**Creation Research Society Quarterly** Creation Research Society, 2004 Skepticism: The Case against Christianity? John G. Weldon, 2023-04-11 An examination of skepticism and one of its principal complaints against God the Bible and Christianity Despite the best efforts of the most skilled skeptics for 20 centuries the case against Christianity has never been made Alleged moral dilemmas often cited by skeptics as proof the Bible could not be divinely inspired have critical information left out **Don't Be a Victim: Choose Victory!** Carey Scott O'Neal, 2021-03-19 This book is a book of hope It

is a book that will show its readers a path away from feeling like one does not fit in anywhere and to a path where one feels acceptance confidence and that they are loved and do fit in but probably not the way that they expected It explores what victimization is how it affects people and all the different aspects of being a victim feelings like isolation not fitting in depression broken heartedness being shunned suffering survivor's guilt and unforgiveness It explores the side effects of feeling victimized such as alcohol and drug abuse prescription drug abuse guilt complexes lack of self control depression anger and fear Each of these topics is discussed at length including scriptural references regarding them and how these same emotions and trials were prevalent in biblical times as well as current times Most importantly however this book tells how the author learned to rely not on himself for guidance and solutions but on Jesus It discusses how the author himself overcame fear isolation and decades of feeling victimized by surrendering the battles disappointments decisions and paths to follow to God's leadership and therein found peace forgiveness contentment joy and thanksgiving for every new day with Jesus *Mere Apologetics* Alister E. McGrath, 2012-01-01 Throughout history there have been great and articulate

defenders of the faith from Augustine and Aquinas to Jonathan Edwards G K Chesterton Francis Schaeffer and C S Lewis But with new challenges comes the need for a fresh apologetic that specifically addresses the arguments levied against faith in our time of scientific atheism and skepticism In the spirit of C S Lewis's *Mere Christianity* Alister McGrath's *Mere Apologetics* seeks to equip readers to engage gracefully and intelligently with the challenges facing the faith today while drawing appropriately on the wisdom of the past Rather than supplying the fine detail of every apologetic issue in order to win arguments *Mere Apologetics* teaches a method that appeals not only to the mind but also to the heart and the imagination This highly accessible easy to read book is perfect for pastors teachers students and lay people who want to speak clearly and lovingly to the issues that confront people of faith today **Books In Print 2004-2005** Ed Bowker

**Introducing Christianity to Mormons** Eric Johnson, 2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who believe they've already found it When witnessing to current or former members of The Church of Jesus Christ of Latter-day Saints it's essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ For every believer who prays for loved ones in the LDS Church or loved ones who gave up on religion after leaving Mormonism *Introducing Christianity to Mormons* is the guidebook you need to witness to them Inside you'll find real-life conversations that give you helpful ideas for what to say in your discussions contrast points between Mormonism and Christianity that illuminate God's truth biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church Get ready to present the case for Christianity with confidence and grace This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community

**Does God Exist?** G. Todd Brimm M.A. M.Div., 2022-04-06 *Does God Exist* examines crucial evidence that points to a Creator and helps readers develop and frame a consistent worldview to help answer some of the most challenging questions in life This book exposes the inconsistencies and the atrocities that have resulted from modern societies embracing Darwinian evolution throughout most of the 20th century The evidence presented in the book puts allegations of a blind faith approach directly in the corner of the atheist A must read for anyone who is engaging in serious inquiry into the question of whether or not our universe and the life that is the result of a Creator instead of time and chance

*NIVAC Bundle 2: Historical Books* Robert L. Hubbard, Jr., K. Lawson Younger, Bill T. Arnold, August H. Konkel, Andrew E. Hill, Karen H. Jobes, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award-winning commentary is the ideal resource for

today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written. *The Augustinian Alternative* Benjamin J. Wood, 2017-07-15 This book's central claim is that a close reading of Augustine's epistemology can help political theologians develop affirmative accounts of political liberalism. This claim is set in a scholarly context that is profoundly hostile to constructive theological readings of liberal culture. As a corrective to such antagonism, this book suggests that far from being natural opponents, Christian communities can work fruitfully with political liberals based on common principles. A key component in this argument is the theological reevaluation of the ancient skeptical tradition. While the ancient skeptics are habitually treated by scholars as minor characters in the story of Augustine's theological development, this volume argues that they played a significant role in shaping both Augustine's theology and the subsequent character of the Augustinian tradition. By placing Augustine's reading of the skeptics in dialogue with contemporary culture, this book constructs a viable form of liberal Christian politics that is attentive both to his sin-sensitive account of public life and his eschatological vision of the church. *Subject Guide to Books in Print*, 1996 *The Humane Perspective* John Cottingham, 2024-07-03 The book brings together fourteen essays from the work of John Cottingham on moral philosophy and the philosophy of religion, spanning the past fifteen years. The papers are closely related in so far as they all deal with the perennial moral and spiritual challenges of human existence and the search for meaning and value in human life. As well as being thematically linked, they also share a common style and methodology, illustrating the distinctive goal that has increasingly informed the author's work in recent years: that of promoting a more humane conception of philosophizing. While in no way discarding the technical tools of the professional philosopher, such as abstract argumentation and analysis, whose value and importance are unquestionable, this approach is notable for drawing on the full range of resources available to the human mind, including those that depend on literary, artistic, poetic, imaginative, aesthetic, and emotional modes of awareness. In contrast to the model of the philosopher as a kind of detached scrutineer, the essays exemplify the belief that there is a distinctive and valuable kind of philosophical understanding that requires a more involved and engaged stance. The philosophical questions dealt in the volume all fall broadly within the familiar domains of moral philosophy and the philosophy of religion, but the reflections offered on these areas of human thought and practice always aim to be sensitive to how morality and religion actually operate in the lives of the human beings involved. *Jesus and the Metaphysics of God* Vince Procopio, 2023-04-24 About the Book During my formative years, I realized that questions pertaining to God and Jesus were not merely abstract philosophical questions. These beliefs constitute the core of one's worldview. As such, their pervasive influence as to how we lead our lives is relevant and consequential. All my life, I've been haunted by this burning question: Is physical reality all there is? This book is an attempt to engage in a rational inquiry into the very heart of spirituality. To be sure, questions about Jesus and God are metaphysical in nature. And as such, science cannot enter this domain. Rather, as the great philosopher Immanuel Kant admonished any

individual pursuit must push to the epistemological limits of science Any remaining gap is to be filled with faith This is my journey I welcome you fellow traveler About the Author Vince Procopio was born in a small village in Italy and came to the United States at the age of seven By the age of thirteen Vince began his life long passion of weight lifting which he continues to the present day He dropped out of high school to volunteer in the United States Marine Corps in 1968 After serving a one year tour in Vietnam and under the auspices of the GI Bill Vince became a full time student through the summers from 1970 1983 His greatest passion has been learning and trying to understand the miracle of life
