Sugar In The Raw Voices Of Young Black Girls In America:

Sugar in the Raw Rebecca Carroll, 2011-08-24 With raw candor elicited by Rebecca Carroll's perceptive questioning 15 black women between the ages of 11 and 18 from places as diverse as Brooklyn and Seattle Alabama and Vermont speak out about their inner and outer lives What they say about identity self esteem the role of race in their perceptions and treatment personal values and their hopes for the future is both enlightening and moving 144 pp National publicity 15 000 print

Sugar in the Raw Rebecca Carroll, 1997-01-01 In a collection of interviews fifteen African American girls between the ages of eleven and eighteen share their thoughts on their lives self esteem personal identity values race and their dreams for the future *Who Look at Me?! Durell M. Callier, Dominique C. Hill, 2019-01-21 Who Look at Me* Shifting the Gaze of Education through Blackness Queerness and the Body explores how we as a society see Blackness and in particular Black youth Drawing on a range of sources the authors argue that the ability to operationalize the sentiment that BlackLivesMatter requires seeing Blackness wholly as queer and as a site of subversive knowledge production Continuing the work of June Jordan and Langston Hughes and based on their work as a Black queer artist collective known as Hill L Waters *Who Look at Me* provides alternative tools for reading about and engaging with the lived experiences of Black youth and educational research for and about Black youth In this way the book presents not only the possibilities of envisioning teaching and research practices but presents examples that embrace celebrate and make room for the fullness of Black and queer bodies and experiences This work will appeal to those interested in emancipatory methodological and educational practices as well as interdisciplinary conversations related to sociocultural constructions of race and sexuality politics of Blackness and race in education **Girlhood in America** Miriam Forman-Brunell, 2001-06-08 This groundbreaking reference work presents more than 100 articles by 98 high profile interdisciplinary scholars covering all aspects of girls roles in American society past and present In this comprehensive readable two volume encyclopedia experts from a variety of disciplines contribute pieces to the puzzle of what it means and what it has meant over the last 400 years to be a girl in America The portrait that emerges reveals deep differences in girls experiences depending on socioeconomic context religious and ethnic traditions family life schools institutions and the messages of consumer and popular culture Girls have been commodified idealized trivialized eroticized and shaped by the powerful forces of popular culture from Little Women to Barbie Yet girls are also powerful co creators of the culture that shapes them often cleverly subverting it to their own purposes From Pocahontas to punk rockers girls have been an integral if overlooked and undervalued part of American culture Feminist Engagements Kathleen Weiler, 2002-06-01 *Feminist Engagements* is a collection of essays by some of the top names in feminist education in which they read and revision the works of the major twentieth century theorists in education and cultural studies Black Girlhood Celebration Ruth Nicole Brown, 2009 This book passionately illustrates why the celebration of Black girlhood is essential Based on the principles and practices of a Black girl centered program it examines how performances of everyday

Black girlhood are mediated by popular culture personal truths and lived experiences and how the discussion and critique of these factors can be a great asset in the celebration of Black girls Drawing on scholarship from women s studies African American studies and education the book skillfully joins poetry autobiographical vignettes and keen observations into a wholehearted participatory celebration of Black girls in a context of hip hop feminism and critical pedagogy Through humor honesty and disciplined research it argues that hip hop is not only music but also an effective way of working with Black girls Black Girlhood Celebration recognizes the everyday work many young women of color are doing outside of mainstream categories to create social change by painting an unconventional picture of how complex and necessary the goal of Black girl celebration can be

Learning, Teaching, and Community Lucinda Pease-Alvarez, Sandra R. Schecter, 2006-04-21 This volume brings together established and new scholarly voices to explore how participatory and situated approaches to learning can contribute to educational innovation The contributors critical examinations of educational programming and engagements provide insights into how educators youth families and community members understand and enact their commitments to diversity and equitable access Collectively these essays complicate notions of community alerting readers to ways in which community can be constructed other than in geographical and ethnoracial terms as alliances and collaborations of individuals joining together to accomplish or negotiate shared agendas The focus on agency combined with social context a dialectic to which all of the authors speak enlarges and invigorates our sense of what is pedagogically possible in societies characterized by diversity and flux Part I Linking Pedagogy to Communities focuses on dynamic initiatives where practitioners collaborate with community members and other professionals as they acknowledge and build on the cultural linguistic and intellectual resources of ethnic minority students and their communities Part II Professional Learning for Diversity centers on the authors experiences in facilitating opportunities for working with prospective and practicing teachers to develop situated pedagogies highlighting both the challenges that emerge and the transformations that occur Part III Learning in Community and Community in Learning illustrates how educational innovation can extend beyond the realm of schools and classrooms by elucidating ways in which individuals construct learning venues in out of school settings Learning Teaching and Community Contributions of Situated and Participatory Approaches to Educational Innovation is a compelling and timely text ideally suited for courses focused on teacher education and development informal learning equity and education multilingual and multicultural education language and culture educational foundations and school reform educational restructuring and will be equally of interest to faculty researchers and professionals in these areas

