Summers On The Saranacs:

Summers on the Saranacs Maitland C. De Sormo, 1980 **Woods and Waters, Or, Summer in the Saranacs** Alfred Billings Street, 1865 **Resort Hotels of the Adirondacks** Bryant Franklin Tolles, 2003 An architectural study of the large Adirondack hotels that focuses on the cultural history of travel and tourism *The Extraordinary Adirondack Journey of Clarence Petty* Christopher Angus, 2015-02-25 Author and naturalist Christopher Angus profiles for the first time the adventurous life of Clarence Petty one of the great pioneer conservationists of the Adirondack Mountain region of New York State Raised in the heart of the Adirondack wilderness between Tupper and Saranac Lakes Petty overcame his humble beginnings and pursued a variety of careers as wilderness guide forester Civilian Conservation Corps camp director World War II pilot district ranger and aerial forest fire fighter ultimately leaving his indelible mark as a lifelong advocate for the protection of the wilderness The story of Petty's life reads like a Horatio Alger novel His father moved to the mountains in the 1880s to work as a guide His mother was a cook for one of the popular sportsmen's hotels in the area Young Clarence and his brothers enjoyed the kind of childhood freedom and independence that today's youngsters can only dream about Their father's sense of self reliance and their mother's drive to educate her sons led all three to attend college Clarence followed a path of service to the American landscape His influence on state policy regarding the Adirondack Park and especially its millions of acres of wilderness has been profound His life story provides a window into the politics of conservation in the Adirondack region from the early days of the twentieth century to the present **A Paradise For Boys and Girls** Hallie E. Bond, Joan Jacobs Brumberg, Leslie Paris, 2006-06-30 For over a century children have spent their summers at sleepaway camps in the Adirondacks These camps inspired vivid memories and created an enduring legacy that has come to be a uniquely American tradition In *A Paradise for Boys and Girls* Children's Camps in the Adirondacks a complement to the Adirondack museum exhibit of the same name the authors explore the history of Adirondack children's camps their influence on the lives of the campers and their impact on the communities in which they exist Drawing on the rich documentary and pictorial evidence gathered from the histories of 331 camps located in the Adirondacks from 1886 to the present this collection chronicles the changing attitudes about children and childhood Historian Leslie Paris details social change in *Pink Music Continuity and Change at Early Adirondack Summer Camps* In the title essay of the book Hallie Bond offers a history of Adirondack camping from the establishment of Camp Dudley on Lake Champlain in 1892 to the present Finally historian Joan Jacobs Brumberg concludes the collection with *A Wiser and Safer Place The Meaning of Camping During World War II* Lavishly illustrated with historic photographs the book includes a directory of Adirondack camps with brief descriptive notes for each of the camps The photographs and essays in this volume offer readers a richer understanding of this singular region and its powerful connection to childhood **A Grand Complication** Stacy Perman, 2013-02-19 The race between two ambitious complicated men in the early 1900s to create the most extravagant complicated timepiece ever **Adirondack Photographers,**

1850-1950 Sally E. Svenson, 2023-05-15 Just as the new technology of photography was emerging throughout the United States in the mid nineteenth century it caught hold in the scenic Adirondack region of upstate New York Young men and a few women began to experiment with cameras as a way to earn their livings with local portrait work From photographing individuals some expanded their subject matter to include families and groups homes streetscapes landmarks workplaces and important events from town celebrations to presidential visits train wrecks floods and fires These photographers from within and just beyond the park's borders as well as those based in the urban areas from which tourists came to the Adirondacks have been central in defining the region Adirondack Photographers 1850 1950 is a comprehensive look at the first one hundred years of photography through the lives of those who captured this unique rural region of New York State Svenson's fascinating biographical dictionary of more than two hundred photographers is enriched with over seventy illustrations While the popularity of some of these photographers is reflected in the number of their images held in the collections of the Library of Congress the New York Public Library and the Getty Museum little is known about the diverse backgrounds of the individuals behind their work A compilation of captivating stories Adirondack Photographers provides a vivid intimate account of the evolution of photography as well as an unusual perspective on Adirondack history

