Sun And Steel:

Sun and Steel Yukio Mishima,1990-11 Part autobiography and part reflections on his personal search for identity Sun and Steel provides a fascinating insight into the complex mind of this spectacularly gifted author In it Mishima traces his tortuous path from a sensitive introverted childhood to creative maturity as acclaimed novelist playwright and self proclaimed conscience of postwar Japan A powerful work of art in itself Sun and Steel also provides a key to understanding his other works *Sun and Steel* ,1970 **Sun & Steel** Yukio Mishima,1980 A meditation on why a modern Japanese writer rejected the veracity of the word for the spiritual discipline of physical action culminating in the gesture at the Self Defense Force Headquarters in November 1970 Phallic Critiques (Routledge Revivals) Peter Schwenger,2014-10-14 Phallic Critiques first published in 1984 is a study of masculine styles of writing in the twentieth century an age according to Virginia Woolf when virility has become self conscious Writers who carry macho values to their extreme often subscribe to the popular feeling that writing is an effeminate activity for a real man to be engaged in Consequently they attempt to forge masculine style of writing in an effort to redeem language from its sexually suspect nature These styles reveal much about the ambiguous and paradoxical attitudes of men towards their own masculine role Peter Schwenger demonstrates the international nature of masculine styles His study ranges from such American authors as Norman Mailer Ernest Hemingway and Philip Roth to figures like Yukio Mishima Alberto Moravia and Michel Leiris This book should be of interest to students of literature **In Praise of Failure** Costica Bradatan,2023-01-03 Squarely challenging a culture obsessed with success an acclaimed philosopher argues that failure is vital to a life well lived curing us of arrogance and self deception and engendering humility instead Our obsession with success is hard to overlook Everywhere we compete rank and measure Yet this relentless drive to be the best blinds us to something vitally important the need to be humble in the face of life s challenges Costica Bradatan mounts his case for failure through the stories of four historical figures who led lives of impact and meaning and assiduously courted failure Their struggles show that engaging with our limitations can be not just therapeutic but transformative In Praise of Failure explores several arenas of failure from the social and political to the spiritual and biological It begins by examining the defiant choices of the French mystic Simone Weil who in sympathy with exploited workers took up factory jobs that her frail body could not sustain From there we turn to Mahatma Gandhi whose punishing quest for purity drove him to ever more extreme acts of self abnegation Next we meet the self styled loser E M Cioran who deliberately turned his back on social acceptability and Yukio Mishima who reveled in a distinctly Japanese preoccupation with the noble failure before looking to Seneca to tease out the ingredients of a good life Gleefully breaching the boundaries between argument and storytelling scholarship and spiritual quest Bradatan concludes that while success can make us shallow our failures can lead us to humbler more attentive and better lived lives We can do without success but we are much poorer without the gifts of failure *After Lacan* Willy Apollon,Danielle Bergeron,Lucie Cantin,2002-10-10 The

authors use examples from their own clinical practice to explain the development of Lacanian theory **Stone and Steel**

David Blixt, 2021-12-07 Historical fiction at its best S J A Turney author of Caligula and Marius Mules Judea AD 66 A Roman legion suffers a catastrophic defeat at the hands of a band of Hebrews Knowing Emperor Nero's revenge will be swift they must decide how to defend their land against the Roman invasion Caught in the turmoil is Judah a mason who now finds himself rubbing shoulders with priests revolutionaries generals and nobles drafted to help defend the land of Galilee Denied the chance to marry he turns all his energy into defending the besieged city of Jotapata But with a delusional general friends falling each day and the Roman army at the walls Judah must brave a nightmare to save those he loves and preserve his honor **The Paradox of Suicide and Creativity** M.F. Alvarez, 2020-11-12 If creativity is the highest expression of the life

impulse why do creative individuals who have made lasting contributions to the arts and sciences so often end their lives M F Alvarez addresses this central paradox by exploring the inner lives and works of eleven creative visionaries who succumbed to suicide Through a series of case studies Alvarez shows that creativity and suicide are both attempts to authenticate and resolve personal catastrophes that have called into question the most basic conditions of human existence **Persona**