Using Literature to Help Troubled Teenagers Cope with Identity Issues Jeffrey S. Kaplan, 1999-11-30 The search for one s identity is an ancient quest reflected throughout history in stories where human glory and conquest are often layered with great pain and self doubt meant to help people discover themselves and who they are Today this quest is found prevalently in young adult novels where characters wrestle with modern dilemmas in order to find themselves This reference resource

provides a link for teachers media specialists parents and other adults to those novels and how to use them effectively Educators and therapists explore the literature where common identity issues are addressed in ways intriguing to teens Using fictional characters these experts provide guidance on how to encourage adolescents to cope while improving their reading and writing skills Twelve novels are examined from both a literary and psychological perspective allowing the readers to meet the central figures as if they were living human beings Each chapter is written by a literature specialist who has teamed up with a therapist and confronts a different identity issue examining such dilemmas as body image the father son relationship bigotry and peer relations This pair of experts tries to define the central character s struggle in each novel to discover who they are and to become self actualized individuals Each chapter also provides an annotated bibliography of other works both fiction and nonfiction that explore these same issues to give readers not only the insight into helping teenagers with similar problems but also the tools with which to get teenagers reading and addressing these problems This innovative approach is meant to provide the opportunity for adults and adolescents to better understand each other The Cambridge Companion to the African American Novel Maryemma Graham,2004-04-15 The Cambridge Companion to the African American Novel presents new essays covering the one hundred and fifty year history of the African American novel Experts in the field from the US and Europe address some of the major issues in the genre passing the Protest novel the Blues novel and womanism among others The essays are full of fresh insights for students into the symbolic aesthetic and political function of canonical and non canonical fiction Chapters examine works by Ralph Ellison Leon Forrest Toni Morrison Ishmael Reed Alice Walker John Edgar Wideman and many others They reflect a range of critical methods intended to prompt new and experienced readers to consider the African American novel as a cultural and literary act of extraordinary significance This volume including a chronology and guide to further reading is an important resource for students and teachers alike

Overcoming the Odds Freeman A. Hrabowski III,Kenneth I. Maton,Monica L. Greene,Geoffrey L. Greif,2002-02-07 Based on interviews with many successful young black women and their families Overcoming the Odds provides a wealth of information about how and why they have succeeded what motivates them how their backgrounds and family relationships have shaped them even how it feels to be a high academic achiever They also discuss the challenges of moving into African American womanhood from maintaining self esteem to making the right choices about their professional and personal lives Most important the book offers specific and inspiring examples of the practices attitudes and parenting strategies that have enabled these women to persevere and triumph

Everyday Ways to Raise Smart, Strong, Confident Girls Barbara Littman,1999-09-18 Offers practical advice to parents concerned about self esteem in their daughters

Difficult Dialogues about Twenty-First-Century Girls Donna Marie Johnson,Alice E. Ginsberg,2015-10-09 Introduces new conceptual frameworks for girls studies Presenting cutting edge research from transnational scholars and activists Difficult Dialogues about Twenty First Century Girls introduces original methodologies and girl centered program

design to the field of girls studies The editors pair progressive girls studies research on topics such as differential privilege voice cultural values and access to material resources with provocative questions in order to further the thinking about issues that are often marginalized or overlooked in feminist domains In addition the book serves as a manual for educators and activists designed to promote critical discussions that are accessible and includes a final dialogue with contemporary scholars about their work and the current direction of the field **African American Females** Eboni M.

