The Hebrew Kabbalah And Speculative Masonry:

The Hebrew Kabbalah and Speculative Masonry Charles S. Lobingier, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **The Kabbalah of Masonry and Related Writings: Foundations of Freemasonry Series** Eliphas Levi, William Wynn Westcott, Leopold F. Strauss, J. Ralston Skinner, 2020-01-12 Several notable masonic writers explore the subject of Kabbalah and how it intersects with Freemasonry Included here are the essays The Kabbalah of Masonry Gematria and the Letter G Kabbalah and the Origin of Freemasonry and Notes on the Kabbalah of the Old Testament **Method Infinite: Freemasonry and the Mormon Restoration** Cheryl L. Bruno, Joe Steve Swick III, Nicholas S. Literski, 2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry s rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days Smith s firsthand knowledge of and experience with both Masonry and anti Masonic currents contributed to the theology structure culture tradition history literature and ritual of the religion he founded *The New Underworld Order: Triumph of Criminalism the Global Hegemony of Masonic Intelligence* Christopher Story, 2006 *The Genesis 6 Conspiracy* Gary Wayne, 2020-09-15 Genesis 6 Conspiracy There are giants among us passing largely unnoticed intent on carrying out a secret plan to enslave all humanity They may not look like giants today but their bloodlines extend all the way back to the Nephilim the offspring of angels who mated with human women described in Genesis 6 when giants roamed the land Gary Wayne author of The Genesis 6 Conspiracy How Secret Societies and the Descendants of Giants Plan to Enslave Humankind details the role of modern day Nephilim in Satan s plan to install the Antichrist at the End of Days When God cast the angel Lucifer and his followers out of heaven Lucifer set into motion a scheme to ensure the Nephilim survived Why Because from the bloodlines of these Nephilim the Antichrist will come To keep his plan alive Satan has enlisted the loyalty of secret societies such as the Freemasons the Templars and the Rosicrucians to conspire in teaching a theology and a history of the world that

is contrary to the biblical one This Genesis 6 Conspiracy marches toward the Great Tribulation when the loyalty of the Terminal Generation this generation will be tested The Bible along with many other ancient sources clearly records the existence of giants Wayne provides copious citations from many society insiders along with extensive Bible references other religious references and historical material to bolster his contention What he uncovers will astonish you and it will challenge you to prepare for the fulfilling of God s promises Related keywords Biblibcal Bible Verses King James Version The Holy Bible Knights Templar Giant Giants Goliath Enoch Apocrypha Apocryphal Armageddon Ancient Aliens Revelations conspiracy theories conspiracies Biblical Demonology Biblical Principles Biblical Books Da Vinci Code Angels and Demons Oak Island Lost Symbol Satan Watchers Book of Enoch Christian contrarian biblical prophecy history mythology Gnostic scriptures The Qur an the Bhagavad Gita Gilgamesh ancient epics language etymology secret society secret societies Illuminati Freemasonry Media Studies Freemasons Freemason Ancient Aliens Curse of Oak Island Skinwalker Ranch Search for the Lost Giants Knights Templar treasure Vikings *The Lodge and the Craft* Rollin Clinton Blackmer,1923 **Madame Blavatsky on the history and tribulations of the Zohar** Helena Petrovna Blavatsky,2019-09-17 The European Occultists see in the Jewish Kabbalah alone the universal well of wisdom and find in it the secret lore of nearly all the mysteries of Nature For them the Zohar is an Esoteric Thesaurus of all the mysteries of the Christian Gospel The Esoteric language used by the Alchemists was their own given out as a blind necessitated by the dangers of the epoch they lived in and not as the Mystery language as used by the Pagan Initiates which the Alchemists had re translated and re veiled once more Some believe that the substance of the Kabbalah is the basis upon which Masonry is built since modern Masonry is undeniably the dim and hazy reflection of primeval Occult Masonry of the teaching of those divine Masons who established the Mysteries of the prehistoric and prediluvian Temples of Initiation Others maintain that the numerical language of the Kabbalistic works teaches universal truths and not any one Religion in particular Those who make this statement are perfectly right in saying that the Mystery language used in the Zohar and in other Kabbalistic literature was once the universal language of Humanity But they become entirely wrong if to this fact they add the untenable theory that this language was invented by or was the original property of the Hebrews from whom all the other nations allegedly borrowed it The writings which pass today under the title of the Zohar of Rabbi Shimon are not authentic Moreover the lore found in Kabbalistic literature was never recorded in writing before the first century of the modern era There was at all times a Kabbalistic literature among the Jews though historically it can be traced only from the time of the Captivity Yet from the Pentateuch down to the Talmud the documents of that literature were ever written in a kind of Mystery language a series of symbolical records which the Jews had copied from the Egyptian and the Chald an Sanctuaries only adapting them to their own national history Jews and Christians rely on a phonograph of a dead and almost unknown language There are scholars who do not carry the now known Hebrew square letters beyond the late period of the fourth century The real Hebrew of Moses was lost after the seventy years captivity and

