy in the political arena however nowhere has change been so emotionally charged as in the area of politically based emigration Refugee policy is the driving force behind many of today's headlines influencing both foreign and domestic policy In *Desperate Crossings* authors Norman L and Naomi Flink Zucker chronicle and analyze the

phenomenon of mass escape that began with the Haitians but exploded into the American consciousness in the spring of 1980 with the Mariel boatlift and the subsequent mass exodus from Central America and was most recently manifested in the Haitian and Cuban exoduses of 1994 In a compelling and carefully documented narrative they identify the troika of interests foreign policy domestic pressures and costs that have controlled and determined the American response to refugees since before the Second World War continuing until today Desperate Crossings concludes by proposing a comprehensive and politically palatable approach to future refugee flows both in our hemisphere and for the world community at large including Europe and Asia The authors suggest how by changing the course of its refugee policies and programs the United States can better respond to both the needs of refugees and the demands of its citizens **Problems of Communism** ,1982

Comparing the U.S. and U.S.S.R. on Social and Economic Issues Warren Zimmermann,1987 The Soviet System In Crisis Alexander Dallin,Gail W Lapidus,2019-07-18 This reader is intended to fill the urgent need for up to date materials on the Gorbachev era and to provide scholars and students with source materials and interpretations not available in standard texts In addition the book will be regularly revised and updated to take account of rapidly changing events Alexander Dallin and Gail Lapidus have brought together outstanding Western analyses as well as Soviet documents and commentary dealing with developments in the USSR s politics economy society culture and foreign policy since 1985 The collection covers the full spectrum of views skeptical and enthusiastic ideological and pragmatic offered by journalists politicians observers and participants Introductory and concluding material by the editors provides the essential context to help students understand the myriad opinions put forth on the vast changes in the USSR and where its future may lie

Decline and Discontent Paul Hollander,1998 **Current Policy** ,1985 **Current Policy** United States. Department of State. Bureau of Public Affairs,1985 **Bulletin of the Atomic Scientists** ,1989-09 **Russian Youth** James Finckenauer,James O. Finckenauer,2018-02-20 In the generation that has passed what have we learned about the rule of law legality legal reasoning and deviance in Russia And what about the general subject of legal socialization how young people learn about rules norms and laws what their attitudes about rules and laws are and if and whether this knowledge and these attitudes shape their behavior The second edition of Russian Youth asks and answers these questions

Soviet Social Problems Introduction

In the digital age, access to information has become easier than ever before. The ability to download Soviet Social Problems has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Soviet Social Problems has opened up a world of possibilities. Downloading Soviet Social Problems provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Soviet Social Problems has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Soviet Social Problems. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Soviet Social Problems. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Soviet Social Problems, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Soviet Social Problems has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Soviet Social Problems Books

What is a Soviet Social Problems PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Soviet Social Problems PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Soviet Social Problems PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Soviet Social Problems PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Soviet Social Problems PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
