*The Hidden Mysteries of God, Space, Time, Love and Understanding* Tyrone Hinton, Rev Sandra Hinton, 2004-01-01 In 1939 the pastoral calm of the German hamlet of Schladow in Poland is shattered by murderous ethnic warfare and the full eruption of WWII His civilian father uncle and many of the village s young men being brutally slaughtered by Polish soldiers for the offense of being German almost destroys the souls of young Edgar Bueschke his siblings their mother and grandparents but they adjust and regain a semblance of tranquility Yet by 1944 troubles have escalated again and the Bueschke family decides to leave Poland for their ancestral Germany even as that nation plunges deeper into its own hell of Nazi atrocities By 1948 the dream of a cohesive life in Germany has proven elusive and a fiercely loving protective mother resolves to emigrate with her children to Canada where other relatives have already gone instigating new and re establishing old familial relationships For young Edgar his brother Ted and their sister Nelly the culture clash of the New World with the Old is explosive In many situations such as at school they are made to feel more like interloping strangers than friendly newcomers even by peers who are only a few years past being immigrants themselves Their mother gratefully accepting menial work to support her family enters into a marriage with an unloving deceitful manipulator who almost succeeds in stifling forever her hard won independence But with their move to the United States the Bueschke family s inner resources are reaffirmed and through their fierce unflagging work ethic and pure joy of being alive and together they prevail and achieve success and true happiness

*For the Love of God (Vol. 1)* D. A. Carson, 2006-07-10 In a world that views absolute truth right and wrong and salvation as being subject to individual interpretation the Bible s unwavering proclamations and miraculous stories seem obsolete in modern times But it is not God s Word that has changed Indeed its relevancy and its power to transform lives are intact What has changed is the number of people who consult it Now more than ever the need to read the Bible to understand the big picture of its storyline and to grasp the relevance this has for your life is critical As with its companion volume *For the Love of God Volume 2* this devotional contains a systematic 365 day plan based on the M Cheyne Bible reading schedule that will in the course of a year guide you through the New Testament and Psalms twice and the rest of the Old Testament once In an effort to help preserve biblical thinking and living D A Carson has also written thought provoking comments and reflections regarding each day s scriptural passages And most uniquely he offers you perspective that places each reading into the larger framework of history and God s eternal plan to deepen your understanding of his sovereignty and the unity and power of his Word

*THE MIND, BODY, SPIRIT, And STORYTELLING* Hakeem R. Jelani,2023-05-23 For a controversial yet refreshing perspective this book you are holding right now is one that will give you a salient insight into the author s discourse with a new subjective viewpoint regarding the Anunnaki ancient world Their significant deeds and contributions to humanity Which syncs very nicely with the modern ancient astronauts hypothesis Events that are largely associated with the Old Testament Bible Genesis narrative are inextricably linked back to Anunnaki as Those who from Heaven came down to Earth were a fifty man crew under command of the Anunnaki Royal Prince Enki Ea From his home planet Nibiru the eponymous God of creation imbued Kemetic spiritual science philosophy to the African Pharaohs dynasties of Egyptians Mithrum Its speculation and bold assumptions will brighten up your vision as you discover what has long been hidden by the elites who promulgate mendacious truthiness and storytelling as the vicar s of god on Earth Reading this book gives you this powerful insight from a mind body and spirit perspective You discover a different view of the Holy Old Testament Bible Genesis narrative and storytelling Hakeem invites readers to reexamine the Bible myth as a dichotomy between the significant transition into the

Western New Testament Christian Church religion of western Europe and the African Egyptian consciousness of spiritual science precepts The Kemetic ankh life became the Christian cross death Each represents important symbolism Whereas the former was plagiarized and replaced and incorporated into the Roman Catholic New Testament Christian Bible religion and canons as the doctrine of theology It s a great story that postulates an assertion that calls one to reexamine the Bible book of genesis Which the Hebrew and Greek Septuagint Bible scribes removed acknowledge to conceal gods Anunnaki identity of the gods The truth about the elite Royals pantheon of alien gods as Anunnaki Anu Enlil and Enki as Those who from the Heavens came down The ancient account pertaining to the Sumerian Bible Genesis is the original codex of historical manuscript religious described rituals and rites which was the hidden books of sacred knowledge and wisdom taught in the halls of the mystery schools by the ancient Egyptian Priesthood This book imparts his speculative unvarnished anecdotal details about Genesis from a different perspective The Biblical history of Genesis as it should be taught Not like the Christian Catholic Protestant and Baptist religions teach the gospels of the Christian savior of the crucified Jesus Christ as the human savior or of the crucified Jesus Christ of heaven Not like the Christian Catholic Protestant and Baptist religions of blind faith But in its purest form of theology that is primarily the Gospels of death salvation and the resurrection after the end of Jesus Christ s crucifixion by the Roman Albeit speculative its conjecture dovetails nicely with attributions described in the Old Testament Bible god corresponds precisely to Enki Ea deeds This book is complete speculation with emphasis on the Bible book of Genesis Hakeem boldly conflated the creator of the homo sapien sapiens with Enki who was a brilliant scientist and chief medical doctor Which means that he was exceptionally qualified to genetically fuse his biological DNA chromosome code by genetic manipulation of an African female mitochondrial DNA as described in the Old Testament Genesis narrative tale Which raises curious questions as to why the book of Genesis accounts can be examined with great skepticism and a misdirection play because much of the factual information about the Genesis of history was either burned by invading armed forces omitted the rulers suppressed by the Church or destroyed in order to control the narrative of historical evidence He pointed to Enki s process concerning an African female s mitochondrial DNA biological chromosome genetic codes manipulated and used to fashion Adam men as his Hebrew ancestral Royal bloodline It s a fictionalized story written to make people think about this with intellectual intuition logic and reason 1 Corinthians Luise Schottroff, Claudia Janssen, 2021-11-17 1 Corinthian gives us an example how Paul interprets the Tora for Christians from the nations He tells concretely sensitively close to their daily life about the hope against the death He writes down prayers and songs from the messianic communities of his times And he contradicts himself especially in his dealing with women compared to his ideas about how they should be Luise Schottroff 1934 2015 guides her readers to discover Pauls from anew digging to his original thoughts through traditional missinterpretations appropriation and monopolization The English version is based on the German 2nd edition It was translated by Everett R Kalin Professor Emeritus for New Testament at Pacific Lutheran

Crosley,2014-07-09 Close Encounters with God presents a study of multiple close encounters with Yahweh the name of God in Hebrew Scripture These encounters enable us to have a clearer portrayal of the self revealed God one who is different from the conceptualized deity envisioned through such means as transcendental meditation vision quest or mystical rapture By rediscovering the true personality of the self revealed God we will be able to understand the great mysteries of the universe that have baffled mankind for millennia Why do the blameless suffer Why does evil persist in the world Why do the wicked prosper Must the chosen people suffer the destiny of martyrdom And why should Yahweh remain the hidden God
