## **Soviet Ideology Today:**

*Ideology and Soviet Politics* Alex Pravda, Stephen White, 1988-07-26 The official ideology of Marxism Leninism is central to Soviet politics and yet its development in recent years has received very little scholarly attention In this book a group of leading specialists drawn from both sides of the Atlantic advance decisively upon all earlier discussions of this subject to provide both an authoritative and detailed picture of the development of official ideology from the early years up to Gorbachev s 1986 Party Programme as well as a consideration of the changing role of ideology in Soviet foreign and domestic policy making The book will be required reading for all students of Soviet and communist politics it should also be of interest to a wider non specialist audience

**Putinism - Post-Soviet Russian Regime Ideology** Mikhail Suslov, 2024-02-23 A key question for the contemporary world What is Putin s ideology This book analyses this ideology which it terms Putinism It examines a range of factors that feed into the ideology conservative thought in Russia from the nineteenth century onwards Russian and Soviet history and their memorialisation Russian Orthodox religion and its political connections a focus on traditional values and Russia s sense of itself as a unique civilisation different from the West and due a special respected place in the world The book highlights that although the resulting ideology lacks coherence and universalism comparable to that of Soviet era Marxism Leninism it is nevertheless effective in aligning the population to the regime and is flexible and applicable in different circumstances And that therefore it is not attached to Putin as a person is likely to outlive him and is potentially appealing elsewhere in the world outside Russia especially to countries that feel belittled by the West and let down by the West s failure to resolve problems of global injustice and inequality

**Ideology and the Collapse of the Soviet System** Neil Robinson, 1995-01-01 this is an excellent book which sheds considerable light upon the role of ideology particularly in the last years of the Soviet Union Graeme Gill *Europe Asia Studies* this work is a serious attempt to bring ideology back into discussions about the end of the Soviet Union Bartholomew Goldyn Slovo This innovative book offers a critical history of the development of Soviet ideology discussing its centrality to Soviet politics and the destructive effect that it had on the Gorbachev reforms Neil Robinson analyses the nature and historical evolution of Soviet ideology between 1917 and 1985 to demonstrate the structural importance of Soviet ideological discourse and the uncertain place that it allocated to the communist party in the Soviet political system On the basis of this analysis Dr Robinson provides a fresh interpretation of Gorbachev s political reforms He describes the ideological dynamic that underwrote the development of perestroika how Gorbachev s ideas on democratization sent contradictory messages to the communist party and how this stimulated opposition to perestroika from party cadres and Soviet society

*Witnessing the Soviet Twilight* Dorothy S. McClellan, 2014-03-12 More than 20 years have passed since the fall of the Soviet empire This book provides an intimate look at how Americans resident in the Soviet Union in its final days described this unprecedented moment in history North American scholars from the disciplines of philosophy sociology psychology women s studies criminal justice labor relations

religion and education present their insights into the dramatic events that marked the collapse of the Soviet Union and the transition to the Commonwealth of Independent States As glasnost and perestroika developed many Russians grew critical of traditional beliefs and confused about their identity and role in society As Marxism Leninism slipped away still others lamented the passing of a system rich in social protection and opportunities for education and professional advancement In this crisis thoughtful people shared with the contributors to this book assessments of their national history its successes and failures its triumphs its crimes and brutalities Accounts range from concrete portrayals of individuals to theoretical discussions of ideology economy gender equality capitalism and socialism producing a multifaceted portrait of a changing nation *Perceptions, Relations Between the United States and the Soviet Union*, 1979 **Prospects of Soviet Power in**

**the 1980s** Christoph Bertram, 1980-06-18 **Soviet Labour Ideology and the Collapse of the State** B. Lo, 2016-02-03

This book examines the transformation of Soviet labour ideology during the last decade of the USSR and its critical relationship to the collapse of the Soviet state The author focuses on regime attempts to revive Soviet economic performance on the basis of increased labour productivity and shows how their failure had unforeseen and catastrophic consequences for the legitimacy of the state Far from reinvigorating concepts about the role and nature of labour in Soviet society the regime succeeded only in demonstrating its own impotence and unsustainability **Ideology and Meaning-Making under the**

