In the Valley of the Shadow James L. Kugel, 2011-02-01 TEN YEARS AGO Harvard professor James Kugel was diagnosed with an aggressive likely fatal form of cancer I was of course disturbed and worried But the main change in my state of mind was that the background music had suddenly stopped the music of daily life that's constantly going the music of infinite time and possibilities Now suddenly it was gone replaced by nothing just silence There you are one little person sitting in the late summer sun with only a few things left to do Despite his illness Kugel was intrigued by this new state of mind and especially the uncanny feeling of human smallness that came with it There seemed to be something overwhelmingly true about it and its starkness reminded him of certain themes and motifs he had encountered in his years of studying ancient religions This I remember thinking was something I should really look into further if ever I got the chance *In the Valley of the Shadow* is the result of that search In this wide ranging exploration of different aspects of religion interspersed with his personal reflections on the course of his own illness Kugel seeks to uncover what he calls the starting point of religious consciousness an ancient sense of self and a way of fitting into the world that is quite at odds with the usual one He tracks these down in accounts written long ago of human meetings with gods and angels anthropologists' descriptions of the lives of hunter gatherers the role of witchcraft in African societies first person narratives of religious conversions as well as the experimental data assembled by contemporary neuroscientists and evolutionary biologists Though this different sense of how we fit into the world has largely disappeared from our own societies it can still come back to us as a fleeting state of mind when you are just sitting on some park bench somewhere or at a wedding while everyone else is dancing and jumping around or else one day standing in your backyard as the sun streams down through the trees Experienced in its fullness this different way of seeing opens onto a stark new landscape ordinarily hidden from human eyes Kugel's look at the whole phenomenon of religious

beliefs is a rigorously honest sometimes skeptical but ultimately deeply moving affirmation of faith in God One of our generation s leading biblical scholars has created a powerful meditation on humanity s place in the world and all that matters most in our lives Believers and doubters alike will be struck by its combination of objective scholarship and poetic insight which makes for a single beautifully crafted consideration of life s greatest mystery In Shakespeare's Shadow Michael Blanding,2021-03-30 The true story of a self taught sleuth s quest to prove his eye opening theory about the source of the world s most famous plays taking readers inside the vibrant era of Elizabethan England as well as the contemporary scene of Shakespeare scholars and obsessives What if Shakespeare wrote Shakespeare but someone else wrote him first Acclaimed author of *The Map Thief* Michael Blanding presents the twinning narratives of renegade scholar Dennis McCarthy and Elizabethan courtier Sir Thomas North Unlike those who believe someone else secretly wrote Shakespeare McCarthy argues that Shakespeare wrote the plays but he adapted them from source plays written by North decades before In *Shakespeare s Shadow* alternates between the enigmatic life of North the intrigues of the Tudor court the rivalries of English Renaissance theater and academic outsider McCarthy s attempts to air his provocative ideas in the clubby world of Shakespearean scholarship Through it all Blanding employs his keen journalistic eye to craft a captivating drama upending our understanding of the beloved playwright and his singular genius Winner of the 2021 International Book Award in Narrative Non Fiction
