Canada. Task Force on Release of Inmates

The Future Of Parole Commentaries On Systems In Britain And Usa:

The Future of Parole: Commentaries on Systems in Britain and U.S.A. Donald James West, 1972 How long offenders should be kept in prison and what supervision they should receive after release are matters of increasing public concern In this book the part played by parole systems is described by a series of experts and former Parole Board members Some of them write from experience of America where parole systems are long established others deal with the recent development of parole in England The purposes and effectiveness of the different systems are discussed critically from the standpoints of law justice social control and rehabilitation **Federal Parole Decision-making** ,1984 **Murder and Penal Policy** Barry Mitchell, 1990-06-13 Based on a two part study this book examines the courts interpretation of murder and the management of those serving life sentences for murder It discusses the law legal reforms life imprisonment and the possibilities for releasing lifers without endangering the public *Library Book Catalog, Subject Catalog, Volume 2* United States. Department of Justice, 1975 **Criminal Court Consultation** Richard Rosner, Ronnie B. Harmon, 2012-12-06 During the 1980s those of us who were involved in forensic psychiatry have seen an increase in the interest in our subspecialty This increased interest has been from psychiatrists lawyers judges and correctional officials as well As a part of this demand for our services there has also been an increase in the demand for detailed quality in our reports and testimony Whether this is the result of the educational efforts of the American Academy of Psychiatry and the Law the establishment of the American Board of Forensic Psychiatry the stimulation of thought by the publication of this series Critical Issues in American Psychiatry and the Law or Supreme Court decisions such as Ake v Oklahoma is anybody s guess My experience as an observer of the development of the patient s rights movement was that there was a coalescence of numerous forces such as the new human rights movement the active mental health bar and the development of neuroleptics I therefore suspect that there are a multitude of factors contributing to the new interest in forensic psychiatry and the elevation of the standards of forensic experts Regardless of the causes those who are practicing forensic psychiatry today are expected to conduct more thorough evaluations and to report findings more completely No longer will simple conclusory statements be acceptable The forensic psychiatrist is expected to present data in a clear understandable detailed reliable and competent fashion whether testifying or in a report *Federal Parole Decision-making: No title* ,1984 **Library Book Catalog** United States. Department of Justice, **Alternatives to Institutionalization** Marjorie Kravitz, 1979 *Library Book Catalog* United States. Law Enforcement Assistance Administration, 1974 **Library Book Catalog, Author Catalog, Volume 2** United States. Department of Justice, 1975 **A Bibliography of British History, 1914-1989** Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index Rapport Du

Groupe D'etude Sur la Mise en Liberte Des Detenus Canada. Task Force on Release of Inmates,1973 Joint Volumes of Papers Presented to the Legislative Council and Legislative Assembly New South Wales. Parliament,1976 Includes various departmental reports and reports of commissions Cf Gregory Serial publications of foreign governments 1815 1931 *The British National Bibliography* Arthur James Wells,1972 *Sentencing of Federal Offenders* Australia. Law Reform Commission,1980 Minnesota Law Review ,2013-02 **Introduction to the Administration of Criminal Justice** Thomas Francis Adams,1980 Law Book Guide ,1972 **Dangerousness and Criminal Justice** Jean E. Floud,Warren Young,1981 **The British Library General Catalogue of Printed Books to 1975** British Library,1986
