

I finally understand
How the daisies release
Petals grown
Through a summer of love

When winter frost
Settles below the trees
They do not fear that their return
Has not been promised by the sun

They do not mourn
The life they once loved
They let go
Because they must

There is nothing else left to do
But become dust
Rest while the world
Mourns their loss

And when warm light stirs their sleep
From an uncertain slumber
They will remember how to dance once more
While the sparrows sing
