Foundations of our Faith B. Lightsey, 2019-08-14 I am part of a vast ocean of Christians that view the Word of God through a different set of eyes than those of many pastors professors and church staff members I have interest in the deep theology of scripture and recognize my need to be exposed to and covered by the Word of God similar to that of my called brothers in Christ Yet I want it delivered to me in a simple worker s language Recent translations have strived toward this end and have made headway Yet the finished product is still from scholars that often describe the original transcripts from a theological standpoint rather than a worker s standpoint The Eastern Standard Version ESV published in 2001 was written to carefully weigh accuracy against the original Hebrew Aramaic and Greek scrolls It stands as one of the better accepted of sound English Bible Translations Because of its wide acceptance I have used this translation for my resource I have certainly considered a host of opinions and writings of a host of scholars but my source of authenticity has always been God s Word In writing this book I strongly encourage our religious leaders to go back to the reading writing and arithmetic basics of God s Word Just as I believe we need to get back to the basics in educating our children in school in reading writing and arithmetic we also need to get back to the reading writing and arithmetic basics in educating God s people in church Perhaps such consideration is out of touch with the advanced theology of today As a layman not an ordained or seminary graduate I might be considered a doctrine dummy This book entitled Doctrine for Dummies is written for this vast ocean of people We are not dummy people but we are somewhat hindered in our study by deep theological doctrine This book tries to take us back to reading writing and arithmetic doctrine Faith Basics John Jensen, 2025-01-10 Faith Basics by John Jensen is a thoughtful and accessible guide to understanding the core principles of the Christian faith Written by an experienced teacher and disciple maker with nearly two decades of ministry experience this book unpacks foundational doctrines with clarity and depth making it an invaluable resource for believers at any stage of their spiritual journey Faith Basics bridges academic insight with practical application Each chapter explores key themes such as the character of God the gospel of Jesus Christ the nature of the Church the Bible s authority and the life of faith offering readers a solid framework to grow in their

understanding and walk with God Written with a conversational tone and enriched with relatable examples Faith Basics aims to equip individuals and small groups alike to navigate questions of faith with confidence and joy Whether you re a new believer a seasoned Christian looking for a refresher or a leader seeking to guide others this book provides a roadmap for exploring biblical truths that transform lives With its practical insights and easy to follow structure Faith Basics empowers readers to not only understand their faith but to live it out daily reflecting the hope and love of Christ to the world around them Perfect for personal study small groups or discipleship Faith Basics will inspire you to deepen your relationship with God and embrace the adventure of faith with renewed clarity and purpose Essential Christianity Keith Sherlin,2006-06

Bostic,2024-03-28 From the beginning God declared that we need to have a faith based confidence in him where we can understand our decision to accept Jesus as our Savior and devotedly follow the Gospel of Jesus Christ In order to do this we must believe in the inerrant Word of God telling us who Jesus is how we are to live and understand the need for and way to salvation Have you ever wondered what salvation is why it is necessary how it is attained and how all the details your pastor wants you to conform to is part of following Jesus Christ What is baptism Who is the Holy Spirit Why should I pray tithe or go to church What does it mean to guard your heart Is there a hell And will God send you there These and many more questions have been researched applied using God s principles in a detailed fashion written in an easy to understand manner and are found inside backed by the Word of God Don t go through this existence guessing where you will go after life and what you should be doing before your death Read your Bible to gain intimacy and knowledge of your Savior Read this companion book to see the subjects needed to know in your development of a journey through life Know what the Bible says and make your own statement of faith Christianity 101: An Introduction to Faith, Leader's Guide The Foundry Publishing,2021-04 This study explores topics such as who God is where the Bible came from what purpose the Holy Spirit serves what role the church plays in our lives and more