ceased from that time to be a spoken language The Lost Tribes of Israel is a pure invention of the Rabbis Not only are there no proofs of the twelve tribes of Israel having ever existed but Herodotus the most accurate of historians who was in Assyria when Ezra flourished never mentions the Israelites at all and Herodotus was born in B C It is now becoming apparent that the Kabbalah of the Jews is but the distorted echo of the Secret Doctrine of the Chaldeans and that the real Kabbalah is found only in the Chaldean Book of Numbers now in the possession of certain Persian Sufis Hebrew cannot be called an old language merely because Adam is supposed to have used it in the Garden of Eden Linguistic analysis shows that the old Egyptian tongue was only old Hebrew and that the two nations lived together for centuries Before adopting the Chaldean for their phonetic tongue the Jews had already adopted the old Coptic or Egyptian The Hebrew Scriptures had been tampered with and remodelled had been lost and rewritten a dozen times before the days of Ezra In its hidden meaning from Genesis to the last word of Deuteronomy the Pentateuch is the symbolical narrative of the sexes and an apotheosis of Phallicism under astronomical and physiological personations The wise King of Israel who succeeded his father King David was noticed neither by Herodotus nor by Plato nor by Diodorus Siculus nor by any writer of standing The Bible as it is now i e the Hebrew texts depends for its accuracy on the authenticity of the Septuagint written miraculously by the Seventy in Greek and the original copy having been lost since our texts have been re translated backward into Hebrew So little indeed was Hebrew known that both the Septuagint and the New Testament had to be written in Greek a heathen language and no better reasons for it given than that the Holy Ghost chose to write the New Testament in Greek The new system of the Masoretic points has made the Hebrew characters a sphinx like riddle for all Punctuation is now to be found everywhere in all later manuscripts and by means of it anything can be made of a text a Hebrew scholar can put on the texts any interpretation he likes The Tower of Babel myth relates to enforced secrecy Men falling into sin were regarded as no longer trustworthy for the reception of such esoteric knowledge and from being universal it became limited to the few One of the chief Lords or Hierophants of the Mysteries of Yava Aleim had confounded the languages of the earth so that the sinners could understand one another's speech no longer There are two distinct styles two antagonistic schools plainly traceable in the Hebrew Scriptures the Elohist and the Jehovist The one taught strictly esoteric doctrines the other theological doctrines The Elohists identified their Deity as in the Secret Doctrine with Nature The Jehovists made of Jehovah a personal God and used the term simply as a phallic symbol The original Mosaic text have been tampered with and replaced by that of the later Levites who practiced degenerate mysteries and veiled Pantheism under Monotheism The Ain Soph of the Chaldeans and later of the Jews is a copy of the Vedic Deity while the Heavenly Adam the Macrocosm which unites in itself the totality of beings and is the Spirit of the visible universe finds his original in the Puranic Brahm The Zohar places Ain Soph or Absolute Unity outside human thought and appreciation and in the Sepher Yetzirah the Spirit of God Logos not the Deity itself is called The One The true meaning of the compound name of Jehovah of which unvowelled you can make almost anything is men and women or humanity

composed of two sexes A Kabbalist traces Jehovah from the Adam of earth to Seth the third son or rather race of Adam Thus Seth is Jehovah male and Enos being a permutation of Cain and Abel is Jehovah male and female or mankind Eve stands as the evolution and the never ceasing becoming of Nature If we call Jehovah by his divine name then he becomes at best and forthwith a female passive potency in Chaos And if we view him as a male God he is no more than one of many angels There are four Adams one for each of the preceding Root Races Thus the Kabbalah as we have it now is of the greatest importance in explaining the allegories and dark sayings of the Bible As an Esoteric work upon the mysteries of creation however it is almost worthless as it is now disfigured unless cross checked by the Chald an Book of Numbers or by the tenets of the Eastern Secret Science We have shown that the Hebrew Bible exists no more and hat uninitiated have to content with the garbled accounts and falsified copies of the real Mosaic Bible of the Initiates The Temple of King Solomon exists to this day as a stupendous living monument of Esoteric records while the famous temple has never existed outside of the far later Hebrew scrolls The letters in the Hebrew sacred scrolls are musical notes In the Sanskrit language letters are continually arranged in the sacred ollas so that they may become musical notes Thus the Devanagari are the speech of the Gods and Sanskrit is the divine language Sanskrit is the perfect form of the most perfect language on earth Hebrew the roughest and the poorest The six days of the week and the seventh the Sabbath are based primarily on the seven creations of the Hindu Brahm the seventh being that of man and secondarily on the number of generation The Sabbath is pre eminently and most conspicuously phallic The mystery of the woman who was made from the man is repeated in every national religion and in Scriptures far antedating the Jewish Genesis does not begin at the beginning Neither the septiform chronology nor the septiform theogony and evolution of all things is of divine origin in the Bible The Jews never had more than three keys out of the seven in mind while composing their national allegories the astronomical the numerical and above all the purely anthropological or rather physiological key This resulted in the most phallic religion of all and has now passed part and parcel into Christian theology

