evolutionary biology and the history of science Gould provided major insights into our understanding of the history of life He helped to reinvigorate paleontology launch macroevolution on a new course and provide a context in which the biological developmental stages of an organism s embryonic growth could be integrated into an understanding of evolution This book is a set of reflections on the many areas of Gould s intellectual life by the people who knew and understood him best former students and prominent close collaborators Mostly a critical assessment of his legacy the chapters are not technical contributions but rather offer a combination of intellectual bibliography personal memoir and reflection on Gould s diverse scientific achievements The work includes the most complete bibliography of his writings to date and offers a multi dimensional view of Gould s life work not to be found in any other volume

**Existential Health Psychology** Patrick M. Whitehead,2019-06-24 This volume critiques the increasingly reductive objectifying and technologized orientation in mainstream biomedicine Drawing on the methods of hermeneutic phenomenology and existential analysis in the work of Martin Heidegger Kurt Goldstein Medard Boss and Hans Georg Gadamer the author seeks to expose this lacuna and explore the ways in which it misrepresents or misunderstands the human condition Whitehead begins by examining the core distinction in the sociology of medicine between disease and illness and how this distinction maps onto a more fundamental distinction between the corporeal objective body and the experiential lived body Ultimately the book exposes the tendency in modern medicine to medicalize the human condition and forwards a reorientation framed by what the author terms existential health psychology

**Contemporary Perspectives on Freud's Seduction Theory and Psychotherapy** Warwick Middleton,Martin J. Dorahy,2024-10-02 This edited collection brings together the perspectives of a broad spectrum of experts who reflect on Freud s Seduction Theory psychoanalysis and the reality of child abuse through the work of Jeffrey Masson Jeffrey Masson s The Assault on Truth Freud s Suppression of the Seduction Theory 1984 is arguably the most controversial book on psychoanalysis in the last century It provoked a furore from mainstream psychoanalysis yet was well received by the emerging international trauma field and became a bestseller Four decades on a group of international scholars and professionals revisit Masson s original work and reflect on the lessons that can be taken from the saga Was the reaction of Masson s peers tied to the fact that he had accused Freud of being less than heroic or was it that he confronted psychoanalysis with a very uncomfortable truth This book examines how The Assault on Truth came to be written why it sparked such an extreme reaction and the issues Masson was grappling with Complete with an extended Foreword by John Briere a luminary of the modern trauma field this book will be essential reading for practitioners students and researchers involved in contemporary psychoanalysis psychotherapy psychology and especially trauma care women s mental health child safety and the study of memory
