Maria Lorca-Susino

State Formation In Palestine Viability And Governance During A Social Transformation:

State Formation in Palestine Inge Amundsen, George Giacaman, Mushtaq Husain Khan, 2004-07-08 This book examines key questions and challenges the widely prevalent view that the Palestinian Authority collapsed because of its internal governance failures its lack of commitment to democracy and corruption It argues that the analytical framework of good governance is not appropriate for assessing state performance in developing countries and that it is especially inappropriate in conflict and post conflict situations Instead an alternative framework is proposed for assessing state performance in a context of economic and social transformation This is then applied in detail to different aspects of state formation in Palestine showing that the institutional architecture set up by the Oslo agreements was responsible for many of the serious failures

Deconstructing the Dynamics of World-Societal Order Jan Busse, 2017-11-23 To get a better sense of power dynamics in global politics this book presents an innovative theoretical framework combining a critical engagement with and further development of Michel Foucault's governmentality on the one hand and the theory of world society of the Stanford School of Sociology on the other Making an original contribution to academic debates about power and global political order this book develops a comprehensive theoretical perspective on power relations and political dynamics The book starts from the presupposition that any theoretical engagement of that kind requires nuanced empirical study as well It therefore analyzes the dynamics of world societal order in the concrete empirical example of Palestine and raises the question of how its political and societal order comes into existence The author argues that governmentality represents a fundamental pattern of political order in world society that also profoundly affects power dynamics in Palestine This insight has two important implications First power relations do not follow dichotomous distinctions such as international domestic or global local but manifest themselves within world society Second therefore order that comes into existence in Palestine needs to be understood as world societal order Offering a comprehensive understanding of power relations and patterns of political order embedded in world society the book provides a deeper understanding of the complex dynamics that contribute to the political and societal order of Palestine This book will be of interest to scholars and students of Middle East Studies Palestine Studies International Relations International Political Sociology International Relations Theory Governmentality Studies and Political Theory

Palestine Ltd. Toufic Haddad, 2016-07-28 Since the 1993 Oslo Accords the Occupied Palestinian Territory has been the subject of extensive international peacebuilding and statebuilding efforts coordinated by Western donor states and international finance institutions Despite their failure to yield peace or Palestinian statehood the role of these organisations in the Israeli Palestinian conflict is generally overlooked owing to their depiction as tertiary actors engaged in technical missions

Routledge Handbook of International Statebuilding David Chandler, Timothy D. Sisk, 2013-09-02 This new Handbook offers a combination of theoretical thematic and empirical analyses of the statebuilding regime written by leading international scholars Over the past decade international statebuilding has become one of the most important and

least understood areas of international policy making Today there are around one billion people living in some 50 60 conflict affected fragile states vulnerable to political violence and civil war The international community grapples with the core challenges and dilemmas of using outside force aid and persuasion to build states in the wake of conflict and to prevent such countries from lapsing into devastating violence The Routledge Handbook of International Statebuilding is a comprehensive resource for this emerging area in International Relations The volume is designed to guide the reader through the background and development of international statebuilding as a policy area as well as exploring in depth significant issues such as security development democracy and human rights Divided into three main parts this Handbook provides a single source overview of the key topics in international statebuilding Part One Concepts and Approaches Part Two Security Development and Democracy Part Three Policy Implementation This Handbook will be essential reading for students of statebuilding humanitarian intervention peacebuilding development war and conflict studies and IR Security Studies in general

The Political Economy of Aid in Palestine Sahar Taghdisi-Rad, 2010-10-04 This book examines the nature of donor operations in Palestine and questions the viability of aid as an instrument of economic development in conflict zones It highlights the political and ideological determinants of aid allocation and effectiveness arguing that aid to Palestine cannot bring about significant improvement as long as the Palestinian economy is fundamentally affected by Israeli occupation settlement and blockade

