Late Victorian Orientalism Eleonora Sasso, 2020-06-30 Late Victorian Orientalism is a work of scholarly research pushing forward disciplines into new areas of enquiry This collection of essays tries to redefine the task of interpreting the East in the nineteenth century taking as a starting point Edward Said's Orientalism 1978 in order to investigate the visual fantasised and imperialist representations of the East as well as the most exemplary translations of Oriental texts The Victorians envisioned the East in many different modes or Orientalisms since as Said suggested there were perhaps as many Orientalisms as Orientalists By combining together Western and Oriental modes of art this study is not only aimed at filling a gap in Victorian and Oriental studies but also at broadening the audiences it is intended for Federal Register, 1978-02 **The History of Ireland from the Earliest Kings of that Realm, Down to Its Last Chief** Thomas Moore, 1845 **The Buccaneer: A Tale** Mrs. S. C. Hall, 2019-12-12 In The Buccaneer A Tale Mrs S C Hall crafts a vivid narrative that blends adventure with moral complexity capturing the essence of early 19th century Romanticism This novel unfolds a gripping tale of piracy on the high seas where themes of honor betrayal and redemption play out against a richly drawn backdrop of maritime exploration Hall's prose is characterized by its lyrical quality and depth of character providing not only thrilling escapades but also a nuanced exploration of human motivations and ethical dilemmas offering readers a reflective experience amid the excitement Mrs S C Hall an influential figure in Victorian literature was known for her keen social insights and interest in moral tales Her literary career which spanned various genres was marked by her commitment to portraying complex characters rooted

in their societal contexts This experience likely informed her portrayal of the buccaneer archetype providing a fresh perspective that transcends mere adventure reflecting her broader objective of eliciting moral contemplation in readers For anyone intrigued by tales of the sea that delve into the intricacies of human nature *The Buccaneer A Tale* is a must read It invites readers not only to embark on a thrilling journey but also to ponder the ethical implications of adventure and the human condition **The Buccaneer** Mrs. S. **Doctrines of the Church of Rome, and Disorders of Ireland** Mortimer O'Sullivan,1836 *Knowing God the Father* Russell M. Stendal,2019 The writings of John have a very special focus on God the Father Many people who know Jesus or claim to know him have a limited or nonexistent personal knowledge of God the Father It is of course essential for us to know Jesus but his fervent desire for him is that we may also know the Father so intimately that we can ask him for whatever we will in Jesus name and our prayers may be granted By the Holy Spirit we can have such deep and intimate communion with Jesus and the Father that seeing our love for one another everyone shall know that we are his disciples John 13 35 And this is life eternal that they might know the only true God and Jesus Christ whom thou hast sent John 17 3 *The Name of God Y.eH.oW.aH Which is pronounced as it is Written I Eh\_oU\_Ah* Gerard Gertoux,2015-06-10 The understanding of God s name YHWH is so controversial that it is eventually the controversy of controversies or the ultimate controversy Indeed why most of competent Hebrew scholars propagate patently false explanations about God s name Why do the Jews refuse to read God s name as it is written and read Adonay my Lord a plural of majesty instead of it Why God s name is usually punctuated e shewa gamats by the Masoretes what makes its reading impossible because the 4 consonants of the name YHWH must have at least 3 vowels long or short to be read like the words aDoN Y and eLoH M God a plural of majesty which have 4 consonants and 3 vowels At last why the obvious reading Yehowah according to theophoric names which all begin by Yeh without exception is so despised and why the simple biblical meaning He will be from Exodus 3 14 is rejected **Did Jesus "Je[hovah]-salvation" know God's name?** Gerard

Gertoux,2016-04-24 Michael Servetus participated in the Protestant Reformation and translated the Hebrew Bible into Latin In July 1531 he published his *De Trinitatis Erroribus* On the Errors of the Trinity in which he explained clearly that the Trinity was a 3 headed monster Accordingly Catholics and Protestants alike condemned him He was then arrested in Geneva and burnt at the stake as a heretic by order of the city s Protestant governing council This book was translated into English only in 1932 but still worse the main arguments from part V were completely distorted For example he explained that God s name was Iehouah because in Hebrew this name was close to the name of Iesuah Jesus or Iehosuah which means Iehouah is salvation He also knew that according to Paulus de Heredia a Christian Cabbalist the meaning of God s name was He causes to be yehauueh but he never confused the pronunciation of God s name with its Kabbalistic meaning yehaweh For Servetus Iehouah was the only true God Developing and Implementing Web Applications with Visual C# .NET and Visual Studio