Zamani-Gallaher,Vernon C. Polite,2013-07-01 African American Females Addressing Challenges and Nurturing the Future illustrates that across education health and other areas of social life opportunities are stratified along gender as well as race lines The unequal distribution of wealth power and privilege between men and women intersects with race and class to create multiple levels of disadvantage This book is one result of a unique forum intended to bring into focus the K 12 and postsecondary schooling issues and challenges affecting African American girls and women Focusing on the historical antecedents of African American female participation and the contemporary context of access and opportunity for black girls and women the contributors to this collection pay particular attention to the interaction of gender with race ethnicity class age and health with the central aim of encouraging thoughtful reading critical thinking and informed conversations about the necessity of exploring the lives of African American females Additionally the book frames important implications for recommended changes in policy and practice regarding a number of critical matters presently affecting African American females in schools and communities across the state of Michigan and nationwide *Girlfighting* Lyn Mikel Brown,2005-03 A

psychological analysis of young female aggression notes the pervasiveness of negative women stereotypes in fairy tales and pop culture examining the ways in which society reinforces and nurtures mean behavior in girls **These Black Kids**

Jennifer Nicole Bacon,2023-12-03 There is a space that resides between girlhood and womanhood This space contains what is personal familial and societal It is the place that transforms Black girls into Black women This is also the place that beckons us to create our own identities and definition of Black womanhood *These Black Kids* The Lived Experience of African American Adolescent Girls Writing Poetry uncovers the voices of teen girls writing their way to Black womanhood together This book exposes the journey of learning strength through vulnerability re defining love and recovering from grief and suffering *These Black Kids* offers the writings and lived experiences of three adolescent girls Keisha Mishaps and Blue as they uncover their muted voices to speak with truth courage and conviction This is the space where the girlchild learns what it means to be free Grounded in phenomenology Black feminism lived experience and the poetic voices of girls and women This book is indispensable for anyone seeking to integrate culturally responsive poetry into their own teaching community work research counseling practice coursework and healing **Racing Research, Researching Race** France Winddance

Twine,Jonathan W. Warren,2000 A white woman studies upper class eighth grade girls at her alma mater on Long Island and finds a culture founded on misinformation about its own racial and class identity A black American researcher is repeatedly

assumed by many Brazilian subjects to be a domestic servant or sex worker *Racing Race Researching Race* is the first volume of its kind to explore how ideologies of race and racism intersect with nationality and gender to shape the research experience Critical work in race studies has not adequately addressed how racial positions in the field as inflected by nationality gender and age generate numerous methodological dilemmas *Racing Research Researching Race* begins to fill this gap by infusing critical race studies with more empirical work and suggesting how a critical race perspective might improve research methodologies and outcomes The contributors to the volume encompass a wide range of disciplinary backgrounds including anthropology sociology ethnic studies women s studies political science and Asian American studies

Kwanzaa: From Holiday to Every Day Maitefa Angaza, 2007-10-01 From preparation to celebration make your Kwanzaa a family tradition Traditionally Kwanzaa brings family friends and the community together for a winter celebration But Kwanzaa can be a part of your life year round The 20 million people of African descent who celebrate this holiday steeped in cultural richness observe the holiday for its seven principles principles that inspire the individual and promote community Whether you re a first time celebrant or a seasoned veteran *Kwanzaa From Holiday to Every Day* is a must have reference for making Kwanzaa special for you and your loved ones With this book you ll learn Planning for daily observance and festive gatherings The seven principles at the heart of Kwanzaa How to involve everyone in your Karamu feast Recipes for traditional dishes you can make at home Zawadi gifts that reflect your values Popular Kwanzaa songs and even one Kwanzaa rap Where to find the best Kwanzaa accessories And more Let this holiday guide show you how to turn your Kwanzaa observance into a way of life to enrich your family friends and community Of the several books on Kwanzaa few are invested with such utility as Maitefa Angaza s thorough going discussion and analysis a meaningful wonderful guide Herb Boyd author of *We Shall Overcome The History of the Civil Rights Movement As It Happened* **Running for Their Lives** Sherrie A. Inness, 2000 Girl Power has become the rallying cry for a new generation of girls as they navigate on their own terms the perilous yet exhilarating journey from girlhood to adulthood Though this transformation is often difficult for middle class white girls growing up in the United States it is unimaginably more difficult for girls often in developing countries who contend with such life threatening issues as poverty abuse and civil war Indeed girl power is a luxury these girls can t afford Consider the young Thai teenage girl who must work in a button factory in order to save some money for her daughter Think about the poverty stricken young girl who is raped in rural Pakistan and whose rapist is never brought to trial Consider the journey of the African girl who is adopted and brought to the United States yet discovers that she is not accepted because of her race These stories and other equally painful sagas will resonate with readers of this collection whose chapters will give these and other disenfranchised girls a place to speak a place to express some of the pain emotional and physical of their journey through girlhood *The Expanding Boundaries of Black Politics* Georgia A.
