Soviet Strategy in Latin America Robert S. Leiken,1982

Soviet Relations with Latin America, 1959-1987

Nicola Miller,1989-09-14 This book was first published in 1989 The Soviet presence and purposes in Latin America are a matter of great controversy yet no serious study was hitherto combined with a regional perspective concentrating on the nature and regional impact of Soviet activity on the ground and diplomatic analysis examining the strategic and ideological factors that influence Soviet foreign policy Nicola Miller s lucid and accessible survey of Soviet Latin American relations over the past quarter century demonstrates clearly that existing heavily geo political accounts distort the real nature of Soviet activity in the area closely constrained by local political social and geographical factors In a broadly chronological series of case studies Dr Miller argues that American counter influence apart enormous physical and communicational barriers obstruct Soviet Latin American relations and that the lack of economic complementarity imposes a natural obstacle to trading growth even Cuba often cited as proof of Soviet designs upon the area is only an apparent exception *The USSR and Latin America* Eusebio Mujal-León,2022-12-28 The USSR and Latin America 1989 is an authoritative analysis of the Soviet Union s strategy and policy towards the region The contributors cover a variety of topics including Latin America s place in Soviet strategy for the developing world US perceptions of Soviet strategy in the region Soviet Cuban relations and relations between Latin American communist parties and the USSR
