Summer Of Light:

Summer Light Luanne Rice, 2009-06-23 New York Times bestselling author Luanne Rice has inspired the devotion of readers everywhere with her moving novels of love and family. She has been hailed by critics for her unique gifts: a rare combination of realism and romance according to The New York Times Book Review. *Summer Light* is Luanne Rice at her most magical: an entrancing story of love at first sight, the true meaning of family, and angels right here on earth. May Taylor works as a wedding planner with her best friend and great aunt, passing on the timeless traditions established by her grandmother and mother. The Taylor women have always believed in the presence of magic in everyday life, especially the simple magic of true love and family. Yet May's own faith in true love was destroyed years ago when she was abandoned by the father of her child. Still, she has found joy in raising her daughter, Kylie, a special five-year-old who sees and hears things that others cannot. Her unique visions will lead May to a love she never expected and a life she never imagined. Martin Cartier is a professional hockey player and sports legend. But celebrity has never been enough for Martin. His father, Serge, a hockey champion, taught him to play the game and to win at all costs. Now his handsome, polished exterior barely hides a core of rage, heartache, and isolation. It is Kylie who first glimpses the role Martin will play in May's life, and her own. May and Martin feel an immediate attraction, but each fears being hurt again. Yet the intensity of their connection leads them to begin to believe in a shared future. But just as happiness as a family seems within reach, Martin's past threatens to tear them all apart. Only Kylie sees the way home, and only May can lead them there if she can somehow finally believe that miracles can come true. Deftly illuminating the everlasting bonds among mothers, daughters, fathers, and sons, Luanne Rice celebrates life's simple pleasures and the joy of meeting the one person you are destined to love forever. *Summer Light* is a moving tribute to the enduring power of love and an exhilarating testament to the magic always at work in the world for those with the courage to see it.

Nancy Thayer Blythe Benedict is content. Her life didn't end when her marriage did. In fact, she's more than happy living in her comfortable house in Boston, working as a middle school teacher and raising four wonderful children. With three of her kids in the throes of teenagerhood and one not too far behind them, Blythe has plenty of drama to keep her busy every single day. But no amount of that drama could change the family's beloved annual summer trip to Nantucket. Blythe has always treasured the months spent at her island home, away from home, and has fond memories of her children growing up there. But this summer's getaway proves to be much more than she bargained for. Yes, there are sunny days enjoyed at the beach. But Blythe must contend with teenage angst, her ex-mother-in-law's declining health, and a troubling secret involving her ex-husband. Meanwhile, Blythe reconnects with her first love, her former high school sweetheart.

Aaden But their second time around romance becomes complicated when another intriguing man enters the picture It s all a bit out of Blythe s comfort zone This particular island summer may not be as relaxing as Blythe had hoped but she s never felt that life has given her more than she can handle especially when she has the love and support of her family around her