**Putin Regime** Marlene Laruelle, 2025-01-14 Much has been written to try to understand the ideological characteristics of the current Russian government as well as what is happening inside the mind of Vladimir Putin Refusing pundits' clichés that depict the Russian regime as either a cynical kleptocracy or the product of Putin's grand Machiavellian designs *Ideology and Meaning Making under the Putin Regime* offers a critical genealogy of ideology in Russia today Marlene Laruelle provides an innovative multi-method analysis of the Russian regime's ideological production process and the ways it is operationalized in both domestic and foreign policies *Ideology and Meaning Making under the Putin Regime* reclaims the study of ideology as an unavoidable component of the tools we use to render the world intelligible and represents a significant contribution to the scholarly debate on the interaction between ideas and policy decisions By placing the current Russian regime into a broader context of different strains of strategic culture ideological interest groups and intellectual history this book gives readers key insights into how the Russo-Ukrainian War became possible and the role ideology played in enabling it *The Ussr* Darrell

P. Hammer, 2019-07-11 In this text Dr Hammer presents an analytical model of the Soviet political system and its process of political decisionmaking based on the theory of bureaucratic pluralism He interprets the Soviet regime as a product of three different influences the Tsarist tradition of nondemocratic rule the revolutionary movement that overthrew Tsarism and the Stalinism of 1924-1953 Since the death of Stalin the Soviet regime has slowly evolved from a personal dictatorship into an oligarchical system According to the author this transformation has permitted the great Soviet bureaucracies such as the military high command and the economic managers to increase their power and influence over policymaking and to pursue

their own interests in addition to those of the regime From this perspective the role of party leaders in the Politburo appears to be that of political brokers among conflicting interests allocating resources among the various bureaucracies This second edition has been completely revised and updated to reflect the realities of the Soviet system through the 27th Party Congress which met in February 1986 Dr Hammer applies the model of bureaucratic pluralism in the areas of public policy and economic planning illustrating the theme that the evolution of a powerful bureaucratic organization has prevented the achievement of the original Leninist vision He discusses specific features of the Soviet society that deviate from original principles often based on dissident sources from within the USSR and examines the role of party leaders in this ideological transition Finally he analyzes the rise of Gorbachev to power and the first steps taken under his leadership such as the anti alcohol campaign and efforts at economic reform Because Dr Hammer s analysis is particularly valuable for understanding the Gorbachev regime and the future of the Soviet system this text is essential reading for all students of Soviet politics

**Philosophical Sovietology** Helmut Dahm,J.E. Blakeley,George L. Kline,2012-12-06 On February 24 25 1956 in a closed session of the 20th Congress of the Communist Party of the Soviet Union Nikita S Khrushchev made his now famous speech on the crimes of the Stalin era That speech marked a break with the past and it marked the end of what J M Bochenski dubbed the dead period of Soviet philosophy Soviet philosophy changed abruptly after 1956 especially in the area of dialectical materialism Yet most philosophers in the West neither noticed nor cared For them the resurrection of Soviet philosophy even if believable was of little interest The reasons for the lack of belief and interest were multiple Soviet philosophy had been dull for so long that subtle differences made little difference The Cold War was in a frigid period and reinforced the attitude of avoiding anything Soviet Phenomenology and existentialism were booming in Europe and analytic philosophy was king on the Anglo American philosophical scene Moreover not many philosophers in the West knew or could read Russian or were motivated to learn it to be able to read Soviet philosophical works The launching of Sputnik awakened the West from its self complacent slumbers Academic interest in the Soviet Union grew

**Dialectics** Nicholas Rescher,1977-01-01 This book explores a disputational approach to inquiry Such a focus on disputation is useful because it exhibits epistemological process at work in a setting of socially conditioned interactions This socially oriented perspective reflects the anti Cartesian animus of the dialectical approach to epistemology It strives to avert the baneful influence of the egocentric orientation of recent approaches in the theory of knowledge The traditional and orthodox emphasis on the epistemological questions How can I convince myself and How can I be certain invites us to forget the fundamentally social nature of the ground rules of probative reasoning their rooting in the issue of how we can go about convincing one another The dialectic of disputation and controversy provides a useful antidote to such cognitive egocentrism by affording a point of departure in epistemology which blocks any temptation to forget the crucial fact that the buildup of knowledge is a communal enterprise subject to communal standards

