Sir Joshua Reynolds A Complete Catalogue Of His Paintings Two Volumes:

Sir Joshua Reynolds: Plates David Mannings, Sir Joshua Reynolds, 2000 **The Self-Portrait: A Cultural History** James Hall, 2016-02-16 Hall provides a lively cultural interpretation of the genre from the Middle Ages to today Rather than provide a series of greatest hits he is more concerned with the reasons why artists create self portraits The Weekly Standard The self portrait may be the visual genre most identified with our confessional era but modern artists are far from the first to have explored its power and potential In this broad cultural survey of the genre art historian and critic James Hall brilliantly maps the history of self portraiture from the earliest myths of Narcissus and the Christian tradition of bearing witness to the prolific self image making of today s contemporary artists Hall s intelligent and vivid account shows how artists depictions of themselves have been part of a continuing tradition that reaches back centuries Along the way he reveals the importance of the medieval mirror craze the explosion of the genre during the Renaissance the confessional self portraits of Titian and Michelangelo the biographical role of serial self portraits by artists such as Courbet and van Gogh themes of sex and genius in works by Munch Bonnard and Modersohn Becker and the latest developments of the genre in the era of globalization Comprehensive and beautifully illustrated the book features the work of a wide range of artists including Alberti Caravaggio D rer Emin Gauguin Giotto Goya Kahlo Koons Magritte Mantegna Picasso Raphael Rembrandt and Warhol A Descriptive Catalogue of the Books Forming the Library of Clarence H. Clark ... Clarence Howard Clark, 1888 **Edmund Burke, Volume II** F. P. Lock, 1998 This volume explores the years from 1784 to 1797 and covers the most interesting years of Burke s life the leading themes being India and the French Revolution Burke was a key figure in shaping long term British attitudes to both Physicians and their Images Ludmilla Jordanova, 2018-02-22 The Royal College of Physicians celebrates its 500th anniversary in 2018 and to observe this landmark is publishing this series of ten books Each of the books focuses on fifty themed elements that have contributed to making the RCP what it is today together adding up to 500 reflections on 500 years Some of the people ideas objects and manuscripts featured are directly connected to the College while others have had an influence that can still be felt in its work This the eighth book in the series looks at the art and portraits of the Royal College The First Proofs of the Universal Catalogue of Books on Art: L-Z John Hungerford Pollen (S.J.), 1870 *Saturday Review of Politics, Literature, Science and Art* ,1912 **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1905 **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1905 **The Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1905 **The Publisher** ,1905

British Paintings in the Metropolitan Museum of Art, 1575-1875 Metropolitan Museum of Art (New York, N.Y.), Katharine Baetjer, 2009 Covering the period between the late 16th century through to the third quarter of the 19th century this book features paintings by English Scottish Welsh and Irish artists which are part of the collection of the Metropolitan Museum of Art *Athenaeum and Literary Chronicle* James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry

Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1832 First Proofs of the Universal Catalogue of Books on Art National Art Library (Great Britain), Great Britain. Department of Science and Art, 1870 *The Saturday Review of Politics, Literature, Science and Art* ,1859 **The Georgian London Town House** Kate Retford, Susanna Avery-Quash, 2019-03-07 For every great country house of the Georgian period there was usually also a town house Chatsworth for example the home of the Devonshires has officially been recognised as one of the country's favourite national treasures but most of its visitors know little of Devonshire House which the family once owned in the capital In part this is because town houses were often leased rather than being passed down through generations as country estates were But most crucially many London town houses including Devonshire House no longer exist having been demolished in the early twentieth century This book seeks to place centre stage the hugely important yet hitherto overlooked town houses of the eighteenth and early nineteenth centuries exploring the prime position they once occupied in the lives of families and the nation as a whole It explores the owners how they furnished and used these properties and how their houses were judged by the various types of visitor who gained access

Bookseller's catalogues Upham and Beet messrs, 1853 Literature , 1900 **The Edinburgh Review** , 1865
Athenaeum , 1858