The Impossibility of Palestine Mehran Kamrava, 2016-04-26 The two state solution is the official policy of Israel the United States the United Nations and the Palestinian Authority alike However international relations scholar Mehran Kamrava argues that Israel's state building process has never risen above the level of municipal governance and its goal has never been Palestinian independence He explains that a coherent Palestinian state has already been rendered an impossibility and to move forward Palestine must redefine its present predicament and future aspirations Based on detailed fieldwork exhaustive scholarship and an in depth examination of historical sources this controversial work will be widely read and debated by all sides

The Struggle for Influence in the Middle East Federica Bicchì, Benoit Challand, Steven Heydermann, 2018-02-02 This collection of research papers explores the impact of the Arab uprisings on the politics and political economy of foreign aid provision in the MENA region Contributions focus on the foreign assistance policies and strategies of key donors United States Europe Gulf countries and Turkey and on the relationship between donors and recipients of foreign aid in a select set of MENA cases Tunisia Egypt Palestine and to a lesser extent Morocco Despite widespread rhetoric among lead donors pledging to support the transformational potential of the Arab uprisings the contributions find a more complex pattern in foreign aid provision since 2011 Among Arab donors who have played a significant role as providers of aid to states most affected by mass protests trends in foreign assistance reflect the competing priorities of donors and their willingness to politicize aid provision in pursuit of their strategic interests Among Western donors authors find a high degree of continuity Chapters that focus on Western donors seek to account for continuity on the

part of Western governments and the EU at a moment of profound transformational potential Two factors bureaucratization and securitization capture most of the explanations provided which take into account a variety of local dimensions as well Contributions also discuss the changing assistance environment namely the globalization of foreign assistance the complex bureaucratic arrangements presiding over the delivery of European and US aid and the role of regional and international non democracies in the provision of foreign assistance This book was published as a special issue of Mediterranean Politics

The European Union and Occupied Palestinian Territories Dimitris Bouris, 2014-02-03 This book analyses the present European Union EU approach to state building both in policy and operation It offers a review of the literature on peace building EU state building and conflict resolution before examining in detail the EU s role as a state builder in the case of the Occupied Palestinian Territories following the 1993 Oslo Accords Drawing on extensive fieldwork and over 140 interviews carried out in Brussels London Jerusalem and Ramallah with EU Palestinian and Israeli officials as well as academics members of NGOs and civil society the author evaluates the present approach of state building and offers a framework to test the effectiveness of the EU as a state builder Examining security sector reform judiciary sector reform and the rule of law the book brings the voices from the field to the forefront and measures the contribution of the EU to state building against a backdrop of on going conflict and a polarised social setting This book will be of interest to students and scholars of international relations EU politics Middle Eastern politics conflict resolution and state building

The Iron Cage Rashid Khalidi, 2024-01-18 A brilliant and sobering critique of the Palestinian failure to achieve statehood by a major Palestinian historian and political commentator At a time when a lasting peace between Palestinians and Israelis seems virtually unattainable understanding the roots of the longest running conflict in the Middle East is an essential step in restoring hope to the region In The Iron Cage Rashid Khalidi one of the most respected historians and political observers of the Middle East examines the Palestinian s struggle for statehood presenting a succinct and insightful history of the people and their leadership throughout the twentieth century Ranging from the Palestinian struggle against colonial rule and the establishment of the State of Israel through the eras of the PLO the Palestinian Authority and Hamas this is an unflinching and sobering critique of the Palestinian failure to achieve statehood as well as a balanced account of the odds ranged against them Lucid yet challenging Rashid Khalidi s engrossing narrative of this tortuous history is required reading for anyone concerned about peace in the Middle East

