Dempsey,2023-09-15 At a time when governors have been sent to jail presidents have been impeached and legislatures seem dedicated to gridlock and adherence to blind partisanship trumps all else it s not hard to fathom why American people have become skeptical about politicians and cynical about the entire political process and downright disgusted at what is seen to be governmental shenanigans It may come then as comfort to some and dubious to others to read about a politician who has been dubbed the genuine article a man who personified the adage what you see is what you get a person who believed that life was about giving and not about getting That s the kind of man I grew up knowing the kind of politician who would no longer fit the current mold the person I am honored to call my father      *Fifty Years in Japan* Harriett Lewis Dithridge,1960

*A Matter of Healing* Michael Reisman,2010-05-17 Sometimes we need a band aid to cover up a scrape or cut Other times maybe surgery is needed to heal internal wounds Not the case in this book you see It goes far beyond that where emotional scars need to be attended to from possibly a lost love one or a broken heart in a relationship This is where human love and compassion come into play that doctors have no control over Small and large miracles take place in these stories from a source that may not yet be understood but well documented Come with me and experience the uplifting events which you are about to read It concerns a matter of healing This book is dedicated to my secretary and dear friend Patricia Justice Author of *Incredible Short Stories Where Angels Tread and On Loves Path      Near East ,1915      Great Britain and the East ,1915*

Communal Utopias and the American Experience Religious Communities, 1732-2000 Robert P. Sutton,2003-09-30 American communalism is not a disjointed erratic almost ephemeral part of our past but an on going essential part of American history This important study begins with an examination of America s first religious utopia at Ephrata near Lancaster Pennsylvania in 1732 and traces successive utopian experiments in the United States through the following centuries The author demonstrates that the utopian communal story is an integral facet of the Puritan concept of America as a city upon a hill and a beacon light for the world where the perfect society could be built and where it could flourish After discussing the Ephrata Cloister 1724 1812 the author turns to the dozen or so Shaker communities that spread utopian communalism from New England to the Ohio Valley frontier in the antebellum years Next he examines the various Separatists as well as the Oneida Community He traces the history of the Hutterite utopias from Russia to the Great Plains and Canada between the Civil War and World War I In a chapter on California counter culture communities he analyzes the Theosophist communes at Pint Loma and Temple Home Finally he discusses modern religious utopias ranging from the Koreshian Unity at Estero Florida to Zion City near Chicago Dorothy Day s Catholic Worker Movement the Sufi Utopia in the Berkshire Mountains and the Pandanaram Settlement in Indiana      **Delphi Collected Works of Upton Sinclair US (Illustrated)** Upton Sinclair,2023-04-02 Winner of the Pulitzer Prize in 1943 Upton Sinclair was a prolific American novelist and polemicist for socialism health temperance free speech and worker rights His classic muckraking novel *The Jungle* is
