## **The Game Of Love And Death:**

*The Game of Love and Death* Martha Brockenbrough, 2015-04-28 In this inventive and affecting historical young adult novel a black girl and a white boy are pawns in a magical game between Love and Death Publishers Weekly Flora and Henry were born a few blocks from each other innocent of the forces that might keep a white boy and an African American girl apart years later they meet again and their mutual love of music sparks an even more powerful connection But what Flora and Henry don't know is that they are pawns in a game played by the eternal adversaries Love and Death here brilliantly reimagined as two extremely sympathetic and fascinating characters Can their hearts and their wills overcome not only their earthly circumstances but forces that have battled throughout history In the rainy Seattle of the 1920s romance blooms among the jazz clubs the mansions of the wealthy and the shanty towns of the poor But what is more powerful love Or death Race class fate and choice they join Love and Death to play their parts in Brockenbrough's haunting and masterfully orchestrated narrative Kirkus Reviews
