Soviet Foreign Policy 1962 1973 The Paradox Of Super Power:

Soviet Foreign Policy, 1962-1973 Robin Edmonds, 1977 *Soviet Risk-Taking and Crisis Behavior* Hannes Adomeit, 2022-12-28 *Soviet Risk Taking and Crisis Behavior* first published in 1982 examines the question for what purposes and under what conditions were Soviet leaders prepared to take risks in international relations The first part of the book sets out to define the concept of risk and to examine its analytical relevance for foreign policy its measurement and its relation to the dynamics of crisis The second part consists of in depth analysis of Soviet behavior in the Berlin crises of 1948 and 1961 The third and last part compares Soviet policy in the two crises and the actions of the two different leaderships as well as relating it to Soviet behavior in other geographical areas *Problems of Communism* ,1977 *Russia's International Relations in the Twentieth Century* Alastair Kocho-Williams, 2013 Russia has long been a major player in the international relations arena but only by examining the whole century can Russian foreign policy be properly understood and the key questions as to the impact of war of revolution of collapse the emergence of the Cold War and Russia s post Soviet development be addressed Surveying the whole of the twentieth century in an accessible and clear manner Russia s *International Relations in the Twentieth Century* provides an overview and narrative with analysis that will serve as an introduction and resource for students of Russian foreign policy in the period and those who seek to understand the development of modern Russia in an international context The volume includes an analysis of the major themes which surrounded Russia s position in world affairs as one of the European Great Powers before the First World War the impact of Revolution and the emergence of Soviet foreign policy with its dual aims of normalization and world revolution the changes wrought to the international order by the rise of Nazi Germany and by the Second World War the origins and development of the Cold War the end of the Cold War and the Soviet collapse how Russia has rebuilt itself as an international power in the post Soviet era An essential resource for students of Russian history and International policy *The Diplomacy of the Crucial Decade* Diane B. Kunz, 1994 Although the foreign policy decisions made by Kennedy and Johnson determined the final form of postwar diplomacy and laid the foundation for the tumultuous worldwide political changes of the last five years until now no book has examined American diplomacy during 1960s as a whole During his presidency Kennedy concentrated on foreign policy The president and his staff feared that communism had taken the offensive internationally and that the U S was in danger of losing the confrontation particularly in the developing world While Johnson attempted to focus on domestic issues foreign issues nevertheless loomed large Consequently the contributors to this volume argue all aspects of American foreign policy during that decade must be viewed through the prism of the fight against communism The chapters which were commissioned for this book by the editor examine the major subjects and themes of this period in a way that provides new insight to students and general readers alike Each chapter also contains brief notes and a bibliographic sketch **The Course of Russian History, 5th Edition** Melvin C. Wren, Taylor Stults, 2009-01-08 Now in its fifth edition this definitive

history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia's turbulent history

Brezhnev's Peace Program Peter M. E. Volten, 2019-03-13 Dr Volten analyses the foreign policy making process in the Soviet Union particularly in connection with the Brezhnev's Peace programme in the 1970s which was supposed to normalise political economic relations with the West and curb military rivalry

America and Guerrilla Warfare Anthony James Joes, 2021-05-11 From South Carolina to South Vietnam America's two hundred year involvement in guerrilla warfare has been extensive and varied *America and Guerrilla Warfare* analyzes conflicts in which Americans have participated in the role of on the side of or in opposition to guerrilla forces providing a broad comparative and historical perspective on these types of engagements Anthony James Joes examines nine case studies ranging from the role of Francis Marion the Swamp Fox in driving Cornwallis to Yorktown and eventual surrender to the U S support of Afghan rebels that hastened the collapse of the Soviet Empire He analyzes the origins of each conflict traces American involvement and seeks patterns and deviations Studying numerous campaigns including ones staged by Confederate units during the Civil War Joes reveals the combination of elements that can lead a nation to success in guerrilla warfare or doom it to failure In a controversial interpretation he suggests that valuable lessons were forgotten or ignored in Southeast Asia The American experience in Vietnam was a debacle but according to Joes profoundly atypical of the country's overall experience with guerrilla warfare He examines several twentieth century conflicts that should have better prepared the country for Vietnam the Philippines after 1898 Nicaragua in the 1920s Greece in the late 1940s and the Philippines again during the Huk War of 1946-1954 Later during the long Salvadoran conflict of the 1980s American leaders seemed to recall what they had learned from their experiences with this type of warfare Guerrilla insurgencies did not end with the Cold War As America faces recurring crises in the Balkans sub Saharan Africa the Middle East and possibly Asia a comprehensive analysis of past guerrilla engagements is essential for today's policymakers

