**The Forgotten Trinity** James R. White, 2019-11-05 While many of us struggle to understand it the Trinity is one of the most important teachings of the Christian faith It defines God's very essence and describes how he relates to us And while it can be a difficult concept to get our heads around it is crucial for believers to understand how God explains his triune nature in his Word In this book James R White offers a concise understandable explanation of what the Trinity is and why it matters While refuting the distortions of God presented by various cults Dr White shows how understanding this teaching leads to renewed worship and a deeper understanding of what it means to be a Christian And amid today's emphasis on the renewing work of the Holy Spirit *The Forgotten Trinity* is a balanced look at all three persons of the Trinity May this book deepen your understanding of this important doctrine while also drawing you closer to the triune God himself **The Forgotten Trinity** The British Council of Churches, 1989 **The Forgotten Trinity** Alasdair I. Gunton, 2003-10-06 A reissue of a brilliant and accessible introduction to Trinitarian thought Colin Gunton argues that the theology of the Trinity has profound implications for all dimensions of human life Central to his work is his argument that the doctrine should offer ways of articulating the being of God and of the world so that we may be better able to live before God and with each other **God as Communion** Patricia Fox, 2001 *God As Communion* explores ancient and new meanings of the symbol of God as Trinity and brings the Christian traditions of West and East into dialogue Through an exploration of the works of two contemporary theologians Fox retrieves this central Christian symbol and uncovers its transforming power for the Church and world today *The Forgotten Trinity* Alasdair I. Study Commission on Trinitarian Doctrine Today, *Colin Gunton's Trinitarian Theology of Culture* Andrew Picard, 2024-06-27 Whilst upholding some of the criticisms of Colin Gunton's work this incisive book argues that there is a Hauptbriefe in Gunton reception that assumes his early classic works *The One the Three and the Many* and *The Promise of Trinitarian Theology* 1st ed are definitive of his project and fail to engage adequately with the progressions in Gunton's later thought Instead this book offers a fresh reading of Gunton by giving greater prominence to his later writings which are centred in the mediation of the Son and the Spirit in creation Andrew Picard argues that Gunton's trinitarian theology of culture emerges from his later trinitarian theology of mediation creation Christology pneumatology and ecclesiology Exploring these doctrinal foci enables an understanding of Gunton's account of faithful human culture as embodied worship a living sacrifice of praise which contributes to the divine redemption and perfection of creation It is the church's particular calling to embody such praise

through its visible life in community The study concludes by intersecting Gunton s theology with the social sciences to critique ableism and consider the politics of the church s belonging in community The Forgotten Trinity: The report of the BCC Study Commission on Trinitarian Doctrine Today ,1989 Patrick Navas,2006-10-01 In Divine Truth or Human Tradition the author examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including popular author and debater Dr James R White author of The Forgotten Trinity John MacArthur President of The Master s Seminary Wayne Grudem author of the widely read Systematic Theology Robert Bowman Jr author of Why You Should Believe in the Trinity Robert Morey Founder of California Biblical University and Seminary and author of The Trinity Evidence and Issues R C Sproul President of Ligonier Ministries Robert L Reymond author of Jesus Divine Messiah and A New Systematic Theology of the Christian Faith and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one true God is in the ultimate sense a divine being made up of three co equal and co eternal persons is not only central to the Christian faith but absolutely necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian s faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson God in ThreePersons p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first decreed as mandatory to confess in the late 4th century Many Christians have wondered How can a doctrine that is no The Forgotten Trinity British Council of Churches. **Modern Trinitarian Perspectives** John Thompson,1994-09-15 One of the more important developments in the field of theology in the past two decades has been a gradual but genuine revival of interest in the doctrine of the Trinity This fundamental Christian doctrine had been neglected by theologians who saw it as isolated from practical Christian faith and life Recently however feminist and liberationist as well as more traditional Catholic and Protestant theologians have come to see the Trinity not as an abstract doctrine but instead as dealing with the living and dynamic being and acts of God and closely related to Jesus Christ and the resurrection as the mystery of salvation This insight has in many ways become one of the central themes of contemporary theology In this study Irish Presbyterian theologian John Thompson provides a survey of the wide variety of modern thought on this important theme examining the work of figures like Karl Barth Karl Rahner Wolfhart Pannenberg and Jurgen Moltmann and their views on such issues as the relationship of the trinitarian doctrine to Scripture the Church philosophy politics and society *Recent Developments in Trinitarian Theology* Christophe Chalamet,Marc Vial,2014 English language theology plays an important role in the renewal of Trinitarian theology This book explores the major renaissance that Trinitarian theology has undergone in recent decades
