Deborah Harold,2020-09-10 We live in uncertain economic times The United States is facing the most significant unemployment rate since the Great Depression What can we learn from those who lived through those troubling times The depression era frugality tips tricks and life hacks are lessons that we in modern times can utilize In my book *Depression Era Frugality* I will show you how our grandparents and great grandparents made it successfully through the Great Depression You will learn how to become frugal in every aspect of life so that you can live life to the fullest The era might have been called the Great Depression but that does not mean those who lived through it were necessarily depressed They made the most of every single resource wasting nothing and were the ultimate pioneers in waste management before the green movement was cool We can learn so much from what those who lived through the Great Depression did They managed to keep their families fed clothed and entertained all while living on just a penny or two a day How did they do it How can we do this same thing today Living a frugal lifestyle and learning from our grandparents during the Great Depression is a great idea

for those who are living paycheck to paycheck However it can also be a great thing for those who simply want to get ahead and be prepared should another depression come Although many people aren't ready to make the change to a frugal lifestyle Hopefully reading this guide will help you determine to make changes and start preparing for what is to come At the height of the Great Depression nearly a quarter of the US workforce was unemployed Even those who were still employed had a reduction in hours and or a cut in their wages Even professionals such as doctors and lawyers see drops of up to 40% in their income The majority of the population was facing financial instability if not complete ruin As a result many started living by the motto Use it up wear it out make do or do without Many families discovered new ways to live a frugal life They started gardens patched clothes and found cheaper forms of entertainment If that scenario sounds familiar we are living through equally uncertain economic times We can deal with this by doing what our grandparents did to not only survive but to thrive In this book you will learn Depression era Life Hacks for Food How to Save Money on Pantry Goods Meat Dairy and more How to Grow a Garden Cooking Tips including Meal Planning Recipes and Keeping a Pantry Depression era Life Hacks for Clothing Depression era Life Hacks for Cleaning Depression era Life Hacks for Organization and Storage Depression era Household Management Life Hacks Depression era Healthcare and Beauty Hacks Depression era Healthcare Hacks Depression era Beauty Hacks Depression era Lifehacks for Having Fun Depression era Hacks for Finding Things for Cheap or Free Depression era Tips for Making Money Without a Job Depression era Budgeting Ideas How to Develop a Successful Budget How People Coped During the Great Depression How People Can Cope Today The Difference Between Frugal and Cheap The Benefits of a Frugal Lifestyle Spending Errors to Avoid Ways to Boost Your Mood without Medication You will learn all this and so much more in my book This book also makes a great gift Be sure to click Buy Now to add this title to your collection
