Saïd Amir Arjomand

State Building In Russia The Yeltsin Legacy And The Challenge Of The Future:

State-building in Russia Gordon B. Smith, 1999 The challenge of a new democracy the author argues is the creation of effective and authoritative political institutions Focusing on Yeltsin's Russia this book examines this question with reference to democratization national identity legal reform and other issues *Russia* Philip Longworth, 2024-06-04 Through the centuries Russia has swung sharply between successful expansionism catastrophic collapse and spectacular recovery This illuminating history traces these dramatic cycles of boom and bust from the late Neolithic age to Ivan the Terrible and from the height of Communism to the truncated Russia of today Philip Longworth explores the dynamics of Russia's past through time and space from the nameless adventurers who first penetrated this vast inhospitable terrain to a cast of dynamic characters that includes Ivan the Terrible Catherine the Great and Stalin His narrative takes in the magnificent historic cities of Kiev Moscow and St Petersburg it stretches to Alaska in the east to the Black Sea and the Ottoman Empire to the south to the Baltic in the west and to Archangel and the Arctic Ocean to the north Who are the Russians and what is the source of their imperialistic culture Why was Russia so driven to colonize and conquer From Kievan Rus the first ever Russian state which collapsed with the invasion of the Mongols in the thirteenth century to ruthless Muscovy the Russian Empire of the eighteenth century and finally the Soviet period this groundbreaking study analyses the growth and dissolution of each vast empire as it gives way to the next Refreshing in its insight and drawing on a vast range of scholarship this book also explicitly addresses the question of what the future holds for Russia and her neighbors and asks whether her sphere of influence is growing

Reexamining Economic and Political Reforms in Russia, 1985-2000 Vladimir Gel'man, Dmitry Travin, Otar Marganiya, 2014-06-25 Reexamining Economic and Political Reforms in Russia 1985-2000 Generations Ideas and Changes analyzes the impact of generational changes and ideational changes on major political and economic reforms conducted in Russia during the late twentieth century This book examines how the policy agenda was shaped by the ideas of the generations representatives for the sixties and seventies Representatives of the generation of sixties conducted reforms from 1985 to 1991 and invested major efforts in political liberalization but did not pay enough attention to economic reforms On the other hand the reformers from the generation of seventies who were in charge of policy making from 1991 to 1998 were genuinely oriented toward market building but rather insensitive to the democratization of the political regime This book explores how these differences in ideational agendas produced inconsistent and controversial outcomes from both stages of reforms

After the Collapse of Communism Michael McFaul, Kathryn Stoner-Weiss, Kathryn Stoner, 2004-09-06 Publisher Description

Authoritarian Russia Vladimir Gel'man, 2015-07-01 Russia today represents one of the major examples of the phenomenon of electoral authoritarianism which is characterized by adopting the trappings of democratic institutions such as elections political parties and a legislature and enlisting the service of the country's essentially authoritarian rulers Why and how has the electoral authoritarian regime been consolidated in Russia What are the

mechanisms of its maintenance and what is its likely future course This book attempts to answer these basic questions Vladimir Gel man examines regime change in Russia from the collapse of the Soviet Union in 1991 to the present day systematically presenting theoretical and comparative perspectives of the factors that affected regime changes and the authoritarian drift of the country After the fall of the Soviet Union Russia s national political elites aimed to achieve their goals by creating and enforcing of favorable rules of the game for themselves and maintaining informal winning coalitions of cliques around individual rulers In the 1990s these moves were only partially successful given the weakness of the Russian state and troubled post socialist economy In the 2000s however Vladimir Putin rescued the system thanks to the combination of economic growth and the revival of the state capacity he was able to implement by imposing a series of non democratic reforms In the 2010s changing conditions in the country have presented new risks and challenges for the Putin regime that will play themselves out in the years to come

Russia as a Great Power Jakob Hedenskog,Vilhelm Konnander,Bertil Nygren,Ingmar Oldberg,Christer Pursiainen,2013-07-04 After a period of relative weakness and isolation during most of the 1990s Russia is again appearing as a major security player in world politics This book provides a comprehensive assessment of Russia s current security situation addressing such questions as What kind of player is Russia in the field of security What is the essence of its security policy What are the sources capabilities and priorities of its security policy What are the prospects for the future One important conclusion to emerge is that while Russian foreign policy under Putin has become more pragmatic and responsive to both problems and opportunities the growing lack of checks and balances in domestic politics makes political integration with the West difficult and gives the president great freedom in applying Russia s growing power abroad

