catalogue of the works by Pablo Picasso in the Metropolitan Museum Comprising 34 paintings 59 drawings 12 sculptures and ceramics and more than 400 prints the collection reflects the full breadth of the artist s multi sided genius as it asserted itself over the course of his long career     The Legacy of World War II in European Arthouse Cinema Samm Deighan,2021-06-11 World War II irrevocably shaped culture and much of cinema in the 20th century thanks to its devastating global impact that changed the way we think about and portray war This book focuses on European war films made about the war between 1945 and 1985 in countries that were occupied or invaded by the Nazis such as Poland France Italy the Soviet Union and Germany itself Many of these films were banned censored or sharply criticized at the time of their release for the radical ways they reframed the war and rejected the mythologizing of war experience as a heroic battle between the forces of good and evil The particular films examined made by arthouse directors like Pier Paolo Pasolini Rainer Werner Fassbinder and Larisa Shepitko among many more deviate from mainstream cinematic depictions of the war and instead present viewpoints and experiences of WWII which are often controversial or transgressive They explore the often complicated ways that participation in war and genocide shapes national identity and the ways that we think about bodies and sexuality trauma violence power justice and personal responsibility themes that continue to resonate throughout culture and global politics

Provided by publisher **The Yale University Library Gazette** Yale University. Library, 1998 *Picasso and Gertrude Stein* Vincent Giroud, Pablo Picasso, 2006. The Portrait of Gertrude Stein was the first major work by Pablo Picasso to enter The Metropolitan Museum of Art bequeathed by Stein herself in 1946. A century after it was painted, this portrait remains one of the most powerful images of early 20th century modernism. What was to be a lifelong friendship was but a few months old in the spring of 1906 when Picasso began his portrait of Stein. He was 24 years old at the time and she was 32 and both of their careers were at a critical stage. This engaging book recounts the extraordinary circumstances that led to Stein's first posing session and argues that the portrait played a key role not only in Picasso's work as a painter but also in his subject's creative life as he became in turn the subject of several of Stein's literary portraits. World Authors 1990-1995 Clifford Thompson, 1999. Telling the Story of Translation Judith Woodsworth, 2017-08-10. Scholars have long highlighted the links between translating and re-writing, increasingly blurring the line between translations and so-called original works. Less emphasis has been placed on the work of writers who translate and the ways in which they conceptualize or even fictionalize the task of translation. This book fills that gap and thus will be of interest to scholars in linguistics, translation studies, and literary studies. Scrutinizing translation through a new lens, Judith Woodsworth reveals the sometimes problematic relations between author and translator, along with the evolution of the translator's voice and visibility. The book investigates the uses and abuses of translation at the hands of George Bernard Shaw, Gertrude Stein, and Paul Auster, prominent writers who bring into play

assorted fictions as they tell their stories of translations Each case is interesting in itself because of the new material analysed and the conclusions reached Translation is seen not only as an exercise and fruitful starting point it is also a way of paying tribute repaying a debt and cementing a friendship Taken together the case studies point the way to a teleology of translation and raise the question what is translation for Shaw Stein and Auster adopt an authorial posture that distinguishes them from other translators They stretch the boundaries of the translation proper their words spilling over into the liminal space of the text in some cases they hijack the act of translation to serve their own ends Through their tales of loss counterfeit and hard labour they cast an occasionally bleak glance at what it means to be a translator Yet they also pay homage to translation and provide fresh insights that continue to manifest themselves in current works of literature By engaging with translation as a literary act in its own right these eminent writers confer greater prestige on what has traditionally been viewed as a subservient art

*Paris on the Brink* Mary McAuliffe, 2018-09-13 Paris on the Brink vividly portrays the City of Light during the tumultuous 1930s from the Wall Street Crash of 1929 to war and German Occupation This was a dangerous and turbulent decade during which workers flexed their economic muscle and their opponents struck back with increasing violence As the divide between haves and have nots widened so did the political split between left and right with animosities exploding into brutal clashes intensified by the paramilitary leagues of the extreme right Hitler Stalin and Mussolini escalated the increasingly hazardous international environment while the civil war in Spain added to the instability of the times Yet throughout the decade Paris remained at the center of cultural creativity Major figures on the Paris scene such as Gertrude Stein Ernest Hemingway Andr Gide Marie Curie Pablo Picasso Igor Stravinsky and Coco Chanel continued to hold sway in addition to Josephine Baker Sylvia Beach James Joyce Man Ray and Le Corbusier Simone de Beauvoir and Jean Paul Sartre could now be seen at their favorite caf s while Jean Renoir Salvador Dal and Elsa Schiaparelli came to prominence along with France s first Socialist prime minister Leon Blum Despite the decade s creativity and glamour it remained a difficult and dangerous time and Parisians responded with growing nativism and anti-Semitism while relying on their Maginot Line to protect them from external harm Through rich illustrations and evocative narrative Mary McAuliffe brings this extraordinary era to life