The Arabs and Africa (RLE: The Arab Nation) Khair Haseeb, 2012-06-14 Concentrating on the past present and future relations of the peoples of Africa and the Arab world this book examines interaction between Arab and African countries Africa and the Arab Israeli conflict Dimensions of Afro Arab Cooperation The book concludes with an open

discussion on the future of Afro Arab relations **The Origins of the Angolan Civil War** Fernando Andresen Guimaraes,2016-02-08 An investigation of the origins of the Angolan civil war of 1975 76 By looking at the interaction between internal and external factors it reveals the domestic roots of the conflict and the impact of foreign intervention on the civil war The formative influence of colonialism and anti colonialism on the emergence of Angolan rivalry since 1961 is described and the externalization of that power struggle is analysed from a perspective of both international and domestic politics **Department of State Publication** ,1991 Each issue covers separate country **The Periodical** ,1975 The Nuclear Deception Servando Gonzalez,2002 The event known as the Cuban missile crisis the greatest of all Cold War crises is a milestone in the history of the Cold War According to the author the main questions of the situation have eluded satisfactory answers because analysts have neglected the true Cuban role in the event particularly the Russo Cuban relations prior to the crisis *Marxism-Leninism and the Theory of International Relations* V. Kubalkova,A. Cruickshank,2015-10-14 Refuting the assumption that orthodox Marxist theory contains anything of relevance on international relations this book originally published in 1980 clarifies reconstructs and summarizes the theories of international relations of Marx and Engels Lenin Stalin and the Soviet leadership of the 1970s These are subjected to a comparative analysis and their relative integrity is examined both against one another and against selected Western theories Marxist Leninist models of international relations are fully explored enabling the reader to appreciate the essence and evolution of fundamental Soviet concepts as such as proletarian socialist internationalism peaceful co existence national liberation movement and détente **Détente and the Nixon Doctrine** Robert Litwak,1984 Offering a fresh and challenging interpretation of the Nixon Kissinger foreign policy in both historical and conceptual terms Litwak focuses on the relationship between its two central elements The United States Soviet detente and the Nixon Doctrine which provided the basis not only for the subsequent American withdrawal from Vietnam but also for United States security policy toward the Third World in general American Book Publishing Record Cumulative, 1950-1977 R.R. Bowker Company. Department of Bibliography,1978 The Columbia Guide to the Cold War Michael Kort,2001-03-08 The Cold War was the longest conflict in American history and the defining event of the second half of the twentieth century Since its recent and abrupt cessation we have only begun to measure the effects of the Cold War on American Soviet post Soviet and international military strategy economics domestic policy and popular culture The Columbia Guide to the Cold War is the first in a series of guides to American history and culture that will offer a wealth of interpretive information in different formats to students scholars and general readers alike This reference contains narrative essays on key events and issues and also features an A to Z encyclopedia a concise chronology and an annotated resource section listing books articles films novels web sites and CD ROMs on Cold War themes **Political Dimensions of India-USSR Relations** Sukeshwar Prasad Singh,1987 Subject Guide to Books in Print ,1983 The Influence of British Arms James H. Wyllie,2021-05-30 Which event better characterises British military interventions the trauma of Suez or the

triumph of the Falklands This book first published in 1984 examines these engagements and those of the intervening period to provide a sober and considered response to this question The issues raised are central to the debate concerning Britain's defence capabilities and its role in world politics The author argues that it is only under severely restricted conditions that Britain could reasonably expect a successful outcome from long range military intervention The constraints are not merely those of military capacity public opinion also has its role to play By analysing these conditions and the way they have influenced the outcomes of past interventions the author points the way to framing a practical and reasonable defence and foreign policy in the Third World

Reviewing **Soviet Foreign Policy 1962 1973 The Paradox Of Super Power**: Unlocking the Spellbinding Force of Linguistics