**The Conduct of Soviet Foreign Policy** Erik Peter

Hoffmann, Frederic J. Flernon, Articles by Brzezinski Pipes Schulman Gati and two new chapters written by Hoffmann and Laird bring new information to this edition on geo politics SALT China and the scientific technological revolution s effects in the Soviet Union The last three sections of the book include updated selections such as a Retrospect and Prospect on the use abuse of Soviet power **Problems of Communism**, 1987 **Markets in the Name of Socialism** Johanna Bockman, 2011-07-26 The worldwide spread of neoliberalism has transformed economies politics and societies everywhere In conventional accounts American and Western European economists such as Milton Friedman and Friedrich von Hayek sold neoliberalism by popularizing their free market ideas and radical criticisms of the state Rather than focusing on the agency of a few prominent conservative economists *Markets in the Name of Socialism* reveals a dialogue among many economists on both sides of the Iron Curtain about democracy socialism and markets These discussions led to the transformations of 1989 and unintentionally the rise of neoliberalism This book takes a truly transnational look at economists professional outlook over 100 years across the capitalist West and the socialist East Clearly translating complicated economic ideas and neoliberal theories it presents a significant reinterpretation of Cold War history the fall of communism and the rise of today s dominant economic ideology **World Communism, 1964-1969, a Selected Bibliography** United States. Congress. Senate. Committee on the Judiciary, 1971 **Moscow Theatres for Young People: A Cultural History of Ideological Coercion and Artistic Innovation, 1917-2000** Manon van de Water, 2006-04-15 This book shows how the totalitarian ideology of the Soviet period shaped the practices of Soviet theatre for youth It weaves together politics pedagogy and aesthetics to reveal the complex intersections between theatre and its socio historical conditions It paints a picture of the theatrical developments from 1917 through to the new millennium **Soviet Relations with Latin America, 1959-1987** Nicola Miller, 1989-09-14 This book was first published in 1989 The Soviet presence and purposes in Latin America are a matter of great controversy yet no serious study was hitherto combined with a regional perspective concentrating on the nature and regional impact of Soviet activity on the ground and diplomatic analysis examining the strategic and ideological factors that influence Soviet foreign policy Nicola Miller s lucid and accessible survey of Soviet Latin American relations over the past quarter century demonstrates clearly that existing heavily geo political accounts distort the real nature of Soviet activity in the area closely constrained by local political social and geographical factors In a broadly chronological series of case studies Dr Miller argues that American counter influence apart enormous physical and communicational barriers obstruct Soviet Latin American relations and that the lack of economic complementarity imposes a natural obstacle to trading growth even Cuba often cited as proof of Soviet designs upon the area is only an apparent exception *Soviet Space Programs: Organization, Plans, Goals, and International Implications* United States. Congress. Senate. Aeronautical and Space Sciences, 1962 **History Becomes Form** Boris Groys, 2013-09-13 An insider s account of the art and artists of the most interesting Russian artistic phenomenon since the Russian Avant Garde In the 1970s and 1980s a group of unofficial artists in Moscow

artists not recognized by the state not covered by state controlled media and cut off from wider audiences created artworks that gave artistic form to a certain historical moment the experience of Soviet socialism The Moscow conceptualists not only reflected and analyzed by artistic means a spectacle of Soviet life but also preserved its memory for a future that turned out to be different from the officially predicted one They captured both the shabby austerity of everyday Soviet life and the utopian energy of Soviet culture In *History Becomes Form* Boris Groys offers a contemporary s account of what he calls the most interesting Russian artistic phenomenon since the Russian avant garde The book collects Groys s essays on Moscow conceptualism most of them written after his emigration to the West in 1981 The individual artists of the group including Ilya Kabakov Lev Rubinstein and Ivan Chuikov became known in the West after perestroika but until now the artistic movement as a whole has received little attention Groys s account sheds light not only on the Moscow Conceptualists and their work but also on the dilemmas of Soviet artists during the cold war *Russia and Eastern Europe, 1789-1985* Raymond Pearson, 1989

Right here, we have countless books **Soviet Ideology Today** and collections to check out. We additionally give variant types and moreover type of the books to browse. The up to standard book, fiction, history, novel, scientific research, as without difficulty as various additional sorts of books are readily easily reached here.

### **Soviet Ideology Today Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Soviet Ideology Today has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Soviet Ideology Today has opened up a world of possibilities. Downloading Soviet Ideology Today provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Soviet Ideology Today has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Soviet Ideology Today. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Soviet Ideology Today. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Soviet Ideology Today, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Soviet Ideology Today has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize

personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Soviet Ideology Today Books

**What is a Soviet Ideology Today PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Soviet Ideology Today PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Soviet Ideology Today PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Soviet Ideology Today PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Soviet Ideology Today PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
