

A photograph of the Space Shuttle Columbia being launched by the Space Shuttle Challenger. The shuttle is white with a black nose cone and a black main body. It is being launched by a large orange external tank and two white solid rocket boosters. The shuttle is ascending vertically, leaving a large plume of white smoke and fire at its base. The background is a clear blue sky with some white clouds. The shuttle's wings are visible, and the word "USA" is printed on the side of the orbiter. The orbiter also has the name "Columbia" and the mission number "28" visible. The external tank has the word "Challenger" written on it. The solid rocket boosters have the word "NASA" written on them. The shuttle is being launched from the right side of the frame, moving towards the left.
