Introduction

I. LOOKING AT MY JEWISHNESS	1
On Being Single & Jewish	
Dr. Shaina Sara Handelman	3
Marital status is not necessarily the determining factor of an individual's spiritual elevation, but rather what one does at each point of one's life.	
Changing Careers	
Dr. Khane Feygle Abraham	11
Shifting gears from the contemporary professional world to the traditional roles of wife and mother can be unexpectedly fulfilling.	
Modesty & the Jewish Woman	
Dr. Shaina Sara Handelman	19
Because the human body is a vessel for the soul, it is treated with respect.	
Reaching Out	
Raizel Schnall Friedfertig	31
Women with a Torah lifestyle are involved in communicating living Judaism with inspirational approaches.	
II. SPIRITUAL DIMENSIONS IN MARRIAGE	35
Do You Believe in Love?	
Shifra Deren	37
There is a guideline in the Torah showing how to perpetuate a real and lasting romance.	
A Torah Marriage	
Anonymous	39
A marriage based on Torah has <i>Ahavah</i> , love expressed through physical closeness, and <i>Achevah</i> , a deep friendship.	
Keeping Up with the Past	
Grace Davidson	43
The beautiful, eternal values of our heritage infinitely surpass those of contemporary civilization.	

Please Note: Each article was carefully placed in a particular order and with a definite plan to give the reader a colorful variety while keeping a flow and rhythm to the book. The plan of the five units is to expand the topics from the individual woman, to a couple, to children, to general insights into the Torah, and culminating with a historical view of Jewish women.

The Modern Jewish Woman A Unique Perspective A Lubavitch Womens Publication

Reina Lewis

The Modern Jewish Woman A Unique Perspective A Lubavitch Womens Publication:

The Modern Jewish Woman Lubavitch Educational Foundation for Jewish Marriage Enrichment, 1981 **Religious Fundamentalisms and the Human Rights of Women** C. Howland, 1999-09-03 Dialogue on the conflict between religious fundamentalism and women's rights is often stymied by an all or nothing approach fundamentalists claim of absolute religious freedom while some feminists dismiss religion entirely as being so imbued with patriarchy as to be eternally opposed to women's rights This ignores though the experiences of religious women who suffer under fundamentalism and fight to resist it perceiving themselves to be at once religious and feminist In *Religious Fundamentalisms and the Human Rights of Women* Howland provides a forum for these different scholars both religious and nonreligious to meet and seek common ground in their fight against fundamentalism Through an examination of international human rights national law grass roots activism and theology this volume explores the acute problems that contemporary fundamentalist movements pose for women's equality and liberty rights Lubavitcher Women in America Bonnie J. Morris, 2012-02-01 Lubavitcher Women in America offers a rare look at the world of Hasidic women activists since World War II The revival of ultra Orthodox Judaism in the second half of the twentieth century has baffled many assimilated American Jews especially those Jewish feminists hostile to Orthodox interpretations of women's roles This text gives voice to the lives of those Hasidic women who served the late Lubavitcher Rebbe as educators and outreach activists and examines their often successful efforts to recruit other Jewish women to the Lubavitcher community in Crown Heights Brooklyn Central to this book is how Lubavitcher women have talked back to American feminist thought Arguing that American feminism cannot liberate Jewish women that a specifically Jewish spirituality is more appropriate and fulfilling Lubavitcher women have helped to swell the ranks of their Rebbe's followers by aggressively promoting the appeal of traditional structured Jewish observance The book thus offers a unique look at female anti feminist religious rhetoric articulately presented by Jewish fundamentalists **Modest Fashion** Reina Lewis, 2013-05-30 Increasing numbers of women are engaging in the development and discussion of modest dressing a movement matched by a growing media and popular demand for intelligent commentary about the topic Modest Fashion sets out to meet that need As a trend modest dressing is spreading across the world yet it is rarely viewed as fashion Studying consumers and producers retailers and bloggers Modest Fashion provides an up to the minute account of the art of dressing modestly and fashionably Leading scholars in the area along with journalists fashion designers entrepreneurs and bloggers discuss the emergence of a niche market for modest fashion among and between Jewish Christian and Muslim faith groups as well as secular dressers Crossing creeds and cultures analysing commentary alongside commerce the book probes the personal and the political as well as religious aesthetic and economic implications of contemporary dress practices and the debates that surround them **Hasidic Studies** Ada Rapoport-Albert, 2018-01-16 Ada Rapoport Albert has been a key partner in the profound transformation of the history of hasidism that has taken shape over the past few decades The essays

in this volume show the erudition and creativity of her contribution Written over a period of forty years they have been updated with regard to significant detail and to take account of important works of scholarship written after they were originally published

Music in Lubavitcher Life Ellen Koskoff, 2000-11-06 Music in Lubavitcher Life illuminates the world of the Lubavitcher Hasidim a community of ultra orthodox Jews centered in the Crown Heights section of Brooklyn New York Drawing primarily on twenty years of close study of the Lubavitcher community Ellen Koskoff combines lively anecdotes with historical background and musical analysis to reveal music making among the Lubavitchers as a gateway to their ideas about the nature of human spirituality human social interaction and God

Lubavitcher music centers on the nigunim a body of paraliturgical folk and popular melodies that Lubavitchers regard as a primary form of spiritual communication with the divine For a song to be included in the repertory of nigunim it must conform to Hasidic religious and aesthetic principles If brought in from the outside it must be purified stripped of its coarse outer shell usually the text and recomposed in accordance with coded musical structures including certain melody types ornamentation and formal organization Performance of nigunim adheres among other things to a process associated with the spirituality of the great Hasidic leaders of the past

Along with vivid descriptions of musical performance in religious contexts and private gatherings Koskoff details the musical sounds and structures that symbolize Lubavitcher social relations In particular she examines the differences between Lubavitcher women s and men s music making and the underlying beliefs and assumptions that give rise to gendered musical behaviors such as the dictum that prohibits men from hearing a woman sing

An insightful portrait of a distinctive community s musical and religious life Music in Lubavitcher Life is also a candid view of ethnographic research and of fieldwork s illusory objectivity

A Bibliography of Jewish Education in the United States Norman Drachler, 2017-12-01 Entries from thousands of publications whether in English Hebrew Yiddish and German on all aspects of Jewish education from pre school through secondary education This book contains entries from thousands of publications whether in English Hebrew Yiddish and German books research reports educational and general periodicals synagogue histories conference proceedings bibliographies and encyclopedias on all aspects of Jewish education from pre school through secondary education

Jewish History Ada Rapoport-Albert, Steven J. Zipperstein, 1988

Gender and Judaism Tamar Rudavsky, 1995-03 Demonstrates through different essays Jewish Womens movement rides the fine line between tradition and transformation

The Jewish Woman in Contemporary Society Adrienne Baker, 1993-10 Reflects on and Listens to Jewish Women in The U S and Great Britain in all their different contexts religious and worldly and asks what does it mean to be a Jewish woman today