Routledge Handbook on the Israeli-Palestinian Conflict Joel Peters, David Newman, 2013-03-05 The Israeli Palestinian conflict is one of the most prominent issues in world politics today Few other issues have dominated the world s headlines and have attracted such attention from policy makers the academic community political analysts and the world s media The Routledge Handbook on the Israeli Palestinian Conflict offers a comprehensive and accessible overview of the most contentious and protracted political issue in the Middle East Bringing together a range of top experts from Israel Palestine Europe and North America the Handbook tackles a range of topics including The

historical background to the conflict peace efforts domestic politics critical issues such as displacement Jerusalem and settler movements the role of outside players such as the Arab states the US and the EU This Handbook provides the reader with an understanding of the complexity of the issues that need to be addressed in order to resolve the conflict and a detailed examination of the varied interests of the actors involved In depth analysis of the conflict is supplemented by a chronology of the conflict key documents and a range of maps The contributors are all leading authorities in their field and have published extensively on the Israeli Palestinian conflict peace process Many have played a leading role in various Track II initiatives accompanying the peace process

The European Union Decoded Maria Lorca-Susino, 2016 The European Union EU and the Eurozone became the economic integration example to follow for years However the worldwide economic crisis that unfolded in 2007 put the whole economic integration process in question the European project in jeopardy and the euro under pressure with serious doubts that it can survive its first crisis The core argument of this book is twofold First it seeks to explain the difficult political economic and fiscal idiosyncrasies of all member states in order to put the reasons for the economic crisis into a new and clear perspective Second it argues that the institutional response put forward to explain this tremendous crisis is flawed and dangerous because it does not solve the main underlying problem the deep differences among member states on their understanding of economic and financial behavior This study counters the leading institutional explanation for the economic crisis that has impacted the entire EU It presents a unique and provocative explanation of why the EU and the Eurozone are still immersed in an economic crisis and will be of key interest to students and scholars of European Politics and Economics

Popular Protest in the New Middle East Are Knudsen, Basem Ezbi, 2014-09-05 In the wake of the protests that spread throughout the Middle East and North Africa in late 2010 and early 2011 Islamist movements of varying political persuasions have risen to prominence This is especially the case in post Mubarak Egypt and post Ben Ali Tunisia Popular Protest in the New Middle East examines Islamist approaches to political participation and integration and asks whether regional trends can be discerned with respect to either the strategy of disparate movements or the challenges they face It offers analysis of the ideologies and actions of these movements ranging from countries where Islamism is in control of the state as an Islamic theocracy Iran the ruling party for example Turkey part of the ruling coalition Lebanon or a parliamentary minority such as in Jordan or Yemen Are Knudsen and Basem Ezbi s analysis of the various experiences of protest participation and integration make this book vital for researchers of the impact of religion on politics and indeed vice versa

"Fragile Stability" as a Political Background of October 7 Aiko Nishikida, Chie Ezaki, Toshiya Tsujita, 2025-04-15 This edited book aims to offer a comprehensive analysis of the preceding and ongoing development of the Israel Gaza war using a multidisciplinary approach The chapters written by scholars of the Middle Eastern studies political science anthropology and international law investigate the root causes of the eruption of the war taking a viewpoint from within Hamas s attack on Israel on October 7 2023 caused deep shockwaves throughout the world

