Ropo, Perttu Salovaara, Erika Sauer, Donatella De Paoli, 2015-06-29 By combining new research on leadership and workspaces **Leadership in Spaces and Places** argues for a radical reconceptualization of leadership They argue leadership is not only about leaders themselves but is also affected by the built environment **Building Performance Evaluation** Wolfgang

F.E. Preiser, Andrea E. Hardy, Ulrich Schramm, 2017-08-30 The main aim of this book is to present an intriguing retrospective of Building Performance Evaluation BPE as it evolved from Post Occupancy Evaluation POE over the past 25 years On one hand this is done by updating original authors chapter content of Building Evaluation the first edition published in 1989 That in turn is augmented by an orientation toward current and future practice on the other including new authors who are engaged in ongoing cutting edge projects Therefore individual methodology oriented chapters covering the fundamental principles of POE and BPE go along with major thematic chapters topics of which like sustainability or integration of new technologies are addressed in a diversity of case studies from around the globe Research methodologies and framework of POEs continue to evolve POEs are one step on the larger scale of BPE in understanding how buildings function after they are occupied This resource helps architects building owners and facility managers understand the implications and reactions to the facilities that they designed built and or commissioned By considering the whole process from conception to future uses of the building there can be a more holistic approach to the planning programming design construction occupancy and future adaptability of the structure This book is dedicated to first editor Wolfgang F E Preiser who passed away during the process of editing and reviewing chapters of this volume **Human-Computer Interaction: Towards Mobile and Intelligent**

Interaction Environments Julie A. Jacko, 2011-06-24 This four volume set LNCS 6761 6764 constitutes the refereed proceedings of the 14th International Conference on Human Computer Interaction HCII 2011 held in Orlando FL USA in July 2011 jointly with 8 other thematically similar conferences The revised papers presented were carefully reviewed and selected

future of urban public spaces Scientific and Technical Aerospace Reports ,1992 *Renegotiating Community* William D. Coleman,Diana Brydon,2009-01-01 Both as a concept and a set of social relationships community is central to contemporary debates about globalization Faced with finding a livable response to globalization many communities are renegotiating their identities and functions and in some instances entirely new communities are being formed Yet there is no clear consensus on why community matters or on how globalization affects particular communities *Renegotiating Community* asks what happens to the autonomy of individuals and communities under the influence of globalization Original case studies show how a range of communities are renegotiating the meanings of community and autonomy while living with and sometimes challenging the processes of globalization By addressing the coercive and comforting dimensions of community as well as the need to reconcile conflicting claims to autonomy this book redraws the conceptual maps through which community globalization and autonomy are understood **Solar-terrestrial Predictions Proceedings: Working group reports and reviews** Richard Frank Donnelly,1979 Military Construction Appropriations United States. Congress. House. Committee on Appropriations. Subcommittee on Military Construction Appropriations,1977 **Cosmopolitan Aspirations in Contemporary Cinema** María del Mar Azcona,Julia Echeverría,Pablo Gómez-Muñoz,2024-12-16 This book presents cosmopolitanism as a useful methodological approach to understand the transnational synergies present in contemporary cinema In line with existing literature from the social sciences the volume aims to contribute to the cosmopolitan turn in cinema studies It considers cosmopolitanism as among others a personal and social aspiration of social justice world citizenship and celebration of difference a notion to be criticised as elitist Western often imperialist and homogenising and an actually existing social practice characterised by contradiction messiness and conflict The chapters in this volume offer insights into the variety of sometimes contradictory discourses that arise from a cosmopolitan interpretation of a wide variety of film texts Key topics explored in this book include borders im mobilities migration race class and film aesthetics This book will be particularly useful to film studies scholars and students looking at transnational global world and decolonial cinemas and focusing on topics like borders migration and multiculturalism in film This book will also appeal to academic communities studying media literature mobilities geopolitics sociology and the social sciences in general
