Lewis,2019-11-06 Back in the 1960 s tracing your Family Tree was just becoming an interesting hobby Now like a lazy little babbling stream merrily following the course of time that stream has metamorphosed into a huge directed waterfall and on to an almost out of control flood of family information Between tracing records having DNA tested and the ever increasing boundaries the Internet is providing connecting with family one never even realized existed forty years ago has become an absorbing interesting avocation for everybody from school children to Seniors Our family alone has over 14 000 leaves growing on one tree or another in such diverse places as England Wales Scandinavian Countries Finland USA and Canada All of us looking to be connected to one another One never knows where or when that connection may happen It s just not the data that s important Was that first traveller a thoughtful directed man who only wanted a better life for himself and his family Was he a rogue looking for a fast way out of town to places he would never be found Did he leave because he was in trouble with the local constabulary or was he looking for religious freedom What about the women Why did they come What were their thoughts What was in it for them When you find the stories they are fascinating Our thirst for knowledge of these people is insatiable Whether or not you are a leaf on one of our orchard of trees you may find a graft that will lead you to another branch where another leaf has been joined to one of our own Come Learn about us Learn about yourself **Genghis Khan and the Making of the Modern World** Jack Weatherford,2005-03-22 NEW YORK TIMES BESTSELLER The startling true history of how one extraordinary man from a remote corner of the world created an empire that led the world into the modern age by the author featured in Echoes of the Empire Beyond Genghis Khan The Mongol army led by Genghis Khan subjugated more lands and people in twenty five years than the Romans did in four hundred In nearly every country the Mongols conquered they brought an unprecedented rise in cultural communication expanded trade and a blossoming of civilization Vastly more progressive than his European or Asian counterparts Genghis Khan abolished torture granted universal religious freedom and smashed feudal systems of aristocratic privilege From the story of his rise through the tribal culture to the explosion of civilization that the Mongol Empire unleashed this brilliant work of revisionist history is nothing less than the epic story of how the modern world was made *Lonely Planet Western Europe* Lonely
