built Completed in 1941 the 45 000 ton German battleship sank HMS Hood the pride of the British Navy during one of the most sensational encounters in naval history Following the sinking Bismarck was chased around the North Atlantic by many units of the Royal Navy She was finally dispatched with gunfire and torpedoes on 27 May less than five months after her completion Her wreck still lies where she sank 4 800m down and 960km off the west coast of France Drawing on new research and technology this edition is the most comprehensive examination of Bismarck ever published It includes a complete set of detailed line drawings with fully descriptive keys and full colour 3D artwork supported by technical details photographs and text on the building of the ship and a record of the ship s service history Bismarck, Dorsetshire and Memories Raymond Carruthers Lock,2019-06-10 Ray Lock was an eye witness to the sinking of the German battleship Bismarck In these memoirs recalls details of this epic battle as well as many other memoirs from his fascinating life Bismarck Dorsetshire and Memories is another good book produced privately that we are fortunate to be able to read and learn more about a sailor s war A very well presented book nicely printed good quality photographs and most of all very interesting from Warship World Ray Lock a South African tried to join the South African Air Force at the age of 16 as a pilot Told he would have to wait he like many others went to a service that would take him then and there He thought the war would be over by the time he allowed to join the air force Joining the Royal Navy instead he had in fact lots of time to get involved in some well known and some lesser but equally important actions Throughout this book is packed with detail and without doubt will prove of interest to those who like the nitty gritty of Naval Life The author served on DORSETSHIRE prior to the BISMARCK action for some time and until the ships loss in the Indian Ocean where he was wounded Both CORNWALL and DORSETSHIRE were sunk by Japanese aircraft attack The survivors many wounded including Mr Lock were then machine gunned in the water Sighted by an aircraft the group was rescued by HM Ships ENTERPRISE PANTHER and he was personally picked up by PALADIN After extensive recovery time in hospital Mr Lock was selected for Officer Training after which he was seconded again to the Royal Navy Further service in small craft including HDMLs in the Mediterranean with even more operational diversity concluded the author s war This is another good book produced privately that we are fortunate to be able to read and learn more about a sailor s war This one is beautifully presented FROM WARSHIP WORLD I thoroughly enjoyed reading about the rich and varied life of the author including being an eye witness to the sinking of the Bismarck Young readers will be especially interested and fascinated by Ray s well written experiences from an earlier generation and the horrors of war A most revealing and excellent read Bismarck Michael Tamelander,Niklas Zetterling,2020-01-10 The author of Blitzkrieg covers one of the most dramatic events of the Second World War in an outstanding book about naval warfare World War II History When the German battleship Bismarck a masterpiece of engineering well armored with a main artillery of eight 15 inch guns left the port of Gotenhafen for her first operation on the night of May 18 1941 the British battlecruiser Hood and the new battleship Prince of Wales were ordered to find her quickly

as several large convoys were heading for Britain On May 24 Bismarck was found off the coast of Greenland but the ensuing battle was disastrous for the British The Hood was totally destroyed within minutes with only three crewmen surviving and Prince of Wales was badly damaged The chase resumed until the German behemoth was finally caught this time by four British capital ships supported by torpedo bombers from the carrier Ark Royal The icy North Atlantic roiled from the crash of shellfire and bursting explosions until finally the Bismarck collapsed sending nearly two thousand German sailors to a watery grave Tamelander and Zetterling's work rests on stories from survivors and the latest historical discoveries The book starts with a thorough account of maritime developments from 1871 up to the era of the giant battleship and ends with a vivid account hour by hour of the dramatic and fateful hunt for the mighty Bismarck Nazi Germany's last hope to pose a powerful surface threat to Allied convoys Exciting story telling recreates the thrill of the hunt International Journal of Maritime History An epic sea chase and its vivid human details World War II *The Essential Davidson* Donald Davidson, 2006-01-12

The Essential Davidson compiles the most celebrated papers of one of the twentieth century's greatest philosophers It distills Donald Davidson's seminal contributions to our understanding of ourselves from three decades of essays into one thematically organized collection A new specially written introduction by Ernie Lepore and Kirk Ludwig two of the world's leading authorities on his work offers a guide through the ideas and arguments shows how they interconnect and reveals the systematic coherence of Davidson's worldview Davidson's philosophical program is organized around two connected projects The first is that of understanding the nature of human agency The second is that of understanding the nature and function of language and its relation to the world Accordingly the first part of the book presents Davidson's investigation of reasons causes and intentions which revolutionized the philosophy of action This leads to his notable doctrine of anomalous monism the view that all mental events are physical events but that the mental cannot be reduced to the physical The second part of the book presents the famous essays in which Davidson set out his highly original and influential philosophy of language which founds the theory of meaning on the theory of truth These fifteen classic essays will be invaluable for anyone interested in the study of mind and language Fascinating though they are individually it is only when drawn together that there emerges a compelling picture of man as a rational linguistic animal whose thoughts though not reducible to the material are part of the fabric of the world and whose knowledge of his own mind the minds of others and the world around him is as fundamental to his nature as the power of thought and speech itself 'Gentlemen, the Bismarck Has Been Sunk.'