Encyclopedia Of Freemasonry Albert G. Mackey, 2013-10-24 Dr Albert G Mackey also the author of The Lexicon of Freemasonry appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here in one giant volume is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order For more than thirty years Dr Mackey has devoted earnest and constant study and research to the history the objects and the condition of Masonry In the present work the crowning and successful result of a life s labors he has received no assistance from any one He says Every article was written by myself and he adds which would extenuate errors had he fallen into any For twelve months too of the time occupied upon this work I suffered from an affection of the sight which forbade all use of the eyes for purposes of study

During that time now happily passed all authorities were consulted by the willing eyes of my daughters all writing was done by their hands I realized for a time the picture so often painted of the blind bard dictating his sublime verses to his daughters and his preface closes with the words Were I to dedicate this work at all my dedication should be To Filial Affection Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions *From Yoga to Kabbalah* Véronique Altglas,2014-05-01 Religious exoticism implies a deeply ambivalent relationship to otherness and to religion itself traditional religious teachings are uprooted and fragmented in order to be appropriated as practical methods for personal growth Western contemporary societies have seen the massive popularization of such exotic religious resources as yoga and meditation Shamanism Buddhism Sufism and Kabbalah V ronique Altglas shows that these trends inform us about how religious resources are disseminated globally as well as how the self is constructed in society She uses two case studies the Hindu based movements in France and Britain that started in the 1970s and the Kabbalah Centre in France Britain Brazil and Israel She draws upon major qualitative and cross cultural empirical investigations to conceptualize religious exoticism and offer a nuanced and original understanding of its contemporary significance From Yoga to Kabbalah broadens scholarly understanding of the globalization of religion how religions are modified through cultural encounters and of religious life in neoliberal societies **The New Age Magazine** ,1914

Voice of Masonry ,1896 **Freemasonry in Context** Art DeHoyos,S. Brent Morris,2004-01-01 Freemasonry has had a long enduring and yet at times largely invisible influence on American culture and society The decreased visibility of Freemasonry has to do directly with there being very few scholarly resources on the subject In the history of the United States reaction to Freemasonry led to America s first third party the Anti Masonic Party Much of America s social safety net from the Civil War to the Second World War was provided by the orphanages retirement homes and insurance programs of Freemasonry Freemasonry has also influenced the development of other fellowships Knights of Pythias Elks Moose Woodmen of the World and Knights of Columbus to name a few At its peak in 1960 Freemasonry claimed 4 2 million members one out of every twenty males in the United States In *Freemasonry in Context History Ritual Controversy* editors Arturo de Hoyos and S Brent Morris feature work by renowned Masonic scholars Essays explore the rich and often controversial events that

comprise the cultural and social history of Freemasonry Other essays discuss the function and development of ritual rites and practices The scholarship in this volume represents ten years of scholarly investigations by the Scottish Rite Research Society Freemasonry in Context is the most authoritative compendium of Masonic scholarship available Contained within this volume is the most erudite scholarly reflection on an enormous body of research conducted by academic historians and Masonic authors

New Age Magazine ,1917 *From the Ashes of Angels* Andrew Collins,2001-09-01 Provides convincing evidence that angels demons and fallen angels were flesh and blood members of a giant race predating humanity spoken of in the Bible as the Nephilim Indicates that the earthly paradise of Eden was a realm in the mountains of Kurdistan By the author of Gateway to Atlantis Our mythology describes how beings of great beauty and intelligence who served as messengers of gods fell from grace through pride These angels also known as Watchers are spoken of in the Bible and other religious texts as lusting after human women who lay with them and gave birth to giant offspring called the Nephilim These religious sources also record how these beings revealed forbidden arts and sciences to humanity transgressions that led to their destruction in the Great Flood Andrew Collins reveals that these angels demons and fallen angels were flesh and blood members of a race predating our own He offers evidence that they lived in Egypt prior to the ancient Egyptians where they built the Sphinx and other megalithic monuments before leaving the region for what is now eastern Turkey following the cataclysms that accompanied the last Ice Age Here they lived in isolation before gradually establishing contact with the developing human societies of the Mesopotamian plains below Humanity regarded these angels described as tall white haired beings with viperlike faces and burning eyes as gods and their realm the paradise wherein grew the tree of knowledge Andrew Collins demonstrates how the legends behind the fall of the Watchers echo the faded memory of actual historical events and that the legacy they have left humanity is one we can afford to ignore only at our own peril