History Between the Lines Caperton Tissot, 2007 *Woods and Waters, Or, The Saranacs and Racquet* Alfred Billings Street, 1860 **A Summer Paradise**, 1909 **A Summer Paradise** Delaware and Hudson Company, 1905 **Appleton's Illustrated Hand-book of American Summer Resorts**, 1893 *Summer Excursion Book* Pennsylvania Railroad, 1894 **Official Book of Summer Excursion Routes** Philadelphia & Reading Railroad Co, 1892 **Appletons' Illustrated Hand-book of American Summer Resorts**, 1896 **Summer Excursion Routes** Philadelphia & Reading Railroad Co, 1891 **Library of Congress Catalogs** Library of Congress, 1981 *The Story of Saranac* Henry Warren Raymond, 1909 **An Adirondack Passage** Christine Jerome, 2015-02-25 A paddling classic back in print with new maps photos details and afterword Christine Jerome walked into the Adirondack Museum in Blue Mountain Lake NY and promptly fell in love with a 9 foot 10 pound canoe named the Sairy Gamp More than a century before in 1883 the Sairy Gamp had been paddled and portaged through the Adirondacks by a sixty one year old writer named George Washington Sears his pen name was Nessmuk The more Jerome learned about Sears the more she wanted to follow his route despite her lack of camping or canoeing experience In August 1990 she embarked in a 9 foot canoe made of Kevlar and with her husband John accompanying her in a slightly larger boat set off to retrace Sears's journey An Adirondack Passage is part social history part natural history part biography of Sears and part chronicle of a voyage Summer turns to fall while the Jeromes make their way north through sunshine and storms down cottage lined lakes and lonely wild streams Gusting winds bully their light canoes and by mid September the days are colder and shorter but the longer they paddle the more attached they become to the beauty around them Canada geese fly overhead monarch butterflies flutter southward and on the larger lakes young loons

gather for their first migration to the sea Along the way the author pauses to tell us what Sears saw when he passed by and what happened to his favorite haunts in the ensuing century As the history of the region unfolds we meet hermits and millionaires hunting guides and society women hotelkeepers and dime novel writers and one lost dancing bear Christine Jerome has given us a memorable wilderness experience that readers who have never lifted a paddle will find fascinating and invigorating This new release from Breakaway Books is the third edition revised and updated with extra photos maps and a new afterword PRAISE FOR AN ADIRONDACK PASSAGE A fine piece of work and a great delight John McPhee An enchanting record of a canoe trip The New Yorker A writer of fine and watertight prose An Adirondack Passage is uncategorizable at once history naturalism sociology and a love story but unfailingly graceful Boston Globe Personal witty and thoughtful one of the best introductions to the area ever produced Audubon As refreshing a break from the busyness of life as I've come across in awhile Newsday The writing is a constant pleasure Jerome has a style that suits her subject quiet and gentle as a paddle in still water She delivers her lore with wit and whimsy with fine descriptions and without shrill preaching or righteous posturing Smithsonian The closest thing to a national nonfiction best seller that the region has seen in ages and deservedly so Adirondack Life A captivating account She takes us into a world of hermits and millionaires of wild streams and glorious mountain scenery Publishers Weekly A delightful tale An informative readable adventure whose history and environmental lessons are taught well Library Journal *Cook's American summer tours* Thomas Cook, 1891

Embracing the Melody of Appearance: An Mental Symphony within **Summers On The Saranacs**

In a global eaten by monitors and the ceaseless chatter of fast interaction, the melodic elegance and psychological symphony produced by the written term usually diminish in to the backdrop, eclipsed by the persistent sound and distractions that permeate our lives. However, set within the pages of **Summers On The Saranacs** a stunning fictional prize brimming with natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that interesting masterpiece conducts visitors on an emotional journey, skillfully unraveling the concealed tunes and profound affect resonating within each carefully constructed phrase. Within the depths of this touching review, we can discover the book is central harmonies, analyze its enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
