## **The More Excellent Way:**

*The More Excellent Way; Or, Links in Love's Chain ...* More excellent way, Way, 1862      *The More Excellent Way*, 2006-10 This book investigates why unlike in the early centuries the ethical behavior of Christians today is so little different from that of non Christians It does this by first reviewing the teachings of Jesus about how Christians are to live and the positive response of early Christians to these teachings The major portion of the book then documents how the rise of asceticism and the proliferation of church law came to eclipse Jesus teachings of serving others through unselfish love It reviews how Chrysostom Augustine Luther and others tried to return the church to the New Testament way of life The book reaches two conclusions Christians today prefer to live by only avoiding the gross evils forbidden by the Ten Commandments rather than by Jesus all inclusive New Commandment of loving one another as he loved us They are also willing to offer God the piety of churchly activity but what God also asks a life of goodness serving one s fellowman they feel is just asking too much      *The More Excellent Way, Or the Religion of Principle and the Religion of Feeling Compared. A Sermon, Etc* William TROTTER (of York.), 1840      *The Light of Christ Exalted, Or The More Excellent Way, Briefly Set Forth* J. S. s faithfulness God's justice and God's love for the sake of this world      A Still More Excellent Way Alexander Ross, 2020-07-10 A Still More Excellent Way presents a comprehensive account of the development and nature of metropolitan authority and the place of the province within Anglican polity with an emphasis on the contemporary question of how international Anglicanism is to be imagined and take shape The first comprehensive historical examination of the development of metropolitan authority and provincial polity within international Anglicanism the book offers hope to those wearied by the deadlock and frustration around questions of authority which have dogged Anglicanism
