Miscellaneous appendixes Author title subject indexes Global Debt Database: Methodology and Sources Samba Mbaye, Ms. Marialuz Moreno Badia, Kyungla Chae, 2018-05-14 This paper describes the compilation of the Global Debt Database GDD a cutting edge dataset covering private and public debt for virtually the entire world 190 countries dating back to the 1950s The GDD is the result of a multiyear investigative process that started with the October 2016 Fiscal Monitor which pioneered the expansion of private debt series to a global sample It differs from existing datasets in three major ways First it takes a fundamentally new approach to compiling historical data Where most debt datasets either provide long series with a narrow and changing definition of debt or comprehensive debt concepts over a short period the GDD adopts a multidimensional approach by offering multiple debt series with different coverages thus ensuring consistency across time Second it more than doubles the cross sectional dimension of existing private debt datasets Finally the integrity of the data has been checked through bilateral consultations with officials and IMF country desks of all countries in the sample setting a higher data quality standard *U.S. Exports* United States. Bureau of the Census, 1979 U.S. Exports, 1980 International Business Information Michael Halperin, Ruth A. Pagell, 2024-02-02 This newly updated and expanded edition of a reference bestseller is the only work available that guides business researchers and librarians to the most valuable sources for information on international business and shows how to interpret and use that data The authors discuss the best available resources and how to use them to find answers to a wide range of questions about international business They also describe business practices in various regions and countries the basics of international trade and finance international business organizations and relevant political departments and agencies Many exhibits and tables are included and the book s appendices include glossaries checklists for evaluating sources and sample disclosure documents The Methods and Materials of Demography Henry S. Shryock, Jacob S. Siegel, 1975 **The Research Process** Myrtle S. Bolner, Gayle A. Poirier, 2004
