Steven Spielberg's America Frederick Wasser,2010-02 Steven Spielberg is known as the most powerful man in New Hollywood and a pioneer of the contemporary blockbuster America's most successful export His career began a new chapter in mass culture At the same time American post war liberalism was breaking down This fascinating new book explains the complex relationship between film and politics through the prism of an iconic filmmaker Spielberg's early films were a triumphant emergence of the Sunbelt aesthetic that valued visceral kicks and basic emotions over the ambiguities of history Such blockbusters have inspired much debate about their negative effect on politics and have been charged as being an expression of the corporatization of life Here Frederick Wasser argues that the older Spielberg has not fully gone this way suggesting that the filmmaker recycles the populist vision of older Hollywood because he sincerely believes in both big time moviemaking and liberal democracy Nonetheless his stories are burdened by his generation's hostility to public life and the book shows how he uses filmmaking tricks to keep his audience with him and to smooth over the ideological contradictions His audiences have become more global as his films engage history This fresh and provocative take on Spielberg in the context of globalization rampant market capitalism and the hardening socio political landscape of the United States will be fascinating reading for students of film and for anyone interested in contemporary America and its culture **Steven Spielberg** John Baxter,1996 Steven Spielberg is one of the screen's greatest enchanters with a spellbinding capacity and a box office record matched by very few In this first full biography of Spielberg the author of The Hollywood Exiles and The

Cinema of John Ford examines how this movie brat from an unhappy and rootless adolescence became one of the most formidable players on the global entertainment scene of photos **The Films of Steven Spielberg** Michael

Jolls,2018-03-03 Director Steven Spielberg is more of an auteur than recognized as The Films of Steven Spielberg examines the maturation of a filmmaker through movies that reflecting the director s own life his fascinations and obsessions Spielberg s upbringing and foray into the 1970s Hollywood business structure show us the origin of themes that are constantly present in Spielberg s films such as fatherhood World War II and his collaboration with composer John Williams Although mainstream cinema has become dominated by franchises Spielberg has proven to be routinely ahead of his time in the post 9 11 era

Steven Spielberg Joseph McBride,2011-01-04 Until the first edition of Steven Spielberg A Biography was published in 1997 much about Spielberg s personality and the forces that shaped it had remained enigmatic in large part because of his tendency to obscure and mythologize his own past But in this first full scale in depth biography of Spielberg Joseph McBride reveals hidden dimensions of the filmmaker s personality and shows how deeply personal even his most commercial work has been This new edition adds four chapters to Spielberg s life story chronicling his extraordinarily active and creative period from 1997 to the present a period in which he has balanced his executive duties as one of the partners in the film studio DreamWorks SKG with a remarkable string of films as a director Spielberg s ambitious recent work including Amistad Saving Private Ryan A I Artificial Intelligence Minority Report The Terminal and Munich has continually expanded his range both stylistically and in terms of adventurous often controversial subject matter Steven Spielberg A Biography brought about a reevaluation of the great filmmaker s life and work by those who viewed him as merely a facile entertainer This new edition guides readers through the mature artistry of Spielberg s later period in which he manages against considerable odds to run a successful studio while maintaining and enlarging his high artistic standards as one of America s most thoughtful sophisticated and popular filmmakers Steven Spielberg Wil Mara,2014-08-01 Prolific director writer and producer of

such films as Saving Private Ryan E T The Extraterrestrial Jurassic Park and others *Steven Spielberg Life Story* Justin K Roborth,2023-04-20 In this book JUSTIN K ROBORTH provides an interesting and compelling life story of Steven Spielberg Hollywood s most well known director and one of the wealthiest movie producers in the world Steven Spielberg is one of the most significant figures in the history of film Since introducing the summer blockbuster with Jaws 1975 he has an extraordinary amount of commercially successful and critically acclaimed credits to his name as a director producer or writer and he has contributed more than anyone else to defining popular filmmaking since the mid 1970s After reading This Steven Spielberg life story those who had before regarded the talented director as little more than a facile entertainer had their perceptions of his life and work altered This updated edition takes readers on a journey through Spielberg s later years as a mature artist when he overcame significant challenges to operate a successful business while maintaining and raising his high standards as one of America s most educated intellectual and well liked filmmakers He is recognized for his ability to

work quickly and come up with ideas during filming the clearest illustration of this would be when Spielberg came up with angles and shot ideas on the spot for Saving Private Ryan because the movie was mainly storyboarded. He may have started doing this because of the agonizingly drawn out notoriously challenging technical production of Jaws which was the source of his practice. The life of the man who at last transformed the movie business is described in this Steven Spielberg life story.

Steven Spielberg Molly Haskell, 2017-01-03. A film-centric portrait of the extraordinarily gifted movie director whose decades-long influence on American popular culture is unprecedented. Everything about me is in my films, Steven Spielberg has said. Taking this as a key to understanding the hugely successful moviemaker, Molly Haskell explores the full range of Spielberg's works, for the light they shine upon the man himself. Through such powerhouse hits as *Close Encounters of the Third Kind*, *E.T. the Extra-Terrestrial*, *Jurassic Park*, and *Indiana Jones*, to lesser-known masterworks like *A.I. Artificial Intelligence* and *Empire of the Sun*, to the haunting *Schindler's List*, Haskell shows how Spielberg's uniquely evocative filmmaking and story-telling reveal the many ways in which his life, work, and times are entwined. Organizing chapters around specific films, the distinguished critic discusses how Spielberg's childhood in non-Jewish suburbs, his parents' traumatic divorce, his return to Judaism upon his son's birth, and other events echo in his work. She offers a brilliant portrait of the extraordinary director: a fearful boy living through his imagination who grew into a man whose openness, generosity of spirit, and creativity have enchanted audiences for more than 40 years.

Steven Spielberg Steven Spielberg, 2000. Spanning 25 years of Spielberg's career, this book explores the issues, themes, and financial considerations surrounding his works.
