Sulla The Last Republican

Daniela Carpi, François Ost

Sulla The Last Republican:

Sulla, the Last Republican Arthur Keaveney, 2005 This is a biography of one of the most controversial figures of antiquity Sulla was the great general who became dictator of Rome and ushered in the period of the Civil Wars *Sulla, the Last Republican* Arthur Keaveney, 1986 **Sulla** Arthur Keaveney, 2013-01-11 In this second edition of Arthur Keaveney's classic biography a fresh generation of students scholars and readers are introduced to one of the most pivotal figures in the outgoing Roman Empire A definitive book in its field this second edition is a must read Completely rewritten and updated to include the further discoveries of the last two decades it challenges traditional views of Sulla as a tyrant and harsh military dictator and instead delivers a compellingly complex portrait of a man obsessed with the belief that he was blessed with divine favour Written by a leading authority on the classical world this lively and entertaining book transports us through Sulla's rise from poverty and obscurity to his dictatorship of Rome highlighting his dedication and achievements in better ordering the Republic before his decline a generation later *Declamationes Sullanae* Juan Luis Vives, 2012-04-19 This is a critical annotated bilingual edition of Declamations 3 4 and 5 comprising the abdication speech of the Roman Republican dictator Sulla followed by Lepidus the new consul's two unrestrained attacks on Sulla's morals henchmen and political program **War, Warlords, and Interstate Relations in the Ancient Mediterranean**, 2017-12-05 During the final four centuries BC many political and stateless entities of the Mediterranean headed towards anarchy and militarism while stronger powers Carthage the Hellenistic kingdoms and Republican Rome expanded towards State formation forceful military structures and empire building Edited by T aco del Hoyo and F L pez S nchez this volume presents the proceedings from an ICREA Conference held in Barcelona 2013 addressing the connection between war warlords and interstate relations from classical studies and social sciences perspectives Some twenty scholars from European Japanese and North American Universities consider the scope of multipolarity and the usefulness of warlord a modern category in order to feature some ancient military and political leaderships **The Oxford Classical Dictionary** Simon Hornblower, Antony Spawforth, Esther Eidinow, 2012-03-29 The revised third edition of the Oxford Classical Dictionary is the ultimate reference on the classical world containing over 6 200 entries The 2003 revision includes minor corrections and updates and all Latin and Greek words in the text are now translated into English **A History of Exile in the Roman Republic** Gordon P. Kelly, 2006-07-24 Roman senators and equestrians were always vulnerable to prosecution for their official conduct especially since politically motivated accusations were common When charged with a crime in Republican Rome such men had a choice concerning their fate They could either remain in Rome and face possible conviction and punishment or go into voluntary exile and avoid legal sentence For the majority of the Republican period exile was not a formal legal penalty contained in statutes although it was the practical outcome of most capital convictions Despite its importance in the political arena Roman exile has been a neglected topic in modern scholarship This 2006 study examines all facets of exile in the Roman Republic its historical

development technical legal issues the possibility of restoration as well as the effects of exile on the lives and families of banished men The Roman Republic, History, Myths, Politics, and Novelistic Historiography Miguel A. Faria, Jr.,2025-06-09 The history of the Roman Republic has been shrouded in myth assailed by gaps in historical knowledge and even immersed in political biases But in this book the author has succeeded in penetrating the mist using both ancient and modern sources as well as numismatic information and other illustrative materials and artforms He narrates the history of ancient Rome from its beginnings with the legendary seven kings of Rome the founding and struggles of the Republic the wars of conquests and civil wars to the collapse of the Republic and the inception of the Roman Empire with Augustus Peace is finally established and the Augustan Renaissance and the Pax Romana followed hinting at the course of Western civilization One lesson is learned Liberty and civic duties are too valuable to be forsaken for the material safety of bread and circuses because in the end citizens so partaking may end up with neither liberty nor safety *Marriage Discourses* Jowan A. Mohammed, Frank Jacob, 2021-11-22 Marriage was historically not only a romantic ideal but a tool of exploitation of women in many regards Women were often considered commodities and marriage was far away from the romantic stereotypes people relate to it today While marriages served as diplomatic tools or means of political legitimization in the past the discourses about marital relationships changed and women expressed their demands more openly Discourses about marriage in history and literature naturally became more and more heated especially during the long 19th century when marriages were contested by social reformers or political radicals male and female alike The present volume provides a discussion of the role of marriage and the discourses about in different chronological and geographical contexts and shows which arguments played an important role for the demand for more equality in marital relationships It focuses on marriage discourses may they have been legal or rather socio political ones In addition the disputes about marriage in literary works of the 19th and 20th centuries are presented to complement the historical debates **As You Law It - Negotiating Shakespeare** Daniela Carpi, François Ost, 2018-10-22 Shakespeare was fascinated by law which permeated Elizabethan everyday life The general impression one derives from the analysis of many plays by Shakespeare is that of a legal situation in transformation and of a dynamically changing relation between law and society law and the jurisdiction of Renaissance times Shakespeare provides the kind of literary supplement that can better illustrate the legal texts of the sixteenth and early seventeenth centuries There was a strong popular participation in the system of justice and late sixteenth century playwrights often made use of forensic models of narrative Uncertainty about legal issues represented a rich potential for causing strong reactions in the public especially feelings concerning the resistance to tyranny The volume aims at highlighting some of the many legal perspectives and debates emplotted in Shakespearean plays also taking into consideration the many texts that have been produced during the latest years on law and literature in the Renaissance

