The Handbook of Jewish Thought Aryeh Kaplan,Avraham Sutton,1979 Kabbalistic Teachings of the Female Prophets J. Zohara Meyerhoff Hieronimus,2008-07-21 The spiritual teachings of Israel s biblical prophetesses from a kabbalistic perspective Explores the lives and symbolic significance of seven female prophets Sarah Miriam Devorah Chanah Avigail Chuldah and Esther Uses the gematria of Jewish metaphysics to demonstrate that prophecy is a mystical initiatory path by which Divine Will is made known not only a tool for telling the future Presents practical applications of kabbalistic teachings for spiritual development The seven prophetesses of Israel Sarah Miriam Devorah Chanah Avigail Chuldah and Esther lived between 1800 and 350 BCE Their combined lives reflect a kabbalistic path of spiritual evolution that is as pertinent to our lives today as it was for the biblical communities in which they lived From her studies of the Torah and classical gematria Zohara Hieronimus shows that each prophetess is linked to a Sefirah on the kabbalistic Tree of Life from creation Sarah through learning correct moral action Devorah to the promise of redemption and ultimately resurrection Esther Using the stories of their lives and teachings Hieronimus reveals the relationship of each prophetess to the seven days of the week the seven sacred species of Israel the human body and Jewish holidays and rituals This book presents the kabbalistic teachings of these holy women and what they reveal about the initiatory path of individual development and redemption The seven prophetesses show that every person has a part to play in the repair of the world and Hieronimus gives a practical set of maps and spiritual guidelines for that journey **The Oxford Handbook of the Bible and Ecology** Hilary Marlow,Mark Harris,2022 Does the Bible have anything to contribute to contemporary concerns about the environment This collection of essays on the Bible and ecology explores biblical texts and their interpretation in the light of ecological issues The handbook covers a number of political and ethical issues as well as offering detailed exploration of individual Bible books It discusses a number of controversial views including whether the Judeo Christian tradition has contributed to the environmental crisis and how the Bible is used by climate change deniers **Deathbed Wisdom of the Hasidic Masters** ,2016-05-18 The first ever English translation of and commentary on The Book of Departure which compiles the end of life stories of 42 holy men sheds light on Jewish traditions about death the afterlife and how to care for people in their final days Modern insights drawn from these stories help caregivers make greater meaning out of end of life care **A Christian's View of the Torah** Matt P. Simmons,2012-03-22 A Christians View of the Torah is a series of essays illustrating how the Torah uses numerous literary devices often seen in great works of art such as symbolism parallelism reflections and repeated themes This book presents the Bible or at least the Torah as a unified whole with consistent underlying themes rather than a collection of disjointed stories And it shows from the Christian point of view how the Torah points toward Christ and His church Most biblical study guides fall into two extremes At one end of the spectrum they are directed toward the uninitiated or new Christian and are

therefore so simplistic that they give no new insights to a Christian wanting to grow At the other extreme they are so academic that a doctorate in divinity is required to get anything out of them A few strive to touch the middle ground which allows the average Christian to grow and to add to his faith A Christians View of the Torah is an attempt to strike the middle ground This book is not intended as an evangelistic tool but as an aid for those who wish to move from the milk to the meat of the Word and gain some new insights to old familiar stories It is intended for those who have a working knowledge of the Bible particularly the Torah the Historical Books the Gospels Acts and the Epistles in short Genesis through Second Chronicles and Matthew through Jude This is a single Christians point of view *Jewish Veganism and Vegetarianism* Jacob Ari Labendz, Shmuly Yanklowitz, 2019-04-01 In recent decades as more Jews have adopted plant based lifestyles Jewish vegan and vegetarian movements have become increasingly prominent This book explores the intellectual religious and historical roots of veganism and vegetarianism among Jews and presents compelling new directions in Jewish thought ethics and foodways The contributors including scholars rabbis and activists explore how Judaism has inspired Jews to eschew animal products and how such choices even when not directly inspired by Judaism have enriched and helped define Jewishness Individually and as a collection the chapters in this book provide an opportunity to meditate on what may make veganism and vegetarianism particularly Jewish as well as the potential distinctiveness of Jewish veganism and vegetarianism The authors also examine the connections between Jewish veganism and vegetarianism and other movements while calling attention to divisions among Jewish vegans and vegetarians to the specific challenges of fusing Jewishness and a plant based lifestyle and to the resistance Jewish vegans and vegetarians can face from parts of the Jewish community The book s various perspectives represent the cultural theological and ideological diversity among Jews invested in such conversations and introduce prominent debates within their movements **Perfect Strangers** Avraham Jacobovits, 2006 **Lashon HaKodesh: History, Holiness, & Hebrew** Reuven Chaim Klein, 2021-02-01 Throughout Jewish literature the Hebrew language is referred to as Lashon HaKodesh Its history origins decline and rebirth are simply fascinating Furthermore at its deepest level Lashon HaKodesh is called such the Holy Language because it is intrinsically sacred and is thus unlike any other language known to Man Lashon HaKodesh History Holiness Hebrew seeks to understand the holiness of Lashon HaKodesh follows its history and focuses on the significance of Aramaic and other Jewish languages such as Yiddish and Ladino An extended section is devoted to Modern Hebrew its controversies and its implications from a religious perspective This unique work delves into the linguistic history of each Jewish language as well as the philological Kabbalistic and Halachic approaches to this topic taken by various Rabbinic figures through the ages The author also compares and contrasts traditional Jewish views to those of modern day academia offering proofs and difficulties to both approaches As the old saying goes Two Jews three opinions In almost every chapter more than one way of looking at the matter at hand is presented In some cases the differing opinions can be harmonized but ultimately many matters remain subject to dispute Hopefully the mere knowledge