Judicial Cosmopolitanism Giuseppe Franco Ferrari,2019-09-24 *Judicial Cosmopolitanism* The Use of Foreign Law in Contemporary Constitutional Systems offers a detailed account of the use of foreign law by supreme and constitutional Courts of Europe America and East Asia The individual contributions highlight the ways in which the use of foreign law is carried out by the individual courts and the path that led the various Courts to recognize the relevance for the purpose of the decision to foreign law The authors try to highlight reasons and types of the more and more frequent circulation of foreign precedents in the case law of most high courts At the same time they show the importance of this practice in the so called neo constitutionalism

Violent Entrepreneurs Vadim Volkov,2016-03-25 Entering the shady world of what he calls violent entrepreneurship Vadim Volkov explores the economic uses of violence and coercion in Russia in the 1990s Violence has played he shows a crucial role in creating the institutions of a new market economy The core of his work is competition among so called violence managing agencies criminal groups private security services private protection companies and informal protective agencies associated with the state which multiplied with the liberal reforms of the early 1990s This competition provides an unusual window on the dynamics of state formation *Violent Entrepreneurs* is remarkable for its research Volkov conducted numerous interviews with members of criminal groups heads of protection companies law

enforcement employees and businesspeople He bases his findings on journalistic and anecdotal evidence as well as on his own personal observation Volkov investigates the making of violence prone groups in sports clubs particularly martial arts clubs associations for veterans of the Soviet Afghan war ethnic gangs and regionally based social groups and he traces the changes in their activities across the decade Some groups wore state uniforms and others did not but all of their members spoke and acted essentially the same and were engaged in the same activities intimidation protection information gathering dispute management contract enforcement and taxation Each group controlled the same resource organized violence

Routledge Handbook of Russian Politics and Society Graeme Gill, James Young, 2013-03 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook Russian of Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations

Russian Politics and Society Richard Sakwa, 2008-04-10 Having been fully revised and updated to reflect the considerable changes in Russia over the last decade the fourth edition of this classic text builds on the strengths of the previous editions to provide a comprehensive and sophisticated analysis on Russian politics and society New to this edition extended coverage of electoral laws party development and regional politics new chapter on the phoney democracy period 1991-93 historical evaluation of Yeltsin's leadership full coverage of Putin's presidency discussion of the development of civil society and the problems of democratic consolidation latest developments in the Chechnya conflict more on foreign policy issues the re introduction of the Russian Constitution as an appendix an updated Select Bibliography more focus on the challenges facing Russia in the twenty first century Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia's difficult transformation This makes it the best available textbook on the subject and is essential reading for all those concerned with the fate of Russia and with the future of international society

State Building In Russia The Yeltsin Legacy And The Challenge Of The Future Introduction

In the digital age, access to information has become easier than ever before. The ability to download State Building In Russia The Yeltsin Legacy And The Challenge Of The Future has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download State Building In Russia The Yeltsin Legacy And The Challenge Of The Future has opened up a world of possibilities. Downloading State Building In Russia The Yeltsin Legacy And The Challenge Of The Future provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading State Building In Russia The Yeltsin Legacy And The Challenge Of The Future has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download State Building In Russia The Yeltsin Legacy And The Challenge Of The Future. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading State Building In Russia The Yeltsin Legacy And The Challenge Of The Future. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading State Building In Russia The Yeltsin Legacy And The Challenge Of The Future, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download State Building In Russia The Yeltsin Legacy And The Challenge Of The Future has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About State Building In Russia The Yeltsin Legacy And The Challenge Of The Future Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. State Building In Russia The Yeltsin Legacy And The Challenge Of The Future is one of the best book in our library for free trial. We provide copy of State Building In Russia The Yeltsin Legacy And The Challenge Of The Future in digital format, so the resources that you find are reliable. There are also many Ebooks of related with State Building In Russia The Yeltsin Legacy And The Challenge Of The Future. Where to download State Building In Russia The Yeltsin Legacy And The Challenge Of The Future online for free? Are you looking for State Building In Russia The Yeltsin Legacy And The Challenge Of The Future PDF? This is definitely going to save you time and cash in something you should think about.