Frontiers in the Roman World Ted Kaizer, Olivier Hekster, 2011-05-10 This volume presents the proceedings of the

ninth workshop of the international network Impact of Empire which concentrates on the history of the Roman Empire It focuses on different ways in which Rome created changed and influenced perceptions of frontiers **All Things Julius Caesar** Michael Lovano,2014-12-02 Julius Caesar s life and example have fascinated and motivated generations of people for nearly 2 000 years This book explores the people places events and institutions that helped define arguably the most famous individual in the history of Rome Far from being ancient history Roman history and culture from the time of Julius Caesar and the Roman Empire have surprising parallels with the political strife and societal issues in 21st century life Interest and awareness have also been bolstered by recent successful Hollywood films as well as television series that depict Roman history All Things Julius Caesar An Encyclopedia of Caesar s World and Legacy provides a unique reference on topics and themes related to the life and times of Julius Caesar It offers historically accurate information about what he did and did not do and examines his impact on later eras via images and idealized depictions of him popularized in literature and other media up to the present The approximately 200 entries in this two volume set are organized alphabetically according to topic or theme for example individuals such as Marc Antony places such as the province of Gaul events such as Roman elections or battles in the Civil War and institutions such as Roman classes slavery patrons and clients The entries cover all the territories of the Roman Empire during Caesar s time from Britain to Egypt The set includes primary documents such as excerpts from ancient letters essays and biographies and supplements the text with images and maps The bibliography provides print and electronic resources suitable for high school and college student research as well as further reading for general audiences

Murder Was Not a Crime Judy E. Gaughan,2010 Embarking on a unique study of Roman criminal law Judy Gaughan has developed a novel understanding of the nature of social and political power dynamics in republican government Revealing the significant relationship between political power and attitudes toward homicide in the Roman republic Murder Was Not a Crime describes a legal system through which families rather than the government were given the power to mete out punishment for murder With implications that could modify the most fundamental beliefs about the Roman republic Gaughan s research maintains that Roman criminal law did not contain a specific enactment against murder although it had done so prior to the overthrow of the monarchy While kings felt an imperative to hold monopoly over the power to kill Gaughan argues the republic phase ushered in a form of decentralized government that did not see itself as vulnerable to challenge by an act of murder And the power possessed by individual families ensured that the government would not attain the responsibility for punishing homicidal violence Drawing on surviving Roman laws and literary sources Murder Was Not a Crime also explores the dictator Sulla s murder law arguing that it lacked any government concept of murder and was instead simply a collection of earlier statutes repressing poisoning arson and the carrying of weapons Reinterpreting a spectrum of scenarios Gaughan makes new distinctions between the paternal head of household and his power over life and death versus the power of consuls and praetors to command and kill **Dictator** Mark Wilson,2021-09-13 The role and

