Framing Faust Inez Hedges,2009-03-10 In this interdisciplinary cultural history that encompasses film literature music and drama Inez Hedges follows the thread of the Faustian rebel in the major intellectual currents of the last hundred years She presents Faust and his counterpart Mephistopheles as antagonistic yet complementary figures whose productive conflict was integral to such phenomena as the birth of narrative cinema the rise of modernist avant gardes before World War II and feminist critiques of Western cultural traditions Framing Faust Twentieth Century Cultural Struggles pursues a dialectical approach to cultural history Using the probing lens of cultural studies Hedges shows how claims to the Faustian legacy permeated the struggle against Nazism in the 1930s while infusing not only the search for socialist utopias in Russia France and Germany but also the quest for legitimacy on both sides of the Cold War divide after 1945 Hedges balances new perspectives on such well known works as Thomas Mann s Dr Faustus and Jack Kerouac s Dr Sax with discussions of previously overlooked twentieth century expressions of the Faust myth including American film noir and the Faust films of Stan Brakhage She evaluates musical compositions Hanns Eisler s Faust libretto the opera Votre Faust by Henri Pousseur and Michel Butor and Alfred Schnittke s Faust Cantata as well as works of fiction and drama in French and German many of which have heretofore never been discussed outside narrow disciplinary confines Enhanced by twenty four illustrations Framing Faust provides a fascinating and focused narrative of some of the major cultural struggles of the past century as seen through the Faustian prism and establishes Faust as an important present day frame of reference **Superbook** John Rain,2023-11-09 THIS IS THE GUIDE TO CLASSIC SUPERHERO MOVIES YOU NEVER KNEW YOU NEEDED If you mention the word superhero these days the mind is immediately bombarded by visions from the MCU DCU and all the numerous phases extended TV series and animated side specials that combine to make our eyes bleed with a barrage of different characters fighting each other But before 1997 people would generally only think of a few things Christopher Reeve smiling as his Superman kept a watchful eye over Earth s atmosphere Michael Keaton s Batman running around Gotham dressed in moulded rubber Nicholas Hammond s Spider Man being hauled up a wall on a rope Bill Bixby trying not to unleash his inner Hulk and Flash Gordon campily swashbuckling his way around another galaxy It s time to don your cowl cape shredded jeans and Vultan leatherwear and join John Rain as he wades his way through twenty classic superhero films that stunned amazed and baffled the world from 1978 to 1997 IS IT A BIRD IS IT A PLANE NO IT S SUPERBOOK The perfect way to enjoy the best and worst films of your childhood Ed Byrne *Comic Book Movies - Virgin Film* David Hughes,2012-10-31 The superheroes are back Since the 1970s the film world has found inspiration in comic books and graphic novels These days no summer is complete without a major blockbuster movie based on a comic Superman Batman Spider Man X Men Men in Black Daredevil
