Subcommittee on the Constitution, Civil Rights, and Civil Liberties,2008 **The Political Languages of Emancipation in the British Caribbean and the U.S. South** Demetrius L. Eudell,2003-04-03 This comparative study examines the emancipation process in the British Caribbean particularly Jamaica during the 1830s and in the United States particularly South Carolina during the 1860s Analyzing the intellectual and ideological foundations of postslavery Anglo America Demetrius Eudell explores how former slaves former slaveholders and their societies central governments understood and discussed slavery emancipation and the transition between the two Eudell investigates the public policies which addressed issues of labor control access to land and the general social behaviors of former slaves used to execute emancipation In both regions government appointed officials special magistrates in Jamaica and agents of the Freedmen s Bureau in South Carolina were crucial in implementing these policies While many former slaves were fighting for the right to be paid for their labor and to own land many officials came to view their role as part of a new civilizing mission whose goal was to eradicate the psychic damage supposedly caused by slavery Eudell concludes by examining the 1865 Morant Bay rebellion in Jamaica and the retreat from Reconstruction in South Carolina part of the larger movement of Redemption that occurred in 1877 Both of these occurrences represented the incomplete victory of emancipation Eudell argues and should provoke scholarly questions regarding the persistent thesis of U S exceptionalism

Debt and Slavery in the Mediterranean and Atlantic Worlds Alessandro Stanziani, 2015-10-06 Filling a significant gap in the historiography the essays in this volume show that debt slavery has played a crucial role in the economic history of numerous societies which continues even today *The Legacy of Slavery in Coastal Kenya* Herman Ogoti Kiriamu, 2022-10-26 To either achieve or resist domination some postcolonial and post slavery societies appropriate and contest the current memories on slavery This occurs more often where the sites of slavery are tourist attractions that positively empower the communities through economic benefits resulting in an emergence of new memories of the past and a constant construction and reconstruction of identity In *The Legacy of Slavery in Coastal Kenya* Memory Identity and Heritage Herman Ogoti Kiriamu examines how two communities in coastal Kenya one whose identity is contested by the community members and another one who are seeking recognition have tried to remember their past and the role that tourism has played in the process of remembering and or forgetting Kiriamu argues that heritage memory and identity are fluid and individuals can claim several identities depending on their socio politico economic contexts *The Cultural Legacy of German Colonial Rule* Klaus Mühlhahn, 2017-06-12 This edited volume explores social economic political and cultural practices generated by African Asian and Oceanic individuals and groups within the context and aftermath of German colonialism The volume contributes to current debates on transnational and intercultural processes while highlighting the ways in which the colonial period is embedded in larger processes of globalization