development of the Roman dictatorship over three centuries **Lucan's Imperial World** Laura Zientek, Mark Thorne, 2020-02-06 These new essays comprise the first collective study of Lucan and his epic poem that focuses specifically on points of contact between his text and the cultural literary and historical environments in which he lived and wrote The *Bellum Civile* Lucan's poetic narrative of the monumental civil war between Julius Caesar and Pompey Magnus explores the violent foundations of the Roman principate and the Julio-Claudian dynasty The poem composed more than a century later during the reign of Nero thus recalls the past while being very much a product of its time This volume offers innovative readings that seek to interpret Lucan's epic in terms of the contemporary politics philosophy literature rhetoric geography and cultural memory of the author's lifetime In doing so these studies illuminate how approaching Lucan and his text in light of their contemporary environments enriches our understanding of author text and context individually and in conversation with each other A History of the Roman People Celia E. Schultz, Allen M. Ward, F. M. Heichelheim, C. A. Yeo, 2019-04-03 A History of the Roman People offers students a comprehensive up to date readable introduction to the whole span of Roman history Richly illustrated this fully updated volume takes readers through the mists of Roman prehistory and a survey of the peoples of pre-Roman Italy to a balanced thoughtful account of the complexities of the Roman Republic its evolution into a full fledged empire and its ultimate decline This latest edition enhances the political narrative with explorations of elements of daily life in the Roman world New features in this edition include Addition of boxes that expand on interesting elements of Roman culture mentioned only in passing in the main text The visual arrangement of the text helps students bear in mind what is supplemental to the central narrative Increased emphasis on the contributions of women to Roman society and in religious matters Incorporation of recent archaeological finds and current debates A History of the Roman People is an excellent introduction for those with no background in Roman history Its clear accessible language makes it perfect for undergraduate readers in courses on Roman history and Roman culture More experienced students wanting to expand their knowledge will also find it a rich resource for the full sweep of Roman antiquity Bandits in the Roman Empire Thomas Grunewald, 2004-07-31 This wide ranging and informative survey of outsider groups in the Roman Empire will contribute greatly to our understanding of Roman social history Examining men such as Viriatus Tacfarinus Maternus and Bulla Felix who were called *latrones* after clashing with the imperial authorities special attention is given to perhaps the best known bandit of all Spartacus and to those who impersonated the emperor Nero after his death Topics covered include Whom did the Romans see as bandits *latrones* What did they understand as robbery *lactrocinium* How pressing was the threat that the bandits posed How did their contemporaries perceive the danger We are shown that the term *latrones* was not just used to refer to criminals but was metaphorically and disparagingly applied to failed political rebels rivals and avengers The word also came to represent the noble brigands idealising the underdog as a means of criticising the winning side The author therefore presents the bandit as a literary construct rather than a social type *The World of Juba II and Kleopatra Selene*

Duane W Roller,2004-02-24 Raised and educated in Rome Juba II 48 BC AD 23 was sent to uphold Roman interests in northwest Africa as ruler of the client kingdom of Mauretania Together with his wife Kleopatra Selene daughter of Marcus Antonius and Kleopatra VII he established a rich multicultural environment at their capital renamed Caesarea where Egyptian Hellenistic Greek and indigenous elements came together Juba combined a reign of more than half a century with a career as a distinguished scholar and writer producing an extensive collection of works and shaping Roman knowledge of the southern half of the known world from the Atlantic coast of northwest Africa to India This book explores the complex culture and legacy of the kingdom with emphasis on Juba's scholarship and the world created by these two remarkable monarchs This detailed and comprehensive study is not only the first examination in English of Juba's life and career but the first critical analysis of the king both as an implementer of the Augustan political artistic and intellectual programme and as a notable scholar

How Republics Die Frederik Juliaan Vervaeke,David Rafferty,Christopher J. Dart,2025-05-19

Authoritarianism is everywhere on the advance democracies seem fragile and threatened We console ourselves that where rule by the people has long established itself it has never collapsed from internal causes Except it did once in Rome This book gathers together Roman historians with political scientists and scholars of other periods of authoritarian takeover to explore how open and democratic political systems have historically fallen prey to autocrats The Late Roman Republic is the main focus with a mix of large scale thematic and analytical chapters paired with more detailed case studies from some of the leading scholars in the field Other chapters widen the scope analysing comparable cases from ancient Athens to Napoleon to Hitler's Germany and Franco's Spain The book as a whole draws on contemporary political science scholarship on democratic decay and competitive authoritarianism It shows that these concepts are not only applicable to modern states but that we can properly use them to study past democratic collapses as well This provides the tools for a more historically informed understanding of how republics die as part of a renewed conversation between historians and political scientists

Conflict in Ancient Greece and Rome Sara Elise Phang,Iain Spence Ph.D.,Douglas Kelly Ph.D.,Peter Londev Ph.D.,2016-06-27 The complex role warfare played in ancient Greek and Roman civilizations is examined through coverage of key wars and battles important leaders armies organizations and weapons and other noteworthy aspects of conflict Conflict in Ancient Greece and Rome The Definitive Political Social and Military Encyclopedia is an outstandingly comprehensive reference work on its subject Covering wars battles places individuals and themes this thoroughly cross referenced three volume set provides essential support to any student or general reader investigating ancient Greek history and conflicts as well as the social and political institutions of the Roman Republic and Empire The set covers ancient Greek history from archaic times to the Roman conquest and ancient Roman history from early Rome to the fall of the Western Roman Empire in 476 CE It features a general foreword prefaces to both sections on Greek history and Roman history and maps and chronologies of events that precede each entry section Each section contains alphabetically ordered articles including ones addressing topics not

traditionally considered part of military history such as noncombatants and war and gender followed by cross references to related articles and suggested further reading Also included are glossaries of Greek and Latin terms topically organized bibliographies and selected primary documents in translation

Sulla The Last Republican Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sulla The Last Republican PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sulla The Last Republican PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sulla The Last Republican free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Sulla The Last Republican Books

What is a Sulla The Last Republican PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sulla The Last Republican PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sulla The Last Republican PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sulla The Last Republican PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sulla The Last Republican PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and

editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