of these sources will whet the reader's intellectual curiosity to learn more. Written by a brilliant young scholar Lashon HaKodesh History Holiness Hebrew is ground breaking intriguing and remarkable

Levinas and the Torah Richard I. Sugarman, 2019-08-23 The French philosopher Emmanuel Levinas 1906-95 was one of the most original Jewish thinkers of the twentieth century. This book interprets the Hebrew Bible through the lens of Levinas's religious philosophy. Richard I. Sugarman examines the Pentateuch using a phenomenological approach drawing on both Levinas's philosophical and Jewish writings. Sugarman puts Levinas in conversation with biblical commentators both classical and modern including Rashi Maimonides Sforno Hirsch and Soloveitchik. He particularly highlights Levinas's work on the Talmud and the Holocaust. Levinas's reading is situated against the background of a renewed understanding of such phenomena as covenant promise different modalities of time and justice. The volume is organized to reflect the fifty-four portions of the Torah read during the Jewish liturgical year. A preface provides an overview of Levinas's life approach and place in contemporary Jewish thought. The reader emerges with a deeper understanding of both the Torah and the philosophy of a key Jewish thinker.

Prophet Muhammad (Peace Be Upon Him) in the Bible Dr. S.M. Mohiuddin Habibi, Syed Ahsan Habibi, 2016-05-13 The greatest hope of all the religious groups that awaited for scores of centuries with a dogma of their own Holy Books which witnessed the glory and the majesty of that personality called as Muhammad and Ahmad the Glorious and the Praised on whom be peace and lasting blessings which certainly got fulfilled when he finally arrived on the stage of the history. The Scriptures of the Prophets that went before him ended their tasks by heralding the tiding of his coming. Despite the textual corruption of those ancient scriptures the golden sayings were still preserved by ALLAH the One True God as a signpost for the honest and noble readers. The seekers of truth Be certain of the fact that Prophet Muhammad Peace Be Upon Him was the promised Prophet and the awaited saviour whom the Jews called as the King Messiah. His coming was prophesied by all the Prophets like Moses and Jesus Peace Be Upon Them long before his arrival and he was also mentioned in the Old and New Testaments. Likewise the Far East Indian scriptures never failed to mention his name and praises which certainly constitute a miracle pertaining to him and confirming his Prophethood. In the light of the above facts how could a man of wisdom escape from this overwhelming thought. Or will he still deny this truth. Or will he still await and hope that from Heaven angels would come and guide him when the final Message has already been delivered by Muhammadur Rasul ALLAH to the creation of ALLAH in general on whom be peace and lasting blessings. Indeed it is ALLAH the Lord of the worlds Who Himself calls on us to acknowledge this truth in the Holy Quran O mankind The Messenger Muhammad on whom be peace and lasting blessings hath come unto you with the Truth from your Lord. Therefore believe it is better for you. But if ye disbelieve still lo Unto ALLAH belongeth whatsoever is in the heavens and the earth. ALLAH is ever Knower Wise 4:170