While the developments seemed unprecedented the question remains whether it was an unpredictable total surprise Given the context surrounding Palestine and Israel it is likely that there were inherent elements in the preceding political environment that led to the current humanitarian disaster and quagmire of the battle The assumption is that the existence of fragile stability might have caused the October 7 attack What kind of fragility and robustness of the framework existed in the political social legal and international conditions How did these conditions affect the conduct of the actors in this region ultimately leading to the current situation What challenges are likely to emerge in this region in the near future This book addresses these questions from various perspectives For the best clarification of the questions authors include experts in American studies who discuss the diplomatic intervention of the United States a former judge of the International Criminal Court who explores the role of international law in the conflict and a legal advisor to the Oslo Peace Process who provides understanding the deep roots of the conflict The analysis of this volume will provide an in depth understanding of the background of the October 7 attack and contributes to the theoretical development of the concept of fragile stability which can be applied to examine other cases of conflict Fragile Stability provides a compelling and in depth historical account of the background that proceeded Hamas assault on October 7 2023 and how it led to an unprecedented upsurge of violence in Gaza one of the darkest moments in human history A must read for those who wish not only to understand the Palestinian Israeli conflict but also to envision ways of resolving it Sari Hanafi Professor American University of Beirut Lebanon This topical edited volume includes a very important collection of essays addressing the political background and general context that led to the catastrophic Israel Hamas War of 2023 2025 providing clues to make sense of the Hamas assault of October 7 2023 followed by the Israeli military reaction in the Gaza Strip and the spread of the war in the region Its unique contribution stems from different levels of analysis several chapters refer to the domestic political landscapes in both Israel and Palestine examining the numerous cleavages among and within both societies In addition the scope of the analysis broadens by referring also to international law and other relevant international actors including the United States and Iran Arie M Kacowicz Professor Hebrew University of Jerusalem Israel This volume showcases the critical insights and scholarship of Japanese scholars of the Middle East about the causes and consequences of the October 7 Hamas attack on Israel and the war which followed With close studies of both Palestinian and Israeli politics Fragile Stability makes a compelling case for an analytical framework which helps make sense of both dramatic changes and remarkable continuities in the conflict Marc Lynch Professor The George Washington University Washington DC USA

Routledge Handbook of Peacebuilding

Roger Mac Ginty, 2013-02-15 This new Routledge Handbook offers a comprehensive state of the art overview of the meanings and uses of the term peacebuilding and presents cutting edge debates on the practices conducted in the name of peacebuilding The term peacebuilding has had remarkable staying power Other terms such as conflict resolution have waned in popularity while the acceptance and use of the term peacebuilding has grown to the extent that it is the hegemonic and

over arching term for many forms of mediation reconciliation and strategies to induce peace Despite this however it is rarely defined and often used to mean different things to different audiences Routledge Handbook of Peacebuilding aims to be a one stop comprehensive resource on the literature and practices of contemporary peacebuilding The book is organised into six key sections Section 1 Reading peacebuilding Section 2 Approaches and cross cutting themes Section 3 Disciplinary approaches to peacebuilding Section 4 Violence and security Section 5 Everyday living and peacebuilding Section 6 The infrastructure of peacebuilding This new Handbook will be essential reading for students of peacebuilding mediation and post conflict reconstruction and of great interest to students of statebuilding intervention civil wars conflict resolution war and conflict studies and IR in general

International Law and the Israeli-Palestinian Conflict Susan M. Akram, Michael Dumper, Michael Lynk, Iain Scobbie, 2010-12-23 Placing a rights based approach to the Israeli Palestinian conflict at the centre of discussions over its peaceful resolution this book provides detailed consideration of international law and its application to political issues Contributions from leading scholars in their respective fields give an in depth analysis of key issues ranging from security through legal and political frameworks to refugees and Jerusalem

Dilemmas of Attachment Bård Kårtveit, 2014-09-04 This book offers an ethnographic account of contemporary Christian Palestinian lives in the Occupied Palestinian Territories Through individual life stories Bård Kårtveit shows how Christians in the District of Bethlehem strive to live meaningful lives Lives which are shaped by Christian Muslim relations within the national community the impact of Israeli presence in the Palestinian Territories migration and homeland diaspora relationships and which are heavily influenced by changes in their local community and traditional family structures By situating these stories in the changing political contexts of Palestine from late Ottoman to Israeli Palestinian Authority rule the author engages with these general processes of patriarchal resistance to social change the role of minorities in nation building processes the impact of Western interventions in the region the rise of political Islam and the impact of emigration in the Arab World