Naoki Inose, 2012-12-07 A critical biography of a modern Japanese literary giant whose brilliant career ended in a spectacular ritual suicide Yukio Mishima b 1925 was a brilliant writer and intellectual whose relentless obsession with beauty purity and patriotism ended in his astonishing self disembowelment and decapitation in downtown Tokyo in 1970 Nominated for the Nobel Prize Mishima was the best known novelist of his time works like Confessions of a Mask and The Temple of the Golden Pavilion are still in print in English and his legacy his persona is still honored and puzzled over Who was Yukio Mishima really This the first full biography to appear in English in almost forty years traces Mishima's trajectory from a sickly boy named Kimitake Hiraoka to a hard bodied student of martial arts In detail it examines his family life the wartime years and his emergence then fame as a writer and advocate for traditional values Revealed here are all the personalities and conflicts and sometimes petty backbiting that shaped the culture of postwar literary Japan Working entirely from primary sources and material unavailable to other biographers author Naoki Inose and translator Hiroaki Sato together have produced a monumental work that covers much new ground in unprecedented depth Using interviews social and psychological analysis and close reading of novels and essays Persona removes the mask that Mishima so artfully created to disguise his true self

The Ethics of Aesthetics in Japanese Cinema and Literature Nina Cornyetz, 2006-11-22 This is an innovative scholarly and original study of the ethics of modern Japanese aesthetics from the 1930s through the Second World War and into the post war period Nina Cornyetz embarks on new and unprecedented readings of some of the most significant literary and film texts of the Japanese canon for instance works by Kawabata Yasunari Mishima Yukio Abe K b and Shinoda Masahiro all renowned for their texts aesthetic and philosophic brilliance Cornyetz uniquely opens up the field in a fresh and controversial way by showing how these authors and filmmakers concepts of beauty and relation to others were in fact deeply impacted by

political and social factors Probing questions are asked such as How did Japanese fascism and imperialism ideologically politically and aesthetically impact on these literary cinematic giants How did the emperor as the nodal point for Japanese national identity affect their ethics What were the repercussions of the virtual collapse of the Marxist movement in the 1960s What are the similarities and differences between pre war wartime and post war ideals of beauty and those of fascist aesthetics in general This ground breaking work is truly interdisciplinary and will appeal to students and scholars of Japanese literature film gender culture history and even psychoanalytic theory *The Broken Connection* Robert Jay Lifton,1996 The unique human awareness of our own mortality enables us to ensure our perpetuation beyond death through our impact on others This continuity of life has been profoundly shaken by the advent of wars of mass destruction genocide and the ever present threat of nuclear annihilation In *The Broken Connection* Robert Jay Lifton one of America s foremost thinkers and preeminent psychiatrists explores the inescapable connections between death and life the psychiatric disorders that arise from these connections and the advent of the nuclear age which has jeopardized any attempts to ensure the perpetuation of the self beyond death **Flint and Steel** Aaron Castle,2015-10-22 Persecution naves nobles blood thirsty pagans a mysterious organization and a riveting love story that will throw the reader into a world where greed and conflict rule over truth As Chalser Baldwen struggles with his personal identity and his new friend Flint fights his own demons the two travel the land until fate calls on them in the form of a captured slave They are shown their true calling to purge the land of a hypocritical and evil organization led by a tyrant whose greatest weapon is religion **Swarm and Steel** Michael R. Fletcher,2017-08-22 Zerfall awakens in an alley wounded and unable to remember her past Chased by an assassin out into the endless wastes of the desert she is caught disfigured and left for dead Her scabbard is empty but the need for answers and the pull of her sword will draw her back to the city states When Jateko a naive youth accidentally kills a member of his own tribe he finds himself outcast and pursued across the desert for his crimes Crazy from dehydration dying of thirst and hunger he stumbles across Zerfall Hunted by assassins and bound by mutual need both Zerfall and Jateko will confront the Tuschung an ancient and deranged religion ruled by a broken fragment of Zerfall s mind Swarm the Tuschung hell seethes with imprisoned souls but where gods real or imagined meddle in the affairs of man the cost is high In *Swarm and Steel* the power of belief can manifest and shape reality and for political and religious leaders faith becomes a powerful tool But the insane are capable of twisting reality with their delusions as well turning increasingly dangerous as their sanity crumbles It is here that a long prophesied evil will be born an endless hunger The All Consuming will rise **Silk And Steel** Catherine King,2012-06-21 Revenge Mariah Bowes thinks that being alone and penniless is the worst thing that can happen to her but then she becomes the innocent victim of a horrifying act of revenge Deception Daniel Thorpe is consumed with guilt it s his fault that Mariah endured such a terrible punishment he d never realised the terrible consequences his affair with the beautiful Lily would bring Will he ever convince Mariah to trust him again Secrets But for Mariah there are further horrors to