The Beginning of Politics Kirsi Pauliina Kallio, Jouni Hakli, 2016-02-05 The conventional wisdom according to which children's lives should be safe from adult concerns tends to situate them categorically outside the political Thus understood children become political agents when they reach maturity and eligibility to formal participation Alternatively political skills and competences may be seen to develop gradually through political socialization Both views are challenged in recent scholarship on youthful politics beyond the formal adult centered political world This book considers politics as it appears and unfolds in children and young people's everyday lives The collection problematizes several key concepts in the research field and introduces a relational reading of youthful political agency based on social spatial and political theorization The chapters engage with youthful realities in Sri Lanka Palestine Sweden New Zealand the US and the UK revealing a variety of ways in which children and youth are important political actors in their own right The book also includes an extensive literary review on the study of children and young people's politics in the past decade This book was originally published as a special

issue of Space and Polity **Palestinian Civil Society** Benoit Challand,2008-12-02 Palestinian Civil Society examines the development of civil society in the Arab Middle East and the impact of western donors with particular reference to the Palestinian case Looking at the evolution of Palestinian civil society organizations from sociological historical legal and institutional perspectives the book sheds light on the involvement of donors in Palestine and the effect that aid has had on Palestinian civil society at a social political and ideological level Drawing on Arabic texts political theory and a detailed survey of donors and local organizations this book challenges culturalist views that there cannot be a vibrant civil society in the Arab world and examines the issues of depoliticization of civil society the rise of the Islamist sector and the gradual defeat of the left in the Occupied Territories The author looks at how the interaction between donors and NGOs is not only centred on a western model of civil society but also evolves around institutional mechanisms and disciplinary discourses affecting the ability of local NGOs to adapt to the institutional requirements set by international donors Accessible to non specialists this book will be of interest to students and scholars of sociology Middle Eastern studies and development studies

Encyclopedia of the Developing World Thomas M. Leonard,2013-10-18 A RUSA 2007 Outstanding Reference Title The Encyclopedia of the Developing World is a comprehensive work on the historical and current status of developing countries Containing more than 750 entries the Encyclopedia encompasses primarily the years since 1945 and defines development broadly addressing not only economics but also civil society and social progress Entries cover the most important theories and measurements of development relate historical events movements and concepts to development both internationally and regionally where applicable examine the contributions of the most important persons and organizations and detail the progress made within geographic regions and by individual countries **The Palestinian Constitutional Court** Osayd Awawda,2022-02-06 This book assesses the legal and practical independence of the Palestinian Constitutional Court since the coup in July 2007 that brought the Fatah regime to power in the West Bank It argues that the Court has failed to perform its fundamental function namely upholding the Basic Law in the face of authoritarian actions by that regime and that it is highly unlikely to resolve this problem while the state of emergency continues This book offers a case study on how constitutional courts in authoritarian regimes fail to fulfil and even obstruct the promises of rights protections contained in constitutional texts Moreover it provides the first English language study that covers the entire collection of judgments and interpretations issued by that Court until the first amendment of its law in October 2017 and thus can be considered one of the most authoritative studies on a court in an authoritarian Arab regime

Whispering the Secrets of Language: An Mental Quest through **State Formation In Palestine Viability And Governance During A Social Transformation**

In a digitally-driven earth where screens reign great and quick transmission drowns out the subtleties of language, the profound strategies and mental nuances concealed within phrases often go unheard. State Formation In Palestine Viability And Governance During A Social Transformation Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading State Formation In Palestine Viability And Governance During A Social

Transformation free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading State Formation In Palestine Viability And Governance During A Social Transformation free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading State Formation In Palestine Viability And Governance During A Social Transformation free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading State Formation In Palestine Viability And Governance During A Social Transformation. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading State Formation In Palestine Viability And Governance During A Social Transformation any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About State Formation In Palestine Viability And Governance During A Social Transformation Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including

classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. State Formation In Palestine Viability And Governance During A Social Transformation is one of the best book in our library for free trial. We provide copy of State Formation In Palestine Viability And Governance During A Social Transformation in digital format, so the resources that you find are reliable. There are also many Ebooks of related with State Formation In Palestine Viability And Governance During A Social Transformation. Where to download State Formation In Palestine Viability And Governance During A Social Transformation online for free? Are you looking for State Formation In Palestine Viability And Governance During A Social Transformation PDF? This is definitely going to save you time and cash in something you should think about.
